I had a void that needed
to be fulfilled and Simon

Young was the man who
could do it. Entering into
a physical relationship
only was the plan. No
strings and no emotions
allowed. But plans are
made to be changed and
rules are meant to be
broken. We grew closer
and I was falling in love,
but Simon had a secret. A
secret that would destroy
everything.

A Love Called Simon

(Audiobook) by Sandi Lynn | Audible.com

A Love Called Simon is the first book I ' ve read by Sandi Lynn, and it ' s a fairly short and sweet audiobook that I enjoyed for the most part. I find myself enjoying audiobooks so much easier than I would if I read the same book, and I generally bump up the rating if I love the narrators, which I did for A Love Called

Simon.
