Lost Lady follows the steady downfall of a popular socialite, mirroring the decline of the idealised pioneering era. Niel Herbert fell in love with Marion Forrester when he was just a young boy. The American socialite is married to a successful railroad pioneer, Captain Daniel Forrester, and she is the perfect woman. Marion's beauty is incomparable, and her charm and charisma liven the small town of Sweet Water. But as Niel discovers more about Marion, her glimmering facade is smashed and he begins to realise that the American Dream is not all that it seems. The novel carefully portrays the decline of the pioneering era and the diminishing essence of the Old West. First published in 1923, *A Lost Lady* had great impact on American literature, and Cather's character of Marion Forrester served as F. Scott Fitzgerald's inspiration for Daisy Buchanan in *The Great Gatsby* (1925). This new edition of *A Lost Lady* features an introductory essay by H. L. Mencken, and would make a wonderful read for fans of *The Great Gatsby* and collectors of Cather's work.

Willa Cather's novels were neglected after her death, but a new generation of readers has greeted her work with enthusiasm. This feminist study, which draws extensively on Cather's unpublished letters, analyses how she overcame the difficulties which beset a woman writer in the mid-West during the early part of the century. It shows how her absorption in European culture influenced her perception of America and enabled her to produce some of the most compelling literature of modern times. Susie Thomas's highly readable account will be welcomed by all those studying Cather's work. Contents: Willa Cather 1873-1947; To

In the late 19th century, Lyra and Silas Garber were well known in Nebraska. Silas Garber was the founder of Red Cloud, Nebraska, and the state's fourth governor. When Lyra came to Nebraska in 1875 as Silas' much younger bride, she was known for her beauty, fashionable dress, and social grace. The Garbers are not only significant in the history of Nebraska, but also gained national fame due to their association with American writer Willa Cather, whose controversial novel, *A Lost Lady*, was patterned after the Garbers' lives. The Garbers' personal story is told against the backdrop of American history from the Civil War through the California Gold Rush, frontier settlement, the building of the railroads, and a wildly fluctuating economy. Sure to interest readers of both history and literature, this biography sheds new light on the question of fiction versus fact in the painful and fascinating saga of a high-profile couple in early Nebraska.
