Educational design research into the effects of literature education on self-perceptions and social perceptions. When we read a book and get emerged in it, we imagine to place ourselves in a different, safe world. What we think and would like to do there, does not have actual consequences for our real lives (simulation theory; Mar & Oatley, 2008). This creates the opportunity to reflect on who we are, how we respond to others, which choices we make and which consequences that has for ...
