Falling in love might not be the smart thing, but it might be the one thing they both need. Jocelyn Dupree has come to Hawaii to heal. After a horrific experience with her last boss, she is on the mend and ready to start again. She is focused on rebuilding her life and her career as a pastry chef. She definitely doesn't need a man in her life, or so she thinks. Kai Aiona has always been the guy to mend a broken heart. Unfortunately, the last heart that was broken was his. He has sworn off damaged women, but he can't resist Jocelyn's sad eyes, not to mention her determination to succeed. One little date turns into several and soon, Jocelyn finds herself easily addicted to Kai's sensual nature. Resisting him becomes impossible, but Jocelyn isn't ready to trust completely. When Kai discovers she hasn't been telling him everything, Jocelyn is left with two choices: trust her heart, or let the one man she has ever loved go. »WARNING: The following book the following: Scenes from Hawaii, nosey friends and family, two people who are right for each other but too stupid to realize it, a tattooed and pierced hero, a sassy Southern heroine, one drunken night, and love scenes that will curl your toes, warm your heart and leave you panting for more. Remember, Harmless stories are not for the weak.

Get the book that started it all now at a new low price! Max has always been Anna's knight in shining armor. But Max has always seen her as a charming, and very sexy, little sister. Until Max's cold fiance dumps him, Anna unloads another of her many conquests and she invites him over for margaritas and Mexican food. Too much tequila, too much flirting, and too many years of fighting the attraction-Max loses control and has mind-blowing sex with Anna on her couch. And in her shower. And in her bed. When the sun rises the next morning, both of them must face that their night together is just the first of many. For Max, he knows he wants Anna forever, but convincing a commitment-phobe like Anna is no easy task. For Anna, she can't believe she has finally slipped beneath Max's steely self-control. He is every woman's dark, wet fantasy come true. But what happens when the Max pushes Anna for more than just **A Little Harmless Sex**? An accessible, contemporary introduction to the methods for determining cause and effect in the social sciences "Causation versus correlation has been the basis of arguments--economic and otherwise--since the beginning of time. Causal Inference: The Mixtape uses legit real-world examples that I found genuinely thought-provoking. It's rare that a book prompts readers to expand their outlook; this one did for me."--Marvin Young (Young MC) Causal inference encompasses the tools that allow social scientists to determine what causes what. In a messy world, causal inference is what helps establish the causes and effects of the actions being studied--for example, the impact (or lack thereof) of increases in the minimum wage on employment, the effects of early childhood education on incarceration later in life, or the influence on economic growth of introducing malaria nets in developing regions. Scott Cunningham introduces students and practitioners to the methods necessary to arrive at meaningful answers to the questions of causation, using a range of modeling techniques and coding instructions for both the R and the Stata programming languages.

Causal Inference Penguin

This volume considers the Russian writer Bulgakov's work, *The Master and Margarita*. It opens with the editor's general introduction, discussing the work in the context of the writer's oeuvre as well as its place within the Russian literary tradition. The introductory section also includes considerations of existing translations and of textual problems in the original Russian. The following sections contain several wide-ranging articles by other scholars, primary sources and background material such as letters, memoirs, early reviews and maps.

Brew Crew Book 1 Harmless Publishing

From USA Today Melissa Schroeder comes a story as hot as Texas in July. Delilah Gonzales loves cowboys. She has from very early in her life. But, those in her hometown didn't show much interest, or respect, so she has sworn them off. Plus, she always seems to fall head over heels for them and they always seem to leave. That's before she gets hired as the Bartlett Ranch's cook and housekeeper. When she is faced with not one, but four, gorgeous brothers, she finds herself reevaluating her cowboy ban. The Bartlett Brothers have been looking for a woman for all them. They each have different needs, desires, and Delilah seems to be the one to fill them all. It doesn't take long before they have her in their bed. But, when she is faced with choosing them over her family, will she stand up to her overbearing brothers, or leave the Bartlett's with broken hearts? Make sure to pick up *CONQUERING INDIA*, the first book in the Texas Temptations series. For a tough-as-nails Dom, hunting a sadistic serial killer is nothing compared to losing his heart. Rome Carino is hunting a predator. One who likes to hurt submissives and the most popular BDSM club's patrons are being targeted. With each fresh kill, he gets more brazen. Rome knows he just needs one little break, but before he can make headway, the FBI shows up. Worse, the uptight, buttoned-down Special Agent Maria Callahan suggests a plan that is dangerous, but worth it because it might just catch the killer. If Rome can keep his mind on the case and off the beautiful FBI agent, he'll be just fine. Maria is still trying to step out of her legendary father's shadow and knows just how to do it. Luring the killer by posing as Rome's new sub seems like a good idea. That is, until undercover becomes real life and she finds herself tangled up with a man who amazes and scares her at the same time. Her growing attraction to the Honolulu Police Detective is a little too much to handle. Even knowing that, she can't help falling in love with the tough Dom and losing herself in the games they play in the bedroom. Rome is overwhelmed by his need for Maria. He has never had a sub respond to him the way she does and no matter what he does, he feels himself slipping off that cliff into love. As their relationship starts to unfold, he realizes that he will do anything to win her heart, to convince her to become his sub for a lifetime. But before he can do anything, the killer turns his attention on Rome and the one thing he holds dear: Maria. **WARNING:** The following book contains: A Dom who thinks he can do no wrong, a new sub who is about to teach him he can, palm trees, a trip or two to Rough 'n Ready, a flirty Aussie Dom with questionable motives, old friends, and a new enemy. Yeah, it might be called Harmless, but you Addicts know it's anything but. A Little Harmless Addiction Nicole Edwards Limited

I'm not the kind of girl who expects happily ever after. In fact, I prefer my partners don't get too clingy. Don't get me wrong. I like a good night of loving, but beyond that, I'm happy to see them leave in the morning, without my phone number. Then I met him. Quinn is a big

bear of a man, with massive hands and amazing...staying power. Like all night long and the next morning kind of staying power. So when he asks me to spend the next day with him, I do. The only reason I give him my number is because he makes me laugh. And, okay, so I might have met up with him once or twice. That doesn't mean I need him. Because I am Everly Freaking Spencer, and I don't need anyone (other than my bestie), and definitely not a man. Only... He shows up by chance at my store, which totally freaks me out. Finding out he's my favorite author doesn't help either. And the surprise that's dropped in our laps later that day? Major. Freak. Out. But, like I said, I don't need anyone. Right? If I keep repeating that, I might just believe it. Author warning: Get ready for a trip into the hippiest little town in Texas. There's gossipy little old ladies (LOLs), an app that every teenager hates, trips to Denver and Cali, a woman who is convinced true love doesn't exist, and man who aims to prove her wrong by doing things to her that should embarrass the author. And she was. (Not really). Along the way readers get to spend time with the gorgeous Hawthorne brothers and gay ducks. SERIOUSLY. GAY. DUCKS. Just get the book already because you know you want to know about them. Also, there's a happily ever after fit for a woman with commitment issues and man who just doesn't know when to give up.

Four years ago I lost my virginity on live, streaming television. Too bad I wasn't awake for it. The video went viral. Of course it would. A Senator's daughter on camera? Wouldn't you click "share"? Besides, that's what three of the four guys in the video did. Share. They shared me. But that fourth guy? The nondescript one in the background in the upper left corner of the screen, just sitting on the couch? The only one who did nothing? Not one single thing. That was my boyfriend, Drew. And that was the last time I saw him. Until today, when my father—now on a path to the White House—hired him as head of security for my new team as I return home after four years of "recovering" in an undisclosed location that involved white lab coats, needles, pills and damage control. You see, the other three guys never went to jail. Never had charges pressed. Never faced consequences. Until today. Game on. * * * A Harmless Little Game is the first in this political thriller/romantic suspense trilogy by USA Today bestselling author Meli Raine.

Harmless Del Rey

USA Today bestselling author Melissa Schroeder returns to her romantic comedy roots with a brand new three book series—Camos and Cupcakes! Allison Bradley has always known what she wanted. At thirteen, I decided to be a nurse. That very same year, I fell in love with Ed Cooper. Sure, I was barely a teenager and he was one of my older brother's buddies from boot camp. I didn't care. I was in love or lust...or something. He consumed my every waking thought. Sadly, fifteen years later, I'm still infatuated and he sees me as a little sister. Baker Ed Cooper has a problem. When she was a teenager, Allison was a sweet nuisance. Now, I want to take a bite of her to see just how sweet. I'm beyond infatuated with her but she's my best friend's little sister. Definitely against the bro code. Every time she comes into our shop—which is just about every freaking day—I lust after her. If her brother knew, he would definitely kill me. One drunken kiss changes everything. The moment Allison's mouth hits mine, I know there's no going back. Just one taste of her turns me into an addict. Even though I know I'm not good enough for her, once I've had her in my bed, I know I'm not giving her up. Warning: This story includes so much sweetness from the strawberry lemonade cupcakes to the sexy giant of a baker you might end up with cavities. There are meddling best friends, an older brother who needs to get his own life, and so much frosting used in inappropriate ways you'll probably die of embarrassment. Or I will. Maybe not. Listen, just buy the book and get ready for sweet, hot, over the top kind of romance that will leave you craving for more than cupcakes. You're welcome.

A Little Harmless Sex Harmless Publishing

What, exactly, do you know about your body? Do you know how your immune system works? Or what your pancreas does? Or the myriad -- and often simple -- ways you can improve the way your body functions? This full-color, visually rich guide answers these questions and more. Matthew MacDonald, noted author of *Your Brain: The Missing Manual*, takes you on a fascinating tour of your body from the outside in, beginning with your skin and progressing to your vital organs. You'll look at the quirks, curiosities, and shortcomings we've all learned to live with, and pick up just enough biology to understand how your body works. You'll learn: That you shed skin more frequently than snakes do Why the number of fat cells you have rarely changes, no matter how much you diet or exercise -- they simply get bigger or smaller How you

can measure and control fat That your hair is made from the same stuff as horses' hooves That you use only a small amount of the oxygen you inhale Why blood pressure is a more important health measure than heart rate -- with four ways to lower dangerously high blood pressure Why our bodies crave foods that make us fat How to use heart rate to shape an optimal workout session -- one that's neither too easy nor too strenuous Why a tongue with just half a dozen taste buds can identify thousands of flavors Why bacteria in your gut outnumber cells in your body -- and what function they serve Why we age, and why we can't turn back the clock What happens to your body in the minutes after you die Rather than dumbed-down self-help or dense medical text, Your Body: The Missing Manual is entertaining and packed with information you can use. It's a book that may well change your life. Reader comments for Your Brain: The Missing Manual, also by author Matthew MacDonald: "Popular books on the brain are often minefields of attractive but inaccurate information. This one manages to avoid most of the hype and easy faulty generalizations while providing easy to read and digest information about the brain. It has useful tricks without the breathless hype of many popular books."-- Elizabeth Zwicky, The Usenix Magazine "...a unique guide that should be sought after by any who want to maximize what they can accomplish with their mental abilities and resources."-- James A. Cox, The Midwest Book Review - Wisconsin Bookwatch "If you can't figure out how to use your brain after reading this guide, you may want to return your brain for another."-- The Sacramento Book Review, Volume 1, Issue 2, Page 19 "It's rare to find a book on any technical subject that is as well written and readable as Your Brain: The Missing Manual. The book covers pretty much anything you may want to know about your brain, from what makes it up, through how it develops to how to mitigate the affects of aging. The book is easy reading, fact packed and highlighted notes and practical applications. So if you want to learn more about your brain, how it works, how to get the best out of it or just want to stave off the ravages of Alzheimers (see chapter ten for details of how learning helps maintain your brain) then I can't recommend this book highly enough."-- Neil Davis, Amazon.co.uk "MacDonald's writing style is perfect for this kind of guide. It remains educational without becoming overly technical or using unexplained jargon. And even though the book covers a broad scope of topics, MacDonald keeps it well organized and easy to follow. The book captures your attention with fun facts and interesting studies that any person could apply to their own understanding of human ability. It has great descriptions of the brain and its interconnected parts, as well as providing full color pictures and diagrams to offer a better explanation of what the author is talking about."-- Janica Unruh, Blogcritics Magazine

With a terrorist threatening Honolulu, two former lovers are thrust together and discover resisting each other is impossible. Task Force Hawaii, Book 5 Marcus Floyd made a mistake five years ago. He walked away from a woman he thought he could forget. Finding out they both landed in Hawaii for work, and she is now on his team, makes it impossible to ignore his need for her. Unfortunately, she has made it clear that she wants nothing to do with him. Tamilya Lowe picked up the pieces of her FBI career after a botched investigation and moved back to Hawaii. She knows working with TFH will have her working with Marcus, and she is convinced she is over him. As they start to piece together the threat, they grow closer, and inevitably end up in bed. The next morning, Tamilya insists that is just a fling with no consequences, so Marcus plays along, biding his time until he can convince her otherwise. When the terrorist contacts Tamilya, they use that connection to attempt to uncover his next target and unknowingly put her life in jeopardy. As TFH races against the clock, both Marcus and Tamilya discover that they have more to lose than they thought. Get the rest of the Task Force Hawaii Books! Acting on Impulse Melissa Schroeder

Part of the Melissa Schroeder Instalove Collection: Same World. Any Order. Individual Love. I've been infatuated with Silas Prescott for the longest time. Sure, he doesn't know I'm alive as he walks past me without looking up from his phone. But, it's not like I ever thought he would notice me, or anyone else for that matter. All he cares about is work. That is, until he needs a date and his sister insists I should play his fake girlfriend. And not just for a date, but a whole weekend, staying in the same room, lying to all of their friends and family. But I'm desperately in need of money and I can handle a weekend pretending to be a billionaire's plaything. Only...it's hard to remember it's only fake when he acts like a possessive jerk, or when he tells me I'm beautiful, or when I'm in his arms. But I have to remember it's not real because falling for my fake boyfriend would be a mistake. There is only one thing Silas Prescott cares about and that's work. Author Note: This relationship might start out fake, but it doesn't stay that way for long. Along the way there's a dressing room incident, dancing, and a Momzilla who wants nothing more than to have her kids happily married. Don't worry, our hero and heroine get their happily ever after.

Work, Love and Play When No One Has The Time Kelly Jamieson Inc.

A night of forbidden pleasures leads to more than either of them expected. Cynthia Myers meets Chris Dupree at her former fianc's wedding. After a little dancing, and champagne, she ends up back in Chris's hotel room. For one night of down and dirty sex. That's it, that's all. He lives far away, and she has other things to do... like get a life. Chris is a switch. He likes to dominate but he also likes to play the role of a submissive from time to time. His last relationship with a sub turned nasty and since then, he has shied away from anything but straight vanilla sex. When he meets Cynthia, he finds a woman who could change his mind. His mate. The only problem is he has to convince her. In a carefully orchestrated seduction, Chris teaches Cynthia about submission and dominance, allowing her to take the reins. As he leads her through pleasures she thought she'd never experience, Cynthia's self confidence soars and she finds herself falling in love with him. But, when he asks for submission in the bedroom, can she surrender to prove her love or was it all about a little harmless pleasure? WARNING: The following book contains: Lots of sex, of course; bondage and submission done in a tasteful but wonderfully arousing way, propositions from a drunken woman, hot phone sex, southern accents, Hawaiian scenery, and OH MY, a m/f/m mnage that will send tingles all the way to your toes, along with other various body parts. A glass of ice-cold water for refreshment is recommended while reading.

Wicked Temptations Harmless Publishing

There was a man. He had a knife. He attacked us down by the river. It was just a harmless little lie. Anna, Emma and Mariah concoct a story about why they're late getting home one night—a story that will replace their parents' anger with concern. They just have to stand by it. No matter what. Suddenly the police are involved, and the town demands that someone be punished. And then there is the man who is arrested and accused of a crime that never happened.

A Romantic Comedy BoD - Books on Demand

The author of Counseling Victims of Violence identifies the types of men women should avoid, including physical abusers, men who want mothers, men who prey on lonely women, men to are emotional unavailable, and dangerously clingy men. Original.
