Cuba Confidential Montlake Romance
The third and final installment in Mario Puzo's epic chronicle of the Corleone crime family—one of the most enduring lineages in American literature and cinema—achieves a stunning crescendo with a story that imagines the role of the Mafia in the assassination of a young, charismatic president. In *The Godfather's Revenge*—authorized by the Puzo Estate—Mark Winegardner moves the Corleone family onto the biggest stage of all: the intersection of organized crime and national politics. A subordinate to Michael Corleone, New Orleans underboss Carlo Tramonti is publicly humiliated when the US Attorney General—President Danny Shea's brother—has him arrested and deported to Colombia. Tramonti eventually returns, hell-bent on settling scores, and triggers a series of events destined to change the course of American history. Corleone, though haunted by the death of his brother Fredo, knows that this is no time for weakness—and so, with fearless consigliere Tom Hagen leading the

way, a new path for the future is forged. As the dramatic twists of *The Godfather's Revenge* take the reader from Las Vegas to Miami to New Orleans, from the power alleys of Washington, DC, to the remote jungles of Colombia, the puppet master behind the curtain remains Michael Corleone, the tortured prodigal son who is determined to redefine his family's legacy and make his father—the original Godfather—proud. Children of Virtue and Vengeance Henry Holt and Company (BYR)
From America 's number one Cuba reporter, PEN award – winning investigative journalist Ann Louise Bardach, comes the big book on Cuba we 've all been waiting for. An incisive and spirited portrait of the twentieth century 's wiliest political survivor and his fiefdom, Cuba Confidential is the gripping story of the shattered families and warring personalities that lie at the heart of the forty-three-year standoff between Miami and Havana. Famous to many Americans for her cover stories and media appearances, Ann Louise Bardach has been covering Cuba for a decade. She 's talked to the crooks, spooks and politicians who have made history, and to their hired assassins and

confidants. Based on exclusive interviews with Fidel Castro, his sister Juanita, his former brother-in-law Rafael Díaz-Balart, the family of Elián González, the friends and family of the legendary American fugitive Robert Vesco, the intrepid terrorist Luis Posada Carriles, and the inner circles of Jeb Bush and the late exile leader Jorge Mas Canosa, *Cuba Confidential* exposes the hardball take-no-prisoners tactics of the Cuban exile leadership, and its manipulation and exploitation by ten American presidents. Bardach homes in on Fidel Castro and his cronies, taking us closer than we've ever been—and on the militant exiles who have devoted their lives, with CIA connivance, to trying to eliminate him. From Calle Ocho to Juan Miguel González's kitchen table in Cardenas, from Guantánamo Bay to Union City to Washington, D.C., Ann Louise Bardach serves up an unforgettable portrait of Cuba and its exiles.

THE MILLION COPY INTERNATIONAL BESTSELLER Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power.

(From the Playboy interview with Jay-Z, April

2003) **PLAYBOY**: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? **JAY-Z**: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In *The 48 Laws of Power*, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, Volume Three, was wack. People set higher standards for me, and I love it.

FIVE JOBS. FIVE CHANCES FOR
REDEMPTION. One thing's for sure: these men are no angels. There's nothing like being blackmailed by a dead man to really bring a group of cons together. And what a group we are: a hacker, a thief, a con artist, a thug, and a Federal agent with an axe to grind. The deal is simple, we do the jobs and Charlie's lawyer wipes the slate clean for each of us, one at a time. Since job number one calls for some muscle, it looks like I'm up first. I'm Steele Alvarez, ex-Special Forces Close Protection Specialist (aka, a bodyguard for some not so nice guys). After learning what the job is -- taking down a seemingly untouchable senator with a penchant for beating up young male prostitutes -- I'm in. No questions. A bullet ought to do the trick. Then I met Senator Harlan's latest victim: Breck Pfeiffer, the gorgeous hooker with a heart of gold and the soul of a fighter. One look at him and I'm gone. That kid laid me out harder than any punch ever did. I'll do anything to protect Breck, even kill for him. But Breck doesn't want the senator dead, he wants vengeance. If we're going

to find a way bring down the slimebag and get the blackest mark on my record erased, I'm going to need all the help I can get. Like it or not, we're all in this together.

Winner of the Carnegie Medal for Excellence Finalist for the Young Lions Fiction Award A Chinese American assassin sets out to rescue his kidnapped wife and exact revenge on her abductors in this New York Times Book Review Editors' Choice: a twist on the classic western from "an astonishing new voice" (Jonathan Lethem). Orphaned young, Ming Tsu, the son of Chinese immigrants, is raised by the notorious leader of a California crime syndicate, who trains him to be his deadly enforcer. But when Ming falls in love with Ada, the daughter of a powerful railroad magnate, and the two elope, he seizes the opportunity to escape to a different life. Soon after, in a violent raid, the tycoon's henchmen kidnap Ada and conscript Ming into service for the Central Pacific Railroad. Battered, heartbroken, and yet defiant, Ming partners with a blind clairvoyant known only as the prophet. Together the two set out to rescue his wife and to exact revenge on the men

who destroyed Ming, aided by a troupe of magic-show performers, some with supernatural powers, whom they meet on the journey. Ming blazes his way across the West, settling old scores with a single-minded devotion that culminates in an explosive and unexpected finale. Written with the violent ardor of Cormac McCarthy and the otherworldly inventiveness of Ted Chiang, *The Thousand Crimes of Ming Tsu* is at once a thriller, a romance, and a story of one man's quest for redemption in the face of a distinctly American brutality. "In Tom Lin's novel, the atmosphere of Cormac McCarthy's *West*, or that of the Coen Brothers' *True Grit*, gives way to the phantasmagorical shades of Ray Bradbury, Charles Finney's *The Circus of Dr. Lao*, and Katherine Dunn's *Geek Love*. Yet *The Thousand Crimes of Ming Tsu* has a velocity and perspective all its own, and is a fierce new version of the *Westward Dream*." —Jonathan Lethem, author of *Motherless Brooklyn*

My Love Is Vengeance Profile Books

Historical fiction genre is the platform available to offer the truth about a double homicide that was current in the news. Offering the truth is the primary and most important intent of this novel. James L. Avery (a seer) offers by explaining all evidence issues and describing the truth of who, how, what, why, where, and when; that is a requirement by the power of God. Neither of the polarized opinions about the homicides had any validity because the entire truth was not of knowledge. Not one crime scene expert can offer the truth better than this seer can about the issues of the double homicides. I am offering the truth because those experts failed God with their expertise gifted by him to do his will. In this, there is an obviously given difference between self-made and godsent. The truth is offered inside of a fiction novel so that it can be offered legally. The author is required to offer the names given to him, spiritually. A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That ’ s what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That ’ s where Will ’ s now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother ’ s gun. He gets on the elevator, seventh floor, stoked. He knows who he ’ s after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that ’ s when Will sees that one bullet is missing. And the only one who could have fired Shawn ’ s gun was Shawn. Huh. Will didn ’ t know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck ’ s in the elevator? Just as Will ’ s trying to think this through, the door to the next floor opens. Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, Long Way Down is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.
