The magic of nature, the moon, and the seasons had a profound effect on Melissa Kim Corter growing up.

Mystical experiences unfolded in the simplest of moments. Rocks and trees were animated with life; the moon listened to her stories while the Earth held her as she stumbled through life as an empath (feeling everything so deeply). As she began to morph and adapt to the adolescent changes of life, magical views were stripped away until only a fragment of her imagination. She was lost and floundered until she awakened the wild, wise woman within. This book contains women who "know" truth through feeling and sensation without the need for evidence or approval. This collective includes women who own their light and release the opinions of others. It features women who have forged a path, and refuse to settle out of fear. The wise, wild woman lives in our bones and rises up through the core; she has an unapologetic desire to reflect this potential to those who feel called to welcome her. The pages within are filled with powerful women who share a desire to live an enchanted life and connect you to the intuitive knowing you hold. In the Wild Woman's Book of Shadows, Melissa Kim Corter and 22 magical women offer stories, tips, formulas, and wisdom to awaken and connect you to your own inner wisdom. They invite you to join them in sharing the most potent medicine of all ... the reclamation of enchantment.

Mother of Shadows Game Is Life

Childhood is supposed to be a time of innocence, discovery, making friends, learning, and enjoying simple, uncomplicated days filled with laughter and fun. But what happens if those idealistic hopes and dreams are squashed in an instant when that little girl is sexually abused? What then? *Life in the Shadows* is the true story of how one such little girl lived with crippling feelings of shame and an overwhelming need for secrecy. What followed was a life struggling to cope with severe symptoms of Post-traumatic stress disorder, turning to alcohol for relief and escape, leading to sleep deprivation and almost absolute isolation. Nancy Legere openly shares how she managed to climb up out of the seemingly never ending darkness that enveloped her life after she was raped at the tender age of seven, and the years that ensued with her falling deeper and deeper into the abyss of anger and fear caused by feelings of self-loathing. Feelings of being unworthy of love and incapable of showing any emotion caused Nancy's life to spiral out of control to the point of contemplating suicide to end her struggles with life as she knew it. "Nancy brings her courage and 'tell it like it is' persona to this story of her journey out of the hell that is childhood sexual abuse, to the healing path she is now walking. She shares openly and honestly about the toll the abuse took on her physically, emotionally, and spiritually, and how she eventually took back her life and her power. It is a triumphant, hard-hitting, sometimes challenging read that leaves us hopeful about finding our way out of the shadows." Dawn McKelvie Cyr, MA
