A History of Ancient Britain by Neil Oliver - Goodreads

Britain was first divided into large administrative areas following Roman conquest from 43 AD. Petty kingdoms took their place after the fall of Roman Britain in the 5th century AD and formed along old tribal lines, as well as new divisions of land created

by Anglo-Saxon and Viking settlers.

*A History of Ancient Britain episode 1 —
History — HDclump*

The story of ancient Britain is traditionally seen as one of successive waves of invasion from the continent, with each bringing different cultures and technologies. More recent archaeological theories have questioned this migrationist interpretation and argue for a more complex relationship between Britain and the Continent. [5]
