Corporate Social Responsibility: History, Benefits and Types

Corporate Social Responsibility: A Brief History.

Corporate Social Responsibility (CSR) has come a long way, morphing from a nice thing to do to what it is today: a necessity for a successful business. Today's CSR programs have their roots in corporate philanthropy.

Wealthy businessman and philanthropist Andrew Carnegie challenged wealthy people to support social causes, following his belief in the Gospel of Wealth.

Evolution of corporate social responsibility

Social responsibility is a duty every individual has to perform so as to maintain a balance between the economy and the ecosystems. A trade-off may exist between economic development, in the material sense, and the welfare of the society and environment, though this has been challenged by many reports over the past

decade.

The Origins of Socially Responsible Investing

If you haven't heard of corporate social responsibility (CSR) before, you're not alone. While it is not a new concept, it is an idea many people haven't. This concept stems from the belief that businesses and corporations should act responsibly in the communities and environments they operate in.

What is Social Responsibility (SR)? | ASQ

This paper discusses the historical context of Social Responsibility Theory (SRT) in the Philippines with emphasis on different forms of media such as print, broadcast and new media.

...

The historical evolution of the CSR can be classified

into different periods (Johnson, 2010). There is the earlier period in the CSR evolution followed by the development of unique trends in the 1970s. The 1970s trends are followed by the shifts that existed during the 1990s (Matten and Moon, 2005).

A Brief History of Corporate Social Responsibility (CSR) Abstract. This chapter traces the historical relationship between corporate law and corporate social responsibility. After abandoning a regulatory philosophy by the close of the nineteenth century, the field of corporate law, along with mainstream corporate theory, has largely sidestepped full engagement with the ongoing societal quest for enhanced corporate responsibility.

The purpose of this article on corporate social responsibility (CSR) concepts and

practices, referred to as just 'social responsibility' (SR) in the period before the rise and dominance of the corporate form of business organization, is to provide an overview of how the concept and practice of SR or CSR has grown, manifested itself, and flourished. It considers how the CSR concept, expanded from its focus on a few stakeholders, close at hand, to be more far reaching and inclusive ...
