Salt House downstairs,
comes a deeply united in their
affecting novel search for the

true meaning of home. Sixteen-year-old Libby Winters lives in Paradise, a seaside town north of Boston that rarely lives up to its name. After the death of her mother, she lives with her father, Bent, in the middle apartment of their triple decker home—Bent’s two sisters, Lucy and Desiree, live on the top floor. A former soldier turned policeman, Bent often works nights, leaving Libby under her aunts’ care. Shuffling back

and forth between apartments—and the wildly different natures of her family—has Libby wishing for nothing more than a home of her very own. Quinn Ellis is at a crossroads. When her husband John, who has served two tours in Iraq, goes missing back at home, suffering from PTSD he refuses to address, Quinn finds herself living in the first-floor apartment of the Winters house. Bent had served as her husband’s

former platoon leader, a man John refers to as his brother, and despite Bent’s efforts to make her feel welcome, Quinn has yet to unpack a single box. For Libby, the new tenant downstairs is an unwelcome guest, another body filling up her already crowded house. But soon enough, an unlikely friendship begins to blossom, when Libby and Quinn stretch and redefine their definition of family and home. With gorgeous

prose and a cast of characters that feel wholly real and lovably flawed, *This Is Home* is a nuanced and moving novel of finding where we belong. *One Night in London* HarperCollins This funny rhyming tale tells the story of an aspiring artist, an outrageous octopus, and a multitude of magical sea creatures. When a child paints an octopus with magic paints, the octopus comes to life, eager to offer plenty of advice on how the painting should be done. As the story and painting

unfold, all the marine animals join in the fun, until the paint dries. Will it be the best painting ever? *An Inquiry Into Love and Death* Simon and Schuster Anti-relationship - Check Dysfunctional family - Check Moved three thousand miles away from my dysfunctional family - Check Dream job - Check My name is Laurel Holloway and I'm twenty-seven years old. I moved to Seattle four years ago to pursue my dream job as a journalist for the Seattle Times and to get as far away from my dysfunctional family as possible. One of my assignments was to interview and write an article on two well-known hot and sexy

bachelors who were self-made millionaires under the age of thirty-five. Women wanted to know why they were still single. Millionaire bachelor number one lived in Los Angeles and millionaire bachelor number two lived in New York. Both men were damaged and very private and refused to be interviewed, so I had to use my creative ways to change their minds. I was getting those interviews one way or another. Little did I know when I embarked on this adventure that these men would have a huge impact on my life, and one of them would change my world forever. *No Exit* CreateSpace Fiona Winslow, CEO of her family's business Winslow Wines, must deal

There are ghosts on the Black Isle. Ghosts that no one can see. No one...except Cassandra.

Uprooted from Shanghai with her father and twin brother, young Cassandra finds the Black Isle's bustling, immigrant-filled seaport, swampy jungle, and grand rubber plantations a sharp contrast to the city of her childhood. And she soon makes another discovery: the Black Isle is

swarming with ghosts. Haunted and lonely, Cassandra at first tries to ignore her ability to see the restless apparitions that drift down the street and crouch in cold corners at school. Yet despite her struggles with these spirits, Cassandra comes to love her troubled new home. And soon, she attracts the notice of a dangerously charismatic man. Even as she becomes a fearless young woman, the Isle's dark forces won't let her go. War is looming, and Cassandra wonders if her unique gift might be her beloved island's only chance for salvation . . . Taking readers from the

1920s, through the Japanese occupation during WWII, to the Isle's radical transformation into a gleaming cosmopolitan city, THE BLACK ISLE is a sweeping epic--a deeply imagined, fiercely original tale from a vibrant new voice in fiction.

From the New York Times bestselling author Sandi Lynn comes a brand new brothers series you'll want to devour! Sam I made a promise not to sleep with my new personal assistant. Too late. I'd already slept with her before I knew Grayson, my human resources director, hired her.

Long story short. We first met at a café when she let me have the last apple turnover. Then I saw her again that same night at a bar. She was incredibly sexy, and she wanted me as much as I wanted her. We both agreed it was a one-time thing, and she left the following day. Imagine the shock on both our faces when she showed up for work on Monday. I wasn't a relationship type of guy and for good reasons. Julia Benton had her own reasons why she wasn't looking to get involved with anyone. So, continuing our sexual relationship was a win-win for both of us. But the more time we spent

together, feelings I'd never felt before started to emerge. Then things became complicated, and she quit to pursue her dreams. I knew how much it meant to her, and I didn't care. Now that I'd lost her, I wanted, no, I needed her back in my life, and I would do anything to make sure that happened. Julia He was the sexy and domineering man who wore an expensive suit. A man who cracked the hard shell I'd built around myself for the past four years. I wasn't looking for someone to save me, but Sam unintentionally did just that. Then I was given a chance to pursue my lifelong dream. He

tried to stop it from happening by showing me exactly who he was. My only focus now was starting the business I'd always wanted and leave Sam behind in the trail of a disaster he created between us. The problem was: he truly was one of a kind, and I had to use every bit of strength I had to forget him. 18+

The Duchess Hunt Simon and Schuster
THREE MONTHS. IT WAS ONLY FOR THREE MONTHS. My name is Emma Knight and I'm a twenty-four-year-old woman who was moving from Miami to New York to pursue my dream of attending Parsons School of Design. My plan was set in motion. I was packed and already on my way when I met a man and received an email, both of which altered my

plans and changed the course of my life. Max Hamilton, a twenty-five-year-old, panty-melting, rich playboy who was being groomed to take over Hamilton Securities, told me it was for only three months. His proposed deal was that I had to pose as his fiancée until his twenty-sixth birthday so he could collect his trust fund. I'd help him and, in return, he'd help me achieve my dream. It was a win-win situation,

right? WRONG. Love was never part of the deal and neither was the secret that Max could never find out about."

Simon and Schuster Richard Reed built Innocent Drinks from a smoothie stall on a street corner to one of the biggest brands in Britain. He credits his success to four brilliant pieces of advice, each given to him just when he needed them most. Ever since, it has been Richard's habit, whenever he meets somebody he admires, to ask them for their best piece of advice. If

they could tell him just one thing, what would it be? Richard has collected pearls of wisdom from some of the most remarkable, inspiring and game-changing people in the world - in business, tech, philanthropy, politics, sport, art, spirituality, medicine, film, and design. From Hollywood greats like Judi Dench and Richard Curtis, to entrepreneurial legends like Richard Branson and Simon Cowell; from sports stars and TV personalities like Andy Murray and James Cordon to political activists and born survivors like Mandela's Comrades and Katie Piper, Richard

has picked some of the world's most interesting brains to give you a lesson in how to live, how to love, how to create and how to succeed.

Maggie, Lady Hawkins, had a debut she'd rather forget—along with her first marriage. Today, she's a fierce political cartoonist writing under the male pseudonym

Lemarc, and her favorite object of ridicule is Simon Barrett, Earl of Winchester. He's a rising star in Parliament—and a former confidant of Maggie's who decided to believe a salacious rumor that vexes her to this day. Still crushed by Simon's betrayal, Maggie has no intention of letting the ton crush her as well. In fact, Lemarc's cartoons have made Simon a laughingstock. But now it appears that Maggie was wrong about what happened years ago, and that Simon has been secretly yearning for her since . . .

A must-have volume for all wine

lovers and those who love orange wine. Written by renowned orange wine expert and award winning writer Simon J. Woolf, *Amber Revolution* is the world's first book to tell the full, forgotten story of this ancient wine (white wine made like a red wine) and its modern struggle to gain acceptance. It is a tale of lost identity, the fight for survival, and pioneering winemakers--from the Caucasus to the Adriatic. White grapes are left in contact with their skins for days, weeks or months during fermentation, creating stunning complexity, unusual aromas and intense flavors. The

extended skin contact gives these wines bold amber, russet, or orange tints. The technique is ancient, but the hype is new and fast growing. This book includes profiles of 180 of the best producers from 20 countries worldwide and is crammed full of all the information you need to find the best orange wines worldwide together with tips for how to buy, enjoy, food-match and age them. Beautifully illustrated with over 150 specially commissioned photos, *Amber Revolution* is an essential reference work for any wine lover, sommelier, retailer or producer who loves orange wine. [His Proposed Deal](#) LSU Press In the tradition of *The Orchid Thief*, a compelling narrative set within the strange and genteel world of rare-book collecting: the true story of an infamous book thief, his victims, and the man determined to catch

him. Rare-book theft is even more widespread than fine-art theft. Most thieves, of course, steal for profit. John Charles Gilkey steals purely for the love of books. In an attempt to understand him better, journalist Allison Hoover Bartlett plunged herself into the world of book lust and discovered just how dangerous it can be. John Gilkey is an obsessed, unrepentant book thief who has stolen hundreds of thousands of dollars worth of rare books from book fairs, stores, and libraries around the country. Ken Sanders is the self-appointed "bibliodick" (book dealer with a penchant for

detective work) driven to catch him. Bartlett befriended both outlandish characters and found herself caught in the middle of efforts to recover hidden treasure. With a mixture of suspense, insight, and humor, she has woven this entertaining cat-and-mouse chase into a narrative that not only reveals exactly how Gilkey pulled off his dirtiest crimes, where he stashed the loot, and how Sanders ultimately caught him but also explores the romance of books, the lure to collect them, and the temptation to steal them. Immersing the reader in a rich, wide world of literary obsession,

Bartlett looks at the history of book passion, collection, and theft through the ages, to examine the craving that makes some people willing to stop at nothing to possess the books they love.

Trevor Dixon has made too many mistakes to count. Sober for thirteen months, he's determined to do the right thing: rebuild his relationship with his family, and help his brother get Rock Solid Construction off the ground. Failing them again isn't an option. Too bad

the first estimate Trevor goes on alone is for an uptight doctor with a superiority complex. A hand injury took away the only important thing in Dr. Simon Malone's life—performing heart surgery. He doesn't do well with people and has no family, but being a damn good surgeon? He always had that. Now, he doesn't know who he is. The last thing he wants to deal with is the young construction worker who blows his shot at remodeling Simon's home. Trevor and Simon form an unlikely

friendship. The more time they spend together, the more Trevor starts wondering if maybe Simon's not as straight-or uptight-as he thought...and maybe Trevor's new attraction for Simon runs both ways. There are too many reasons they shouldn't be together: they have little in common, their age difference, Trevor needing to focus on his sobriety...yet there's something about each other that they just can't shake. They don't feel so lost when they're together. But with their footing so

unsteady, forming a relationship that's rock solid seems impossible. There's blow after blow, and the last one just might be powerful enough to crack their foundation for good.
