Charles Carter, dubbed Carter the Great by Houdini himself, was born into privilege but became a magician out of need: only when dazzling an audience can he defeat his fear of loneliness. But in 1920s America the stakes are growing higher, as technology and the cinema

challenge the allure of magic and Carter's stunts become increasingly audacious. Until the night President Harding takes part in Carter's act only to die two hours later, and Carter finds himself pursued not only by the Secret Service but by a host of others desperate for the terrible secret they believe Harding confided in him. Seamlessly blending reality and fiction, Gold lays before us a glittering and romantic panorama of our modern world at a point of irrevocable change.

The Originality of the Avant-Garde and Other Modernist Myths HarperCollins
Puberty is a time of tumultuous transition from childhood to adulthood activated by rapid physical changes, hormonal development and explosive activity of

neurons. This book explores puberty through the parent-teenager relationship, as a "normal state of crisis", lasting several years and with the teenager oscillating between childlike tendencies and their desire to become an adult. The more parents succeed in recognizing and experiencing these new challenges as an integral, ineluctable emotional transformative process, the more they can allow their children to become independent. In addition, parents who can also see this crisis as a chance for their own further development will be ultimately enriched by this painful process. They can face up to their own aging as they take

leave of youth with its myriad possibilities, accepting and working through a newfound rivalry with their sexually mature children, thus experiencing a process of maturity, which in turn can set an example for their children. This book is based on rich clinical observations from international settings, unique within the field, and there is an emphasis placed by the author on the role of the body in self-awareness, identity crises and gender construction. It will be of great interest to psychoanalysts, psychotherapists, parents and carers, as well as all those interacting with adolescents in self, family and society.

9 Days and 9 Nights Harper Collins

A USA TODAY BESTSELLER! "A powerful debut that proves the threads that interweave our lives can withstand time and any tide, and bind our hearts forever."—Susanna Kearsley, New York Times bestselling author of *Belleweather* and *The Vanished Days* A historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing, highlighting the power of our own stories. The smallest items can hold centuries of secrets... While exploring her aunt's island estate, Inara Erickson is captivated by an elaborately stitched piece of fabric hidden in the house. The truth behind the silk sleeve dated back to 1886, when Mei Lien, the lone survivor of a

cruel purge of the Chinese in Seattle found refuge on Orcas Island and shared her tragic experience by embroidering it. As Inara peels back layer upon layer of the centuries of secrets the sleeve holds, her life becomes interwoven with that of Mei Lien. Through the stories Mei Lien tells in silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. Should she bring shame to her family and risk everything by telling the truth, or tell no one and dishonor Mei Lien's memory? A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson, *The Girl Who Wrote in Silk* is a dual-time period novel that explores how a delicate piece of silk interweaves the past and the present, reminding us that today's actions have far reaching implications. Praise for *The Girl Who Wrote in Silk*: "A beautiful, elegiac novel, as finely and delicately woven as the title suggests. Kelli Estes spins a spellbinding tale that illuminates the past in all its brutality and beauty, and the humanity that binds us all together." —Susan Wiggs, New York Times bestselling author of *The Beekeeper's Ball* "A touching and tender story about discovering the past to bring peace to the present." —Duncan Jepson, author of *All the Flowers in Shanghai* "Vibrant and tragic, *The Girl Who Wrote in Silk* explores a horrific, little-known era in our nation's history. Estes sensitively alternates between Mei Lien, a young Chinese-American girl who lived in the late 1800s, and Inara, a modern recent college grad who sets Mei Lien's story free." —Margaret Dilloway, author of

How to Be an American Housewife and *Sisters of Heart and Snow*

The Chairman HarperChristian + ORM
The grueling past months finally seem about to blossom into a happy future together for Dr. Claire McCall and her fiancé, John Cerelli. But their wedding plans are interrupted by circumstances so devastating they threaten everything Claire holds dear: her medical career, her relationship with John, and quite possibly her freedom. Working through the turmoil caused by a near rape, Claire has sought a counselor to help her untangle her emotions. What the counselor uncovers is shattering, but things are about to get worse. The man who assaulted her escapes from jail—and then, to top it off, Claire is accused of euthanizing a terminally ill patient. But the next death is the one that could shake Claire's world to its foundation. How can so much be happening so fast—unless someone is choreographing this lethal nightmare? In this exciting sequel to *Could I Have This Dance?* and *For the Rest of My Life*, nothing may be as it seems. Not the present. And not the past.

Family-Oriented Primary Care

Harper Collins

From the acclaimed Printz Honor winner author Stephanie

Hemphill comes this powerful fictionalized account of the Salem witch trials from the point of view of three of the real young women living in Salem in 1692. Ann Putnam Jr. is the queen bee. When her father suggests a spate of illnesses in the village is the result of witchcraft, she puts in motion a chain of events that will change Salem forever. Mercy Lewis is the beautiful servant in Ann's house who inspires adulation in some and envy in others. With her troubled past, she seizes her only chance at safety. Margaret Walcott, Ann's cousin, is desperately in love. She is torn between staying loyal to her friends and pursuing a life with her betrothed. With new accusations mounting against the men and women of the community, the girls will have to decide: Is it too late to tell the truth?

The First Lie Thorndike Press
A family orientation in health

care can provide a wider understanding of illness and a broader range of solutions than the classic biomedical model. This volume thus offers practical guidance for the physician who would like to take greater advantage of this resource. The result is a readable guide, structured around step-by-step protocols that are vividly illustrated with case studies drawn from the authors extensive experience at the University of Rochester School of Medicine. **A Heartbeat Away** Crossway
You can't dance this dance unless it's in your blood. Claire McCall is praying it's not in hers. Claire McCall is used to fighting back against the odds. Hard work, aptitude, and sheer determination have helped her rise from adverse circumstances to an internship in one of the nation's most competitive

surgical residencies. But talent and tenacity mean nothing in the face of the discovery that is about to rock her world. It's called the "Stoney Creek Curse" by folks in the small mountain town where Claire grew up. Behind the superstition lies a reality that could destroy her career. But getting to the truth is far from easy in a community with secrets to hide. As a web of relationships becomes increasingly tangled, two things become apparent. One is that more than one person doesn't want Claire to probe too deeply into the "Stoney Creek Curse." The other is that someone has reasons other than the curse for wanting Claire out of the picture permanently. Somewhere in the course of pursuing her career as a surgeon, Claire lost touch

with the God who called her toot high for comfort. With an it. Now she realizes how desperately she needs him. But can she reclaim a faith strong enough to see her through this deadly dance of circumstances?

The Six-Liter Club St. Martin's Press

Generous-hearted and wickedly insightful, *The Girls' Guide to Hunting and Fishing* is the New York Times bestselling novel by Melissa Bank. *The Girls' Guide to Hunting and Fishing* maps the progress of Jane Rosenthal as she sets out on a personal and spirited expedition through the perilous terrain of sex, love, relationships, and the treacherous waters of the workplace. Soon Jane is swept off her feet by an older man and into a Fitzgeraldesque whirl of cocktail parties, country houses, and rules that were made to be broken, but comes to realize that it's a world where the stakes are much

unforgettable comic touch, Bank skilfully teases out universal issues, puts a clever new spin on the mating dance, and captures in perfect pitch what it's like to come of age as a young woman. 'This chronicle of a New Yorker's relationships has a wit and perceptiveness that singles it out from the crowd' Guardian 'As hilarious as *Girls' Guide* is, there's a wise, serious core here' Wall Street Journal 'A sexy, pour-your-heart-out, champagne tingle of a read-thoughtful, wise, and tell-all honest. Bank's is a voice that you'll remember' Cosmopolitan

An Open Heart Zondervan

Six were taken. Eleven years later, five come back--with no idea of where they've been. A riveting mystery for fans of *We Were Liars*. Eleven years ago, six kindergartners went missing without a trace. After all that time, the people left behind moved on, or tried to. Until today. Today five of those kids return.

They're sixteen, and they are . . . fine. Scarlett comes home and finds a mom she barely recognizes, and doesn't really recognize the person she's supposed to be, either. But she thinks she remembers Lucas. Lucas remembers Scarlett, too, except they're entirely unable to recall where they've been or what happened to them. Neither of them remember the sixth victim, Max--the only one who hasn't come back. Which leaves Max's sister, Avery, wanting answers. She wants to find her brother--dead or alive--and isn't buying this whole memory-loss story. But as details of the disappearance begin to unfold, no one is prepared for the truth. This unforgettable novel--with its rich characters, high stakes, and plot twists--will leave readers breathless.

A Heartbeat Away Sourcebooks, Inc. ELUSIVE WHISPERS, A DARK CLOSET, STRONG ARMS... DOES SHE EVEN WANT TO REMEMBER? Camille Weller has arrived as the first African-American attending in the trauma service of the Medical College of Virginia. Never mind that the locker rooms are labeled "doctors"

and "nurses" rather than "men" and "women" or that her dark skin communicates "incapable" to many of her white male colleagues in the OR. Camille has battled prejudices her entire career, but those battles were small spats compared to what she faces now. When a colleague discovers a lump in her breast, she believes Dr. Camille Weller is the best doctor for her. Together, they decide on a course of treatment that bucks the established medical system, keeping Camille firmly in the crosshairs of male surgeons already riddled with skepticism and suspicion. Her success as a surgeon is jeopardized further when dark whispers from her childhood in Africa plague Camille's thoughts. Bewildering panic attacks instill fear in a surgeon bent on maintaining the control, pace, and direction of her own life. Unable to shake the flashes of memory, Camille is forced to face a past she has not acknowledged since the death of her father on an African mission field. Who was he? Who was she? And why would either of those answers affect her present?

Girl Last Seen Simon and Schuster
What if when you died, no one would ever know you were all that stood between man and the enemy? When Jonathan Tibbs awakes in a puddle of his own blood, there isn't a scratch on him to explain it. In the weeks to follow, he comes to find he's been drafted for a war with a violent otherworldly species. A war that only he can remember. Now, the man Jonathan imagined himself becoming is no longer the man who can endure his future. The first installment in this science fiction action adventure series, *The Never Hero* is a gritty and honest look at the psychological journey of a man forced to forge himself into a weapon. Abandoned with little guidance, and at the mercy of a bargain struck far outside his reach, Jonathan races to unlock the means to surmount the odds, and understand the mystery behind a conflict raging outside of time and memory. In the end, the real question is what Jonathan is willing to become to save a planet that will never see his sacrifice.

Heartbeat Away Simon and Schuster
A Dream So Big is the story of Steve Peifer, a corporate manager who once oversaw 9,000 computer software consultants, who today helps provide daily lunches for over 20,000 Kenyan school children in thirty-five national public schools, and maintains solar-powered computer labs at twenty rural African schools. Steve and his wife, Nancy, were enjoying a successful management career with one of America's high tech corporate giants during the dot-com boom of the 1990's when, in 1997, he and his wife Nancy discovered they were pregnant with their third child. Tragically, doctors said a chromosomal condition left their baby "incompatible with life." The Peifers only spent 8 days with baby Stephen before he died. Seeking to flee the pain, Steve and Nancy began a pilgrimage that thrust them into a third-world setting

where daily life was often defined by tragedy—drought, disease, poverty, hunger, and death. They didn't arrive in the service of any divine calling, but the truth of their surroundings spoke to their troubled hearts. A short-term, 12-month mission assignment as dorm parents for a Kenyan boarding school turned this ordinary man into the most unlikely internationally recognized hero, and his story will inspire you to pursue similar lives of service.

All I'll Ever Need Cipher-Naught

An intense psychological thriller for readers of *I Am Watching You*, *The Luckiest Girl Alive*, and *All the Missing Girls*. Two missing girls. Thirteen years apart. Olivia Shaw has been missing since last Tuesday. She was last seen outside the entrance of her elementary school in Hunts Point wearing

a white spring jacket, blue jeans, and pink boots. I force myself to look at the face in the photo, into her slightly smudged features, and I can't bring myself to move. Olivia Shaw could be my mirror image, rewound to thirteen years ago. If you have any knowledge of Olivia Shaw's whereabouts or any relevant information, please contact... I've spent a long time peering into the faces of girls on missing posters, wondering which one replaced me in that basement. But they were never quite the right age, the right look, the right circumstances. Until Olivia Shaw, missing for one week tomorrow. Whoever stole me was never found. But since I was taken, there hasn't been another girl. And now there is.

Cloud Cuckoo Land (Large Print Edition) Crossway

Best-selling author and practicing surgeon Harry Krauss uses fast-paced narrative to make the gospel of grace come alive as it is wrapped within a medical metaphor.

The Last Field Party Bloomsbury Publishing USA

Nathan MacAllister knows only one thing for certain: his life and marriage will never be the same. His entire life now revolves around the one question he cannot answer: What really happened that fateful day in Fischer's Retreat? As Nathan's suspicions rise, he is warned to stop asking questions. But the greater mystery for Nathan is what happened to his marriage. Can he convince his wife to fall in love the new man he's becoming--before it's too late for both of them?

Lethal Mercy Bethany House
Was it medicine? Mercy? Or murder? For the sake of his conscience, Jake has to find out—before a paranoid stalker exacts his revenge.

The Memory Keeper's Daughter

Penguin

A stimulating, up-to-date overview of the genesis, analysis, and reception of this landmark symphony.

A Heartbeat Away MIT Press

For every athlete or sports fanatic who knows she's just as good as the guys. This is for fans of *The Running Dream* by Wendelin Van Draanen, *Grace, Gold, and Glory* by Gabrielle Douglass and *Breakaway: Beyond the Goal* by Alex Morgan. The summer before Caleb and Tessa enter high school, friendship has blossomed into a relationship . . . and their playful sports days are coming to an end. Caleb is getting ready to try out for the football team, and Tessa is training for cross-country. But all their structured plans derail in the final flag game when they lose. Tessa doesn't want to end her career as a loser. She really enjoys playing, and if she's being honest, she likes it even more than running cross-country. So what if she decided to play football instead? What would happen between her and Caleb? Or

between her two best friends, who are counting on her to try out for cross-country with them? And will her parents be upset that she's decided to take her hobby to the next level? This summer Caleb and Tessa figure out just what it means to be a boyfriend, girlfriend, teammate, best friend, and someone worth cheering for. "A great next choice for readers who have enjoyed Catherine Gilbert Murdock's *Dairy Queen* and Miranda Kenneally's *Catching Jordan*."—SLJ "Fast-paced football action, realistic family drama, and sweet romance...[will have] readers looking for girl-powered sports stories...find[ing] plenty to like."—Booklist "Tessa's ferocious competitiveness is appealing."—Kirkus Reviews "[The *Football Girl*] serve[s] to illuminate the appropriately complicated emotions both of a young romance and of pursuing a dream. Heldring writes with insight and restraint."—The Horn Book

Could I Have This Dance?

Springer Science & Business Media

"Life in Mercy Hospital's emergency room is life not only unmasked but stripped to the bone. Crises are the daily fare of Mercy's staff, headed by Dr. Thomas Graystone, a man enormously dedicated, yet also rigid and proud, thus far immune to the fevers and messiness of love. Alice Straugh also suffers from a hardening of the heart. Having defied her wealthy parents to become a nurse, she is determined to lead a different life. The arrival at the hospital of an abused child breaks down her defenses and she discovers her own fierce tenacity, strength, and determination to pursue something of her own. Dr. Elias Glass was head of the ER until his untimely death in a shooting incident. His spirit cannot bring itself to leave the hospital until he has finished the work he has left undone." "Crow Durango, a recent widow of a brilliant

musician, keeps her scars close and secret while she sweeps the emergency room floors. Unlike the victims she sees daily, her pain is private. Yet there is too much life in Crow for her to continue "wanting nothing she can't afford to lose." One night she is persuaded to go to a jazz club, where a virtual stranger recognizes in her not the invisible, anonymous face of one of the overworked poor, but the transformed expression of a passionate woman, a woman whose life beyond the hospital walls he might never have guessed at, and now feels compelled to know...." "Here in Mercy Hospital among the living and the dead, the crack addicts and the crash victims, love strikes two unlikely people. In this riveting story of love, unforgettable characters are confronted with the boundaries of class and the vagaries of pride and prejudice in the 1990s. In this, her fourth novel, Barbara Rogan has

established herself as one of the finest writers of fiction."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved
A Dream So Big Simon and Schuster
From the NEW YORK TIMES, WALL STREET JOURNAL, & USA TODAY bestselling series Hunches, horse races, and heartbreak Ten years after Simone Payton broke his heart, all Roscoe Winston wants is a doughnut. He'd also like to forget her entirely, but that's never going to happen. Roscoe Winston remembers everything--every look, every word, every single unrequited second--and the last thing he needs is another memory of Simone. Unfortunately, after one chance encounter, Simone keeps popping up everywhere he happens to be . . . Ten years after Roscoe Winston dropped out of her life, all Simone Payton wants is to exploit him. She'd also like some answers from her former best friend about why he ghosted her, but if she never gets those answers, that's a-okay. Simone let go of the past a long time ago.

Seriously, she has. She totally, totally has. She is definitely not still thinking about Roscoe. Nope. She's more than happy to forget he exists. But first, she needs just one teeny-tiny favor . . .
