Memories for Eternity Harlequin  
When a young girl discovers her parent's painful life secrets her sense of self unravels, eliciting a long path to healing, acceptance, and love. Jennifer is thirteen and living a quiet teenage existence when her parents reveal their innermost secrets; her mother has found the child she relinquished as a baby, and her father no longer wants to be part of the family. As Jennifer's young life unravels, she begins to self-destruct. Anna, Jennifer's mother, is deeply affected by losing her parents at a young age and by her subsequent strict upbringing in a Baptist orphanage. Thrust into a changing world ill-prepared, she finds herself pregnant and unwed during a time when society shunned these young mothers. *Both Sides of Then* is the story of a mother and daughter's search for agency. Jennifer shares her difficult path to self-acceptance while piecing together her mother's young life using vignettes shared throughout her childhood. By writing from her mother's perspective, would Jennifer eventually understand her mother? Would she see her own life more clearly. A coming-of-age book and in-depth exploration of family frailty and resilience, *Both Sides of Then* is a daring take on the power of the female voice, even after it's been silenced. "It is a great act of love when a daughter works hard to fully understand her mother's life. In *Both Sides of Then*, Jennifer Griffith does exactly that. This memoir chronicles a daughter making sense of her own experience by unraveling the mystery of her mother's life. I wept, I laughed, and I wanted to call my mom after I finished this beautiful book."  
—Julie Barton, *New York Times*

bestselling author of *Dog Medicine* "Jennifer Griffith's steely, calm voice is a marvel of compassion as she boldly inhabits her mother's pain in order to understand her own. *Both Sides of Then* is a mesmerizing journey through empathy to forgiveness, written with clear-eyed bravery and love."  
—Rachel Howard, author of *The Lost Night* and *The Risk of Us* "In *Both Sides of Then*, Jennifer Griffith expertly weaves her story of a troubled childhood with her mother's experience growing up an orphan. We come to understand two fundamental truths: we inherit much more than we realize and the only narrative more elemental than our own is our mother's. This compelling memoir expertly explores family history, abandonment, resilience, and ultimately, an imperfect but honest kind of love."  
—Shanti Brien, author of *Almost Innocent*

What do the novelists Charlotte Brontë, Charlotte M. Yonge, Rose Macaulay, Dorothy L. Sayers, Barbara Pym, Iris Murdoch and P.D. James all have in common? These women, and others, were inspired to write fiction through their relationship with the Church of England. This field-defining collection of essays explores

Anglicanism through their fiction and their fiction through their Anglicanism. These essays, by a set of distinguished contributors, cover a range of literary genres, from life-writing and whodunnits through social comedy, children's books and supernatural fiction. Spanning writers from the nineteenth to the twenty-first century, they testify both to the developments in Anglicanism over the past two centuries and the changing roles of women within the Church of England and wider society.

In the hugely popular, New York Times bestseller *A Holiday of Love*, Jude Deveraux wrote a novella about two kids playing matchmakers—Eli and Chelsea, best friends who were determined to find true love for Eli’s bighearted mother. Eli and Chelsea lost touch with each other over the years, until Eli bought a house in his father’s hometown of Edilean, Virginia, and invited Chelsea for a visit. She had her own life, and was certain that a childhood friendship couldn’t be anything more, but she went nonetheless—and found herself quite unprepared for the changes she saw in Eli. And neither of them were prepared to run into a mystery, with a family that needed to be rescued. Now, just like when they were children, they must join together to straighten out a very big problem. The question is what happens after the mystery is solved; they are very different people—so can they stay together?
