A Little Harmless Secret by Melissa Schroeder is the 10th book in this series. I've got to say, I love this series as well as the two spin-off series A Little Harmless Military Romance and A Little Harmless Shorts. All are chalk full of funny witty humour and sexy alpha males and just all around dangerous excitement and a lot of fun too.

"Just a little harmless sex" is a flimsy, silly sex farce. The story concerns 3 males, 3 females, and stories of infidelity and picking up mates.

Everyone seems to be sexually aggressive in the movie, even one of the character's mothers. It is mostly a comedy, but there is a fair amount of drama in the movie.
