Understanding more of God's character and how he loves us changed bestselling author Holley Gerth's life in beautiful, powerful ways. She realized that she didn't have to settle for "I'm fine" when there was someone whispering to her in every moment, "You're mine." The hope, joy, peace, and purpose she longed for were already there, in the heart of God. Now in 52 devotional readings, Holley shares with women the answer to the restlessness they feel in their hearts that keeps them hurrying, striving, pushing. She shows them that "the God who scattered stars like diamonds across the velvet of the universe, the keeper of every sparrow, the maker of us all, is inviting us to draw closer to him. He is the place where our hearts can go on the hard days and the happy ones, in the highs and lows, when we are sad or frustrated or downright giddy. He is what we've been searching for all along."

Change of Heart A Hopeful Heart

"I remember encountering a young colleague who came in

to discuss a psychotherapy patient she was treating. She looked fatigued and almost sad, so I said to her, "Before we get into the case you wanted to discuss, how are you doing? You look drained." In return, she got teary, and said in a quiet, hoarse voice, "I think my soul is tired." In response, I smiled slightly, leaned back and said, "Well, we can't have that, can we. Why not tell me what has been going on over the past weeks or months that strike you as particularly draining since are normally quite positive and filled with great spirits."--

Hope is to the human spirit what breath is to the physical body—the very fuel that animates our being. So says best-selling author John Claypool. But with hopefulness comes the possibility of disappointment. How can we hope and yet be realistic about what we hope for? What is a hope that doesn't disappoint? In his inimitable pastoral and gentle way, Claypool explores biblically based avenues to hopefulness. Beginning with what we can and cannot know of God's promises, he discusses the value of humility in the face of the Great Mystery that is God. Claypool then examines what we can expect by letting God be God, and he looks at the place of forgiveness and second chances in seeking hope. His conclusion addresses the greatest hope, that of the life to come beyond the grave. This very personal book, written without theological jargon, will be a welcome companion to anyone who is struggling with disappointment, fear, or loss.

Our Missing Hearts Deseret Book

Everyone wants to have "Hope" in their lives. To live like there is going to be a great tommorrow for them. In this fast pasted society where everyone wants everything yesterday, it get a little "outdated" to take a little time to speak about emotional / spiritual issues. Add to that the fact that not all of us are given the same share of resources in the beginning of our lives, life as a very "hard worker" can get a little tense at times. ..Along the way our emotional / spiritual lives become a luxury not a necessiity. I have realized that that human beings have emotional /spiritual responsibilities despite their level of resources that they have or have not. All of us need to learn at a very early age to "quiet our minds" and "calm our own hearts" ..along with acceptance of our own imperfections and that of others.
