History of the Guitar: Acoustic to Electric, Ancient to Modern

A deeply thought provoking refreshing view on modern history showing how the development of modern democratic states changed the character of war for the worse. Well written - the greek dictum of "War as the father of all things" takes on an even more intense and deeply disturbing meaning.

History of Modern - Wikipedia

The book does not promise to review every culture and history that has been; it promises to consider the 'modern world' and discuss where that came from. i.e., if a culture no longer exists and had little effect on the world, then it is not really for the book to

consider.

Our modern word 'guitar' probably comes from the ancient Greek word ?????? (kithara), and doubtless, stringed instruments existed prior to recorded history. Most scholars agree, the two instruments that played the biggest part in the history of the guitar were the European lute and an Arabic instrument called an oud.

A History of the Modern Middle East by William L. Cleveland

The modern history of a middle eastern country can only be understood in the context of the larger narrative of its relation to the other movements in the region and this book does a good job of putting the story into perspective.
