To Wager Her Heart Zondervan
A Gripping Story of Love, Loss,
and Second Chances When her
husband disappears into a
mountain snowstorm one
morning, Kathryn Jennings is
flung into the world of
ranching, banking, and
business. Penniless and

pregnant, Kathryn is determined to keep her land as a legacy for her child. The man who offers her a job seems to have an awful lot of secrets, but she is desperate. Most disconcerting of all is the uncanny familiarity she feels toward the badly scarred ranch hand who works in the dark shadows of the horse stables.

Annabelle Grayson has been given a second chance at life, but she can't claim it with the cloud of her past hanging over her in Willow Springs. After her husband dies, she advertises for a trail guide to accompany her to land waiting for her in Idaho--and a most unlikely candidate applies for the job. Matthew Taylor is a man on the run, with consequences of past mistakes pursuing him at every turn. Meeting Annabelle Grayson the first time was

unpleasant enough, but when she crosses his path again, her presence in his life--and what she reveals--is devastating. If given a single wish, Matthew would turn back time and right a grievous wrong. If given a second wish, he would make Annabelle Grayson pay.

This Side of Paradise

Bethany House

A musician, songwriter and author with nearly a dozen albums and a best-selling memoir (*Goodbye, Little Rock and Roller*) under her belt, Marshall Chapman has lived and breathed Music City for more than 40 years. Her friendships with those who helped make Nashville a major force in American music are unsurpassed. In this new book, the reader is invited to see Marshall Chapman as never before--as music journalist extraordinaire. The trials,

tribulations and evolution of Music City are on display in these revealing encounters, as Chapman sits down with influential figures like Kris Kristofferson, Emmylou Harris, John Hiatt. Miranda Lambert, and a dozen other top names to record what brought each of them to Nashville and what inspired them to persevere.

A Man of His Own Bethany House

From the author of *Exhalation*, an award-winning short story collection that blends "absorbing storytelling with meditations on the universe, being, time and space ... raises questions about the nature of reality and what it is to be human" (The New York Times). *Stories of Your Life and Others* delivers dual delights of the very, very strange and the heartbreakingly familiar, often presenting

characters who must confront sudden change—the inevitable rise of automatons or the appearance of aliens—with some sense of normalcy. With sharp intelligence and humor, Chiang examines what it means to be alive in a world marked by uncertainty, but also by beauty and wonder. An award-winning collection from one of today's most lauded writers, *Stories of Your Life and Others* is a contemporary classic. Includes "Story of Your Life" —the basis for the major motion picture *Arrival*

Stories of Your Life and Others National Academies Press

A fatal collision of three lives in the most intriguing and original crime story since *Cold Blood*. In the spring of 1963, the quiet suburb of Belmont, Massachusetts, is rocked by a shocking sex murder that exactly fits the pattern of the Boston

Strangler. Sensing a break in the case that has paralyzed the city of Boston, the police track down a black man, Roy Smith, who cleaned the victim's house that day and left a receipt with his name on the kitchen counter. Smith is hastily convicted of the Belmont murder, but the terror of the Strangler continues. On the day of the murder, Albert DeSalvo—the man who would eventually confess in lurid detail to the Strangler's crimes—is also in Belmont, working as a carpenter at the Jungers' home. In this spare, powerful narrative, Sebastian Junger chronicles three lives that collide—and ultimately are destroyed—in the vortex of one of the first and most controversial serial murder cases in America.

A Searching Heart Baker Books

Based on the real history of Carnton, an antebellum home that served as a Confederate hospital, *Colors of Truth* follows the

journey of an Irish immigrant arriving in a country where her kind isn't wanted, and of a former Federal soldier returning to the scene of a battle that almost destroyed him. In 1866 Catriona O'Toole arrives in the town of Franklin, Tennessee, searching for her younger brother, Ryan, who, according to his last letter, was headed for Franklin only days before the catastrophic Battle of Franklin. Ryan's last note contained a stack of cash—enough money to bring his entire family across the ocean from Ireland. But after disease and illness tear through County Antrim and the O'Toole family, only Catriona and her seven-year old sister Nora are left to make the journey. Wade Cunningham, one of ten operatives in the newly formed United States Secret

Service Agency, is on the hunt for counterfeiters. A tip leads him to Franklin and to Carnton, the home of wealthy Tennessean John McGavock. The recent murder of a fellow agent mandates that Wade keep his true identity hidden, as well as his past service in the Federal Army. But when he receives a note bearing only the name of the deceased agent, he realizes someone in town already knows who he really is. As evidence in the case mounts, it eventually points to Catriona, but Wade is slow to want to believe it. Because his heart is swiftly becoming hers. However, Catriona's sole focus is to find her brother and to provide a home and safety for her sister. In doing that, she somehow finds herself part of a burial committee for the over two thousand Confederate soldiers who

were hastily buried in a field following the Battle of Franklin—and her deepest fear is that Ryan's body is among those shallow graves.

Desperate for a fresh start,

McKenna Ashford accepts

her cousin's invitation to

move west with her

rebellious younger brother

to the rugged wilds of the

Colorado Territory, but what

she finds there will be the

greatest challenge of her

life. Determined to tame her

fourteen-year-old younger brother's rebellious streak, twenty-three-year-old McKenna Ashford accepts her cousin's invitation to move west and start over. McKenna arrives only to find that her cousin and her cousin's husband have died, leaving their five-year-old daughter an orphan—and that life in Copper Creek, Colorado, is far from what she expected. McKenna struggles with her sudden new role as the guardian of two children. Shouldering burdens beyond her years, McKenna tries to be the parent Robert needs instead of the older sister he resents. But her “untimely inheritance” challenges her resolve at every turn, while also offering a second chance to restore her sense of trust—and perhaps even her heart. U.S. Marshal Wyatt Caradon is dedicated to bringing fugitives to justice, yet years of living on the trail have taken their toll, and he finds himself at a crossroads. He's brought countless men to justice, but he questions what lasting good he has accomplished. When his path intersects that of young Robert Ashford, Wyatt glimpses himself, years ago, in the boy's pride and arrogance. He also sees a boy without a firm hand in his life. His well-meant attempt to help Robert brings him face-to-face with the one situation he never wanted to encounter—and the one woman who holds the key to helping him find his future. As McKenna struggles to let go of her independence and Wyatt considers opening his heart again, they discover an inheritance beyond imagination—but it will come at a price. Praise for *The Inheritance*: “Alexander has an awe-inspiring way of

A wall went up around Alex Brady's heart when his father, a New York firefighter, died in the Twin Towers. Turning his back on the only woman he ever loved, Alex shut out all the people who cared about him to concentrate on fighting crime. He and his trusty K9 partner,

Bo, are determined to eliminate evil in the world and prevent tragedies like 9-11. Then the worst fire season in California's history erupts, and Alex faces the ultimate challenge to protect the community he serves. An environmental terrorist group is targeting the plush Oak Canyon Estates. At the risk of losing his job, and his soul, Alex is determined to infiltrate the group and put an end to their corruption. Only the friendship of Clay and Jamie Michaels—and the love of a dedicated young woman—can help Alex drop the walls around his heart and move forward into the future God has for him.

[A Lasting Impression \(A Belmont Mansion Novel Book #1\)](#) Bethany House The riveting novel of iron-willed Alva Vanderbilt and her illustrious family as they rule Gilded-Age New York, written by Therese Anne Fowler, a New York Times bestselling author of Z: A

Novel of Zelda Fitzgerald. Alva Smith, her southern family destitute after the Civil War, married into one of America's great Gilded Age dynasties: the newly wealthy but socially shunned Vanderbilts. Ignored by New York's old-money circles and determined to win respect, she designed and built nine mansions, hosted grand balls, and arranged for her daughter to marry a duke. But Alva also defied convention for women of her time, asserting power within her marriage and becoming a leader in the women's suffrage movement. With a nod to Jane Austen and Edith Wharton, in *A Well-Behaved Woman* Therese Anne Fowler paints a glittering world of enormous wealth contrasted against desperate poverty, of social ambition and social scorn, of friendship and betrayal,

and an unforgettable story of a remarkable woman. Meet Alva Smith Vanderbilt Belmont, living proof that history is made by those who know the rules—and how to break them. With this Pledge Grove/Atlantic, Inc. Set against the real history of Nashville's Belle Meade Plantation and the original Fisk University Jubilee Singers ensemble, *To Wager Her Heart* is a stirring love story about seeking justice and restoring honor at a time in American history when both were tenuous and hard-won. With fates bound by a shared tragedy, a reformed gambler from the Colorado Territory and a Southern Belle bent on breaking free from

society's expectations must work together to achieve their dreams—provided the truth doesn't tear them apart first. Sylas Rutledge, new owner of the Northeast Line Railroad, invests everything he has into this new venture, partly for the sake of the challenge. But mostly to clear his father's name. One man holds the key to Sy's success—General William Giles Harding of Nashville's Belle Meade Plantation. But Harding is champagne and thoroughbreds, and Sy Rutledge is beer and bullocks. Sy needs someone to help him maneuver through Nashville's society, and when he meets Alexandra Jamison, he quickly decides he's found his

tutor. But he soon discovers that the very train accident his father is blamed for causing is what killed Alexandra's fiancé and shattered her world. Spurning an arranged marriage by her father, Alexandra instead pursues her passion for teaching at Fisk University, the first freedmen's university in the United States. But family—and Nashville society—do not approve, and she soon finds herself cast out from both. Through connections with the Harding family, Alexandra and Sy become unlikely allies. And despite first impressions, Alexandra gradually finds herself coming to respect and even care for this man. But how can she, when her heart is still

spoken for? Sy is willing to risk everything to win over the woman he loves.

What he doesn't count on is having to wager her heart to do it.

"What ardent, dazzling souls emerge from these American missionaries in China . . . A beautiful, searing book that leaves an indelible presence in the mind." —Patricia Hampl, author of *The Florist's Daughter* Will Kiehn is seemingly destined for life as a humble farmer in the Midwest when, having felt a call from God, he travels to the vast North China Plain in the early twentieth-century. There he is surprised by love

and weds a strong and determined fellow missionary, Katherine. They soon find themselves witnesses to the crumbling of a more than two-thousand-year-old dynasty that plunges the country into decades of civil war. As the couple works to improve the lives of the people of Kuang P'ing Ch'eng— City of Tranquil Light, a place they come to love—and face incredible hardship, will their faith and relationship be enough to sustain them? Told through Will and Katherine's alternating viewpoints—and inspired by the lives of the author's maternal grandparents—City of Tranquil Light is a tender and elegiac portrait of a young marriage set against the backdrop of the shifting face of a beautiful but torn nation. A deeply spiritual book, it shows how those who work to teach others often have the most to learn, and is further evidence that Bo Caldwell writes "vividly and with great historical perspective" (San Jose

Mercury News).

—Debutiful, *The Chicago Review of Books*, *The Millions* In 1913, a Russian ballet incited a riot in Paris at the new Théâtre de Champs-Élysées. “Only a Russian could do that,” says Aleksandr Ivanovich. “Only a Russian could make the whole world go mad.” A century later, in November 2013, thousands of Ukrainian citizens gathered at Independence Square in Kyiv to protest then-President Yanukovich’s failure to sign a referendum with the European Union, opting instead to forge a closer alliance with President Vladimir Putin and Russia. The peaceful protests turned violent when military police shot live ammunition into the crowd, killing over a hundred civilians. *I Will Die in a Foreign Land* follows four individuals over the course of a volatile Ukrainian winter, as their lives are forever changed by the Euromaidan protests. Katya is an Ukrainian-American doctor stationed at a makeshift medical clinic in St. Michael’s Monastery; Misha is

an engineer originally from Pripjat, who has lived in Kyiv since his wife’s death; Slava is a fiery young activist whose past hardships steel her determination in the face of persecution; and Aleksandr Ivanovich, a former KGB agent, who climbs atop a burned-out police bus at Independence Square and plays the piano. As Katya, Misha, Slava, and Aleksandr’s lives become intertwined, they each seek their own solace during an especially tumultuous and violent period. The story is also told by a chorus of voices that incorporates folklore and narrates a turbulent Slavic history. While unfolding an especially moving story of quiet beauty and love in a time of terror, *I Will Die in a Foreign Land* is an ambitious, intimate, and haunting portrait of human perseverance and empathy. "Kalani Pickhart's timely debut novel, *I Will Die In a Foreign Land*, is about the 2014 Ukrainian revolution which provided a pretense for Russia

to annex Crimea. The story follows the experiences of several characters whose lives intersect as the country's political situation deteriorates. There's a Ukrainian-American doctor, an old KGB spy, a former mine worker, and others, and these episodes are interspersed with folk songs, news reports and historical notes. The effect—kaleidoscopic but never confusing—provides an intimate sense of a country convulsing, mourning, and somehow surviving." —CBS News, "The Book Report: Recommendations from Washington Post critic Ron Charles" (Watch the full video on CBS News, February 6, 2022).

This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are

"Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.
