The God's Eye View Thomas & Mercer

"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime.

Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism,

mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is

ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power. One Hundred Years of Solitude Thomas & Mercer
Quentin Jacobson has

spent a lifetime loving Margo Roth Spiegelman from afar. So when she cracks open a window and climbs into his life - dressed like a ninja and summoning him for an ingenious campaign of revenge - he follows. After their all-nighter ends, Q arrives at school to discover that Margo has disappeared.

The Story of the Seer of Patmos John Rain
Thrillers (Paperback)
All John Rain wants is to get out of the killing business. But with his discretion, his reliability, and his unique talent for death by "natural causes," no one is willing to let him just retire. So when an old nemesis from the Japanese national police force comes to him with a new job -- eliminate Murakami, a killer even more fearsome than Rain

himself -- Rain knows he can't refuse. Aided by an achingly desirable half Brazilian, half Japanese exotic dancer he knows he shouldn't trust, Rain pursues his quarry through underground no-holds-barred fight clubs, mobbed-up hostess bars, and finally into the heart of a shadow war between the CIA and the yakuza. It's a war Rain can't win, but also one he can't afford to lose -- a war where the distinctions between friend and foe and truth and deceit are

as murky as the rain-slicked streets of Tokyo. *A Lonely Resurrection* (previously Published As *Hard Rain and Blood from Blood*) Thomas & Mercer
Do we live in a world that makes sense, not just now, but totally and forever? If, as scientists now predict, the universe is going to end in collapse or decay, can it really be a divine creation? Is there a credible hope of a destiny beyond

death? In this engaging and intellectually scrupulous book, a leading scientist-theologian draws on ideas from science, scripture, and theology to address these important questions. John Polkinghorne carefully builds a structure of the hope of the life to come that involves both continuity and discontinuity with life in this world—enough continuity so that it is we

ourselves who shall live again in that future world and enough discontinuity to ensure that the second story is not just a repetition of the first. Polkinghorne develops his argument in three sections. In the first, he considers the role of contemporary scientific insights and cultural expectations. In the second, he gives a careful account of the various testimonies of hope to be found in the Bible and assesses the

credibility of belief in Jesus' resurrection. In the final section he critically analyzes and defends the Christian hope of the life of the new creation.

A Clean Kill in Tokyo
Penguin
NSA director Theodore Anders has a simple goal: collect every phone call, email, and keystroke tapped on the Internet. He knows unlimited surveillance is the only way to keep America safe. Evelyn Gallagher doesn't care much about any of that. She just wants to keep

her head down and manage the NSA's camera network and facial recognition program so she can afford private school for her deaf son, Dash. But when Evelyn discovers the existence of a program code-named God's Eye and connects it with the mysterious deaths of a string of journalists and whistle-blowers, her doubts put her and Dash in the crosshairs of a pair of government assassins: Delgado, a sadistic bomb maker and hacker, and Manus, a damaged giant of a man who until now has cared for nothing beyond protecting the director.

Within an elaborate game of political blackmail, terrorist provocations, and White House scheming, a global war is being fought--a war between those desperate to keep the state's darkest secrets and those intent on revealing them. A war that Evelyn will need all her espionage training and savvy to survive, because the director has the ultimate advantage: The God's Eye View.

Walden Dell

The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. “The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church’s journey in years to come.” Pope Francis This special edition of Pope Francis’s popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for “the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned,” the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, “to recognize the traces of God’s Spirit in events great and small.” Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage*

Paper Towns epubli
Glenn Meade, the acclaimed, bestselling

author of *The Second Messiah*, delivers unrivaled suspense, unforgettable characters, and a brilliantly absorbing story as a British agent and a German woman find themselves unraveling a plot to bring about the Fourth Reich. A secret that must never be revealed. . . . An evil never meant to be repeated. . . . Seventy years ago, the greatest crime against humanity was

committed. Today it ' s only a heartbeat away from happening again. In Paraguay, an elderly businessman kills himself. In Berlin, a neo-Nazi is gunned down in the street. Trying to connect the murders, intelligence agent Joe Volkmann, aided by a beautiful young German journalist, travels to Paraguay and discovers a clue—the charred remains of an old black-and-white photograph in a remote jungle house.

A photograph that holds the first key to an extraordinary secret—and a plot to create the Fourth Reich. Volkmann soon uncovers that a string of bizarre killings around the world are all linked by a single purpose. And he also discovers that the journalist he trusted, Erica Kranz, is somehow linked to the plan. Haunted by the ghosts of the past, and desperate to unearth an

extraordinary secret, Volkmann and Kranz are plunged into a dangerous world of terrorism, fanaticism, and deception as they stare true evil in the face.

Hard Rain Yale University Press

The assassins of Barry Eisler's #1 bestseller The Killer Collective are back--and this time, it's chaos. Assistant US Attorney Alondra Diaz hates traffickers. And she's determined to put one of America's most powerful financiers, Andrew

Schrader, in prison forever for his crimes against children. But Schrader has videos implicating some of the most powerful members of the US national security state. To eliminate Diaz, the powers that be bring in a contractor: Marvin Manus, an implacable assassin whose skills have been forged in intelligence, the military, and the hardest prisons. Enter former Marine sniper Dox and black-ops veteran Daniel Larison with an unusual assignment: not to kill Diaz, but to keep her alive. A lot of players are determined to acquire the videos and

the blackmail power they represent. But with Seattle sex-crimes detective Livia Lone, "natural causes" killer John Rain, and ex-Mossad honey-trap specialist Delilah, the good guys might just have a chance. They're not going to play by anyone else's rules. They're not going to play by any rules at all. They want a different kind of fight. The chaos kind.

BESTSELLER • Once in a great while, a book comes along that changes our view of the world. This magnificent novel from the Nobel laureate

and author of Never Let Me Go is “ an intriguing take on how artificial intelligence might play a role in our futures ... a poignant meditation on love and loneliness ” (The Associated Press). • A GOOD MORNING AMERICA Book Club Pick! Here is the story of Klara, an Artificial Friend with outstanding observational qualities, who, from her place in the store, watches carefully the behavior of those who come in to browse, and of those who pass on the

street outside. She remains hopeful that a customer will soon choose her. Klara and the Sun is a thrilling book that offers a look at our changing world through the eyes of an unforgettable narrator, and one that explores the fundamental question: what does it mean to love?

Rain Fall Thomas & Mercer

The landmark text about the inner workings of the unconscious mind—from

the symbolism that unlocks the meaning of our dreams to their effect on our waking lives and artistic impulses—featuring more than a hundred images that break down Carl Jung’s revolutionary ideas “What emerges with great clarity from the book is that Jung has done immense service both to psychology as a science and to our general understanding of man in society.” —The

Guardian “Our psyche is part of nature, and its enigma is limitless.” Since our inception, humanity has looked to dreams for guidance. But what are they? How can we understand them? And how can we use them to shape our lives? There is perhaps no one more equipped to answer these questions than the legendary psychologist Carl G. Jung. It is in his life’s work that the unconscious mind

comes to be understood as an expansive, rich world just as vital and true a part of the mind as the conscious, and it is in our dreams—those personal, integral expressions of our deepest selves—that it communicates itself to us. A seminal text written explicitly for the general reader, *Man and His Symbols* is a guide to understanding the symbols in our dreams and using that knowledge to build

fuller, more receptive lives. Full of fascinating case studies and examples pulled from philosophy, history, myth, fairy tales, and more, this groundbreaking work—profusely illustrated with hundreds of visual examples—offers invaluable insight into the symbols we dream that demand understanding, why we seek meaning at all, and how these very

symbols affect our lives. By illuminating the means to examine our prejudices, interpret psychological meanings, break free of our influences, and recenter our individuality, *Man and His Symbols* proves to be—decades after its conception—a revelatory, absorbing, and relevant experience. [Choke Point](#) Thomas & Mercer One of the 20th century's enduring

works, *One Hundred Years of Solitude* is a widely beloved and acclaimed novel known throughout the world, and the ultimate achievement in a Nobel Prize – winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. It is a rich and brilliant chronicle of life and death, and the tragicomedy of humankind. In the noble,

ridiculous, beautiful, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility -- the variety of life, the endlessness of death, the search for peace and truth -- these universal themes dominate the novel.

Whether he is describing an affair of passion or the voracity of capitalism and the corruption of government, Gabriel García Márquez always writes with the simplicity, ease, and purity that are the mark of a master. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated

into dozens of languages, this stunning work is no less than an accounting of the history of the human race.
