dystopian novel of all times. Written in the year of 1948, the author swapped the last two digits while describing a future totalitarian society where the minds, attitudes and actions of the subjects are thoroughly scrutinized by the "Thought Police", suspected dissidents tracked down and where the worship of the mythical

party leader Big Brother is forced upon the masses. The low-ranking party member Winston Smith begins secretly to question the whole system and initiates a forbidden love affair with another party member. ***Harmless, #1***

She has no idea what she's doing. Loose cannons never hit their targets. And they take out plenty of collateral damage. Four years ago Lindsay

---

experienced the unspeakable right before me, and I couldn't stop them. But that's all changed now. When her father, Senator Bosworth, contacted me to ask - demand - that I protect her, it was a second chance. A shot at redemption. An opportunity to right an unspeakable wrong. Controlling Lindsay as she seeks her revenge on the monsters who hurt her won't be hard. Containing my own out-of-control feelings for Lindsay and keeping up this

ruse of cold-blooded distance will be. Even harder than admitting to her what really happened that night four years ago. It turns out I don't have to, though. Someone else did it for me. And I'll make sure they regret it. \* \* \* A Harmless Little Ruse is the second book in this political thriller/romantic suspense trilogy by USA Today bestselling author Meli Raine, and is entirely from Drew's perspective. Faking it with my Billionaire Boss A

Little Harmless Sex  
What, exactly, do you know about your body? Do you know how your immune system works? Or what your pancreas does? Or the myriad -- and often simple -- ways you can improve the way your body functions? This full-color, visually rich guide answers these questions and more. Matthew MacDonald, noted author of *Your Brain: The Missing Manual*, takes you on a fascinating tour of your body from the outside in, beginning with your skin and progressing to your vital organs. You'll look at the quirks,

---

curiosities, and shortcomings we've all learned to live with, and pick up just enough biology to understand how your body works. You'll learn: That you shed skin more frequently than snakes do Why the number of fat cells you have rarely changes, no matter how much you diet or exercise -- they simply get bigger or smaller How you can measure and control fat That your hair is made from the same stuff as horses' hooves That you use only a small amount of the oxygen you inhale Why blood pressure is a more important health measure than heart rate -- with

four ways to lower dangerously high blood pressure Why our bodies crave foods that make us fat How to use heart rate to shape an optimal workout session -- one that's neither too easy nor too strenuous Why a tongue with just half a dozen taste buds can identify thousands of flavors Why bacteria in your gut outnumbers cells in your body -- and what function they serve Why we age, and why we can't turn back the clock What happens to your body in the minutes after you die Rather than dumbed-down self-help or dense medical text, Your Body: The Missing

Manual is entertaining and packed with information you can use. It's a book that may well change your life. Reader comments for Your Brain: The Missing Manual, also by author Matthew MacDonald: "Popular books on the brain are often attractive but inaccurate information. This one manages to avoid most of the hype and easy faulty generalizations while providing easy to read and digest information about the brain. It has useful tricks without the breathless hype of many popular

---

books."-- Elizabeth Zwicky, The Usenix Magazine "...a unique guide that should be sought after by any who want to maximize what they can accomplish with their mental abilities and resources."-- James A. Cox, The Midwest Book Review - Wisconsin Bookwatch "If you can't figure out how to use your brain after reading this guide, you may want to return your brain for another."-- The Sacramento Book Review, Volume 1, Issue 2, Page 19 "It's rare to find a book on any technical subject that is as well written and readable as Your Brain: The Missing Manual. The book covers pretty much anything you may want to know about your brain, from what makes it up, through how it develops to how to mitigate the affects of aging. The book is easy reading, fact packed and highlighted notes and practical applications. So if you want to learn more about your brain, how it works, how to get the best out of it or just want to stave off the ravages of Alzheimers (see chapter ten for details of how learning helps maintain your brain) then I can't recommend this book highly enough."-- Neil Davis, Amazon.co.uk "MacDonald's writing style is perfect for this kind of guide. It remains educational without becoming overly technical or using unexplained jargon. And even though the book covers a broad scope of topics, MacDonald keeps it well organized and easy to follow. The book captures your attention with fun facts and interesting studies that any person could apply to their own understanding of human ability. It has great descriptions of the brain and its interconnected parts,

---

as well as providing full color pictures and diagrams to offer a better explanation of what the author is talking about."-- Janica Unruh, Blogcritics Magazine  
*A Fake Relationship Romantic Comedy*  
"O'Reilly Media, Inc."  
From USA Today  
Melissa Schroeder comes a story as hot as Texas in July.  
Delilah Gonzales loves cowboys. She has from very early in her life. But, those in her hometown didn't show much interest, or respect, so she has sworn them off. Plus, she always seems to fall head over heels for them

and they always seem to leave. That's before she gets hired as the Bartlett Ranch's cook and housekeeper. When she is faced with not one, but four, gorgeous brothers, she finds herself reevaluating her cowboy ban. The Bartlett Brothers have been looking for a woman for all them. They each have different needs, desires, and Delilah seems to be the one to fill them all. It doesn't take long before they have her in their bed. But, when she is faced with choosing them over her family, will she stand up to her overbearing brothers, or leave

the Bartlett's with broken hearts?

With a terrorist threatening Honolulu, two former lovers are thrust together and discover resisting each other is impossible. Task Force Hawaii, Book 5 Marcus Floyd made a mistake five years ago. He walked away from a woman he

thought he could forget. Finding out they both landed in Hawaii for work, and she is now on his team, makes it impossible to ignore his need for her. Unfortunately, she has made it clear that she wants nothing to do with him. Tamilya Lowe picked up the pieces of her FBI career after a botched investigation and moved back to Hawaii. She knows working with TFH will have her working with Marcus, and she is convinced she is over him. As they start to piece together the threat, they grow closer, and inevitably end up in bed. The next morning, Tamilya insists that is just a fling with no consequences, so Marcus plays along, biding his time until

he can convince her otherwise. When the terrorist contacts Tamilya, they use that connection to attempt to uncover his next target and unknowingly put her life in jeopardy. As TFH races against the clock, both Marcus and Tamilya discover that they have more to lose than they thought. Get the rest of the Task Force Hawaii Books!

Dead mother, missing father...the girl who couldn't remember. Now she's returned to our small Texas town to start her life over. She's handful of a woman, sexy, vibrant, and she gets my blood hot whenever we interact. I shouldn't be lusting after her at all since I'm the town's sheriff and I'm sworn to protect her. Worse—she's my best friend's little sister so that whole hands-off policy should be
---	---	---

---

firmly in place. Unfortunately, it's not. See, each time we interact, I fall further under her spell and all those promises to keep my hands off her seem so stupid. But even as we fall into bed, evil is lurking in the shadows ready to strike. As the killer ramps up the tension, I will have to do everything I can to keep Thea safe from harm, even if it risks my heart. Saving Thea was previously released as Her Mother's Killer Harmless Publishing Will desire be the answer or the ruin of an entire clan?The Cursed Clan, Book 1As Laird, Callum Lennon feels he has always failed

to protect his cousins. Callum's impulsiveness caused the death of his father and the experience has scarred not only his body, but his soul. From that point on, he made sure to always go with the more logical choice in every matter. When his younger cousin Angus finds clues that might help break the curse, Callum begrudgingly hires Phoebe Chilton to investigate. Callum doesn't like bringing outsiders into their family affairs. Their life would become fodder for the

tabloids if anyone were to find out about the curse. It doesn't help that the instant he meets Dr. Chilton he's attracted. But, he doesn't really have a choice because she might be their last hope. An expert in archeology, Phoebe has always been dwarfed by her parents' shadow. Their high standards had her in college by thirteen and earning a second PhD by twenty-two. But her career and her broken marriage have left her needing something more than just diplomas

---

and degrees. She wants to prove that her interest in legends, especially Celtic legends, is as important as her parents' work. When the Lennon family contacts her, she sees the opportunity to win a massive research grant. With a long-time rival breathing down her back, she jumps at the Lenlons' offer her, hoping it will ensure her the grant. But uncovering the Lennon family secrets, and her attraction to Callum, could prove more than she can handle.

Forces outside the family are determined to ensure that they fail. When an old enemy threatens both the well being of the clan and the fragile new love, Callum will have to choose between believing his mind or his heart. Cambridge University Press In addition to econometric essentials, this book covers important new extensions as well as how to get standard errors right. The authors explain why fancier econometric techniques are

typically unnecessary and even dangerous. [A Little Harmless Pleasure](#) Nicole Edwards Limited A Publishers Weekly Most Anticipated Young Adult Book of Spring 2017! In the captivating start to a new, darkly lyrical fantasy series for readers of Leigh Bardugo and Sabaa Tahir, Tea can raise the dead, but resurrection comes at a price... Let me be clear: I never intended to raise my brother from his grave, though he may claim otherwise. If there's anything I've learned from him in the years since, it's that the dead hide

---

truths as well as the living. When Tea accidentally resurrects her brother from the dead, she learns she is different from the other witches in her family. Her gift for necromancy means that she's a bone witch, a title that makes her feared and ostracized by her community. But Tea finds solace and guidance with an older, wiser bone witch, who takes Tea and her brother to another land for training. In her new home, Tea puts all her energy into becoming an *asha*—one who can wield elemental magic. But dark forces are approaching

quickly, and in the face of danger, Tea will have to overcome her obstacles...and make a powerful choice. *Memoirs of a Geisha* meets *The Name of the Wind* in this brilliant new fantasy series by Rin Chupeco! **Brew Crew Book 1** Princeton University Press There was a man. He had a knife. He attacked us down by the river. It was just a harmless little lie. Anna, Emma and Mariah concoct a story about why they're late getting home one night—a story that will replace their parents' anger

with concern. They just have to stand by it. No matter what. Suddenly the police are involved, and the town demands that someone be punished. And then there is the man who is arrested and accused of a crime that never happened. **Hate to Love You** A&C Black Now celebrating the 42nd anniversary of *The Hitchhiker's Guide to the Galaxy*, soon to be a Hulu original series! "A madcap adventure . . . Adams's writing teeters on the fringe of inspired lunacy."—United Press International Back on Earth with

---

nothing more to show for his long, strange trip through time and space than a ratty towel and a plastic shopping bag, Arthur Dent is ready to believe that the past eight years were all just a figment of his stressed-out imagination. But a gift-wrapped fishbowl with a cryptic inscription, the mysterious disappearance of Earth's dolphins, and the discovery of his battered copy of *The Hitchhiker's Guide to the Galaxy* all conspire to give Arthur the sneaking suspicion that something otherworldly is indeed going on. God only knows what it all means. Fortunately, He left behind a Final Message of explanation. But since

it's light-years away from Earth, on a star surrounded by souvenir booths, finding out what it is will mean hitching a ride to the far reaches of space aboard a UFO with a giant robot. What else is new? "The most ridiculously exaggerated situation comedy known to created beings . . . Adams is irresistible."—The *Boston Globe* Callum Kelly Jamieson Inc. Four years ago I lost my virginity on live, streaming television. Too bad I wasn't awake for it. The video went viral. Of course it would. A Senator's daughter on camera? Wouldn't you click "share"? Besides, that's what three of the four guys in the

video did. Share. They shared me. But that fourth guy? The nondescript one in the background in the upper left corner of the screen, just sitting on the couch? The only one who did nothing? Not one single thing. That was my boyfriend, Drew. And that was the last time I saw him. Until today, when my father—now on a path to the White House—hired him as head of security for my new team as I return home after four years of "recovering" in an undisclosed location that involved white lab coats, needles, pills and damage control. You see, the other three guys never went to jail. Never had charges pressed. Never faced consequences. Until

---

today. Game on. \* \* \* A Harmless Little Game is the first in this political thriller/romantic suspense trilogy by USA Today bestselling author Meli Raine.

**Sula** Createspace Independent Publishing Platform

Dive into this sizzling romantic comedy from USA Today bestselling author Melissa Schroeder. He is absolutely, completely, and undoubtedly the one man I shouldn't fantasize about. Other than being my boss, he's too rigid, a workaholic with a

checkered past when it comes to women. Knowing all that, I shouldn't think about how his hands would feel on my body, or how his voice would sound when he whispered my name in the dark. But I can resist him. Mainly because he can't stand me, and he's the kind of boss who makes me think about murder on a daily basis. That's until he shows me his softer side and ignoring my need for him becomes impossible. No, softer side or not, I have to resist the lure of Grady

Hawthorne because if I don't, I'm pretty sure I won't survive the fall.

Warning: This book includes a smack-talking executive assistant, a workaholic boss who has the most amazing...mouth, irritating siblings, a drunken night that ends in jail, and a happily ever after that will make you sigh.

Author assumes no responsibility for overheated readers. This is a standalone romantic comedy with no cheating and an HEA.

**Overwhelmed**

A fiercely beautiful Fidelma McBride novel about one woman's struggle to reclaim a life shattered by betrayal, from one of the greatest storytellers of our time. One night, in the dead of winter, a mysterious stranger arrives in the small Irish town of Cloonoila. Broodingly handsome, worldly, and charismatic, Dr. Vladimir Dragan is a poet, a self-proclaimed holistic healer, and a welcome disruption to the monotony of village life. Before long, the beautiful black-haired

falls under his spell and, defying the shackles of wedlock and convention, turns to him to cure her of her deepest pains. Then, one morning, the illusion is abruptly shattered. While en route to pay tribute at Yeats's grave, Dr. Vlad is arrested and revealed to be a notorious war criminal and mass murderer. The Cloonoila community is devastated by this revelation, and no one more than Fidelma, who is made to pay for her deviance and

desire. In disgrace and utterly alone, she embarks on a journey that will bring both profound hardship and, ultimately, the prospect of redemption. Moving from Ireland to London and then to The Hague, *THE LITTLE RED CHAIRS* is Edna O'Brien's first novel in ten years -- a vivid and unflinching exploration of humanity's capacity for evil and artifice as well as the bravest kind of love. *Saving Thea* Penguin "Guarantees

characters that glow with equal parts wit, sass, and sensuality." Library Journal (Starred Review) The first in a fun, flirty new series from Mia Sosa! After a very public breakup with a media-hungry politician, fitness trainer Tori Alvarez escapes to Aruba for rest, relaxation, and copious amounts of sex on the beach—the cocktail that is. She vows to keep her vacation a man-free zone but when a cute guy is seated next to her on the plane, Tori can't resist a little

harmless flirting. Hollywood heartthrob Carter Stone underwent a dramatic physical transformation for his latest role and it's clear his stunning seat mate doesn't recognize the man beneath the shaggy beard and extra lean frame. Now Carter needs help rebuilding his buff physique and Tori is perfect for the job. It doesn't hurt that she makes his pulse pound in more ways than one. Sparks are flying, until a pesky paparazzo reveals Carter's identity. Tori is hurt and pissed.

She wants nothing to do with another man in the limelight, but she's still got to whip him into shape. Can Carter convince Tori he's worth the threat to her privacy that comes with dating a famous actor, or will Tori chisel him down to nothing before he even gets the chance? Grab the popcorn...
