A piercing, unforgettable love story set in Greenwood, Oklahoma, also known as the “ Black Wall Street, ” and against the Tulsa Race Massacre of 1921. Isaiah Wilson is, on the surface, a town troublemaker, but is hiding that he is an avid reader and secret poet, never leaving home without his journal. Angel Hill is a loner, mostly disregarded by her peers as a goody-goody. Her father is dying, and her family ’ s financial situation is in turmoil. Though they ’ ve attended the same schools, Isaiah never noticed Angel as anything but a dorky, Bible toting church girl. Then their English teacher offers them a job on her mobile library, a three-wheel, two-seater bike. Angel can ’ t turn down the money and Isaiah is soon eager to be in such close quarters with Angel every afternoon. But life changes on May 31, 1921 when a vicious white mob storms the Black community of Greenwood, leaving the town destroyed and thousands of residents displaced. Only then, Isaiah, Angel, and their peers realize who their real enemies are.

The Map of the Sky HarperCollins

Leaving Tulsa, a book of road elegies and laments, travels from Oklahoma to the edges of the American continent through landscapes at once stark and lush, ancient and apocalyptic. Each poem gives the collection a rich lyrical-dramatic texture. Ultimately, these brave and luminous poems engage and shatter the boundaries of time, self, and continent.

In *Kind of Kin* by award-winning author Rilla Askew, when a church-going, community-loved, family man is caught hiding a barn-full of illegal immigrant workers, he is arrested and sent to prison. This shocking development sends ripples through the town—dividing neighbors, causing

riffs amongst his family, and spurring controversy across the state. Using new laws in Oklahoma and Alabama as inspiration, *Kind of Kin* is a story of self-serving lawmakers and complicated lawbreakers, Christian principle and political scapegoating. Rilla Askew’s funny and poignant novel explores what happens when upstanding people are pushed too far—and how an ad-hoc family, and ultimately, an entire town, will unite to protect its own.

A post-9/11 novel about the love, self-destruction, absurdity, and ambition that define the millennials *Soulful*, gritty, and hilarious, *Cannibals in Love* is the debut novel from a bold new voice in fiction, and a manifesto for the generation that came of age at the dawn of the twenty-first century. Mike is about to graduate from college and inherit a world much different from the one he was promised. The World Trade Center towers have just fallen, the Beltway Sniper terrorizes the nation's capital, and a polarizing president pushes forward a dubious war. Told in eighteen vignettes, Mike's misadventures begin in Washington, D.C., and span Brooklyn, Portland, and Austin as he takes up arms with the overeducated, underemployed millennials who surround him. Nursing writerly ambitions, he works a series of humiliating jobs--counting lampposts, writing spam e-mails, babysitting a teenage boy--while composing a thousand-page novel about cows as an allegory for the invasion of Iraq. And at the center of the book resides a tumultuous, passionate love story that could arise only between two people with nothing to lose. Like a carefully assembled mixtape, *Cannibals in Love* weaves tender moments and summer idylls with violent late nights and the frustrations of a generation. From delirious off-track betting to a fateful walk across Kansas, Mike Roberts takes us into the guts of masculinity and identity in the age of the Internet, and joins an emerging group of young writers who are redefining the contemporary novel.

A young witch must pass a coming-of-age quest or risk losing her magic forever in this enchanting fantasy -- perfect for fans of *Kiki's Delivery Service* and *Aru Shah and the End of Time*. Sometimes all you need is a pinch of magic... Eva Evergreen is determined to earn the rank of Novice Witch before her thirteenth birthday. If she doesn't, she'll lose her magic forever. For most young witches and wizards, it's a simple enough test: One: Help your town, do good all around. Two: Live there for one moon, don't leave too soon. Three: Fly home by broomstick, the easiest of tricks. The only problem? Eva only has a pinch of magic. She summons heads of cabbage instead of flowers and gets a sunburn instead of calling down rain. And to add insult to injury, whenever she overuses her magic, she falls asleep.

When she lands in the tranquil coastal town of Auteri, the residents expect a powerful witch, not a semi-magical girl. So Eva comes up with a plan: set up a magical repair shop to aid Auteri and prove she's worthy. She may have more blood than magic, but her "semi-magical fixes" repair the lives of the townspeople in ways they never could have imagined. Only, Eva's bit of magic may not be enough when the biggest magical storm in history threatens the town she's grown to love. Eva must conjure up all of the magic, bravery, and cleverness she can muster or Auteri and her dreams of becoming a witch will wash away with the storm.

Unspeakable Crown
A searing new work of nonfiction from award-winning author Brandy Colbert about the history and legacy of one of the most deadly and destructive acts of racial violence in American history: the Tulsa Race Massacre. Winner, Boston Globe-Horn Book Award. In the early morning of June 1, 1921, a white mob marched across the train tracks in Tulsa, Oklahoma, and into its predominantly Black Greenwood District—a thriving, affluent neighborhood known as America's Black Wall Street. They brought with them firearms, gasoline, and explosives. In a few short hours, they'd razed thirty-five square blocks to the ground, leaving hundreds dead. The Tulsa Race Massacre is one of the most devastating acts of racial violence in US history. But how did it come to pass? What exactly happened? And why are the events unknown to so many of us today? These are the questions that award-winning author Brandy Colbert seeks to answer in this unflinching nonfiction account of the Tulsa Race Massacre. In examining the tension that was brought to a boil by many factors—white resentment of Black economic and political advancement, the resurgence of white supremacist groups, the tone and perspective of the media, and more—a portrait is drawn of an event singular in its devastation, but not in its kind. It is part of a legacy of white violence that can be traced from our country's earliest days through Reconstruction, the Civil Rights movement in the mid-twentieth century, and the fight for justice and accountability Black Americans still face today. The Tulsa Race Massacre has long failed to fit into the story Americans like to tell themselves about the history of their country. This book, ambitious and intimate in turn, explores the ways in which the story of the Tulsa Race Massacre is the story of America—and by showing us who we are, points to a way forward. The Island of Lost Maps tells the story of a curious crime spree: the theft of scores of valuable centuries-old maps from some of the most prominent research libraries in the United States and Canada. The perpetrator was Gilbert Joseph Bland, Jr., an enigmatic antiques dealer from South Florida, whose cross-country slash-and-dash operation had gone virtually undetected until he was caught in 1995—and was unmasked as the most prolific American map thief in history. As Miles Harvey unravels the mystery of Bland's life, he maps out the world of cartography and cartographic crime, weaving together a fascinating story of exploration, craftsmanship, villainy, and the lure of the unknown.

The struggle of three brothers to stay together after their parent's death and their quest for identity among the conflicting values of their adolescent society.

Life from Scratch Macmillan
From journalist Abe Streeb, the story of coming of age on a reservation in the American West and a team uniting a community March 11, 2017, was a night to remember. On that night, in front of the hopeful eyes of thousands of friends, family members, and fans, the Arlee Warriors would finally bring the high school basketball state championship title home to Montana's Flathead Indian Reservation. The game would become the stuff of legend, with the boys revered as local heroes. The team's place in history was now cemented, but for starters Will Mesteth, Jr. and Phillip Malatare, life would keep moving on—senior year was only just beginning. In **Brothers on Three**, we follow Phil and Will, along with their teammates, coaches, and families, as they balance the pressures of adolescence, shoulder the dreams of their community, and chart their own individual courses for the future. And in doing so, a picture emerges of the challenges of growing up as Indigenous youth in the contemporary American West. **Brothers on Three** is not simply a story about high school basketball, about state championships and a winning team. It is a book about community, and it is about boys on the cusp of adulthood, finding their way through the intersecting worlds they inhabit and forging their own paths to personhood.

In 1921 Tulsa's Greenwood District, known then as the nation's "Black Wall Street," was one of the most prosperous African American communities in the United States. But on May 31 of that year, a white mob, inflamed by rumors that a young black man had attempted to rape a white teenage girl, invaded Greenwood. By the end of the following day, thousands of homes and businesses lay in ashes, and perhaps as many as three hundred people were dead. Tulsa, 1921 shines new light into the shadows that have long been cast over this extraordinary instance of racial violence. With the clarity and descriptive power of a veteran journalist, author Randy Krehbiel digs deep into the events and their aftermath and investigates decades-old questions about the local culture at the root of what one writer has called a white-led pogrom. Krehbiel analyzes local newspaper accounts in an unprecedented effort to gain insight into the minds of contemporary Tulsans. In the process he considers how the Tulsa World, the Tulsa Tribune, and other publications contributed to the circumstances that led to the disaster and helped solidify enduring white justifications for it. Some historians have dismissed local newspapers as too biased to be of value for an honest account, but by contextualizing their reports, Krehbiel renders Tulsa's papers an invaluable resource, highlighting the influence of news media on our actions in the present and our memories of the past. The Tulsa Massacre was a result of racial animosity and mistrust within a culture of political and economic corruption. In its wake, black Tulsans were denied redress and even the right to rebuild on their own property, yet they ultimately prevailed and even prospered despite systemic racism and the rise during the 1920s of the second Ku Klux Klan. As Krehbiel considers the context and consequences of the violence and devastation, he asks, Has the city—indeed, the nation—exorcised the prejudices that led to this tragedy?

From Edward P. Jones comes one of the most acclaimed novels in recent memory—winner of the Pulitzer Prize for Fiction and the National Book Critics Circle Award for Fiction. The Known World tells the story of Henry Townsend, a black farmer and former slave who falls under the tutelage of William Robbins, the most powerful man in Manchester County, Virginia. Making certain he never circumvents the law, Townsend runs his affairs with unusual discipline. But when death takes him unexpectedly, his widow, Caldonia, can't uphold the estate's order, and chaos ensues. Edward P. Jones has woven a footnote of history into an epic that takes an unflinching look at slavery in all its moral complexities. "A masterpiece that deserves a place in the American literary canon." —Time

The Historian Little, Brown Books for Young Readers

This Pulitzer Prize – winning novel follows two American academics in London—a young man and a middle-aged woman—as they each fall into unexpected romances. In her early fifties, Vinnie Miner is the sort of woman no one ever notices, despite her career as an Ivy League professor. She doubts she could get a man's attention if she waved a brightly colored object in front of him. And though she loves her work, her specialty—children's folk rhymes—earns little respect from her fellow scholars. Then, alone on a flight to London for a research trip, she sits next to a man she would never have viewed as a potential romantic partner. In a Western-cut suit and a rawhide tie, he is a sanitary engineer from Tulsa, Oklahoma, on a group tour. He's the very opposite of her type, but before Vinnie knows it, she's spending more and more time with him. Also in London is Vinnie's colleague, a young, handsome English professor whose marriage and self-esteem are both on the rocks. But Fred Turner is also about to find consolation—in the arms of the most beautiful actress in England. Stylish

and highborn, she introduces Fred to a glamorous, yet eccentric, London scene that he never expected to encounter. The course of these two relationships makes up the story of Foreign Affairs—a finalist for the National Book Award and National Book Critics Circle Award as well as a Pulitzer Prize winner, and an entertaining, poignant tale from the author of The War Between the Tates and The Last Resort, "one of this country's most able and witty novelists" (The New York Times). This ebook features an illustrated biography of Alison Lurie including rare images from the author's personal collection.

More than one thousand homes and businesses. Restaurants and movie theaters, churches and doctors' offices, a hospital, a public library, a post office. Looted, burned, and bombed from the air. Over the course of less than twenty-four hours in the spring of 1921, Tulsa's infamous "Black Wall Street" was wiped off the map—and erased from the history books. Official records were disappeared, researchers were threatened, and the worst single incident of racial violence in American history was kept hidden for more than fifty years. But there were some secrets that would not die. A riveting and essential new book, The Ground Breaking not only tells the long-suppressed story of the notorious Tulsa race massacre. It also unearths the lost history of how the massacre was covered up, and of the courageous individuals who fought to keep the story alive. Most important, it recounts the ongoing archaeological saga and the search for the unmarked graves of the victims of the massacre, and of the fight to win restitution for the survivors and their families. Both a forgotten chronicle from the nation's past and a story ripped from today's headlines, The Ground Breaking is a page-turning reflection on how we, as Americans, must wrestle with the parts of our history that have been buried for far too long.
