Independent When Emily's
heart is broken by the love of
her life, she never imagined

running a small restaurant in
the converted hat shop her
grandmother left to her. The
Food of Love offers diners
more than just a home-cooked
meal -- and even though Emily
has sworn off romance forever,
it doesn't stop her hoping for

happiness for her regulars, like widowed Bill who hides a troubling secret, single mum Heather who ran away from home when she was sixteen, and gentle Astrid whose past is darker than any of her friends could know. Then, out of the blue, Emily receives a letter from her ex. He's returning home to Ireland and wants to see her. Soon Emily has some tough decisions to make. Will she choose the life she could have had, or the one she has ended up in? Is she brave enough to give love a second chance - and wise enough to figure out where it's truly to be

Managing Organizational Change provides managers with an awareness of the issues involved in managing change, moving them beyond "one-best way" approaches and providing them with access to multiple perspectives that they can draw upon in order to enhance their

success in producing organizational change. These multiple perspectives provide a theme for the text as well as a framework for the way each chapter outlines different options open to managers in helping them to identify, in a reflective way, the actions and choices open to them. Changing organizations is as messy as it is exhilarating, as frustrating as it is satisfying, as muddling-through and creative a process as it is a rational one. This book recognizes these tensions for those involved in managing organizational change. Rather than pretend that they do not

exist it confronts them head on, identifying why they are there, how they can be managed and the limits they create for what the manager of organizational change can achieve.
