There are hundreds of lives sown inside Pretty Little Mistakes, Heather McElhatton's singularly spectacular, breathtakingly unique novel that has more than 150 possible endings. You may end up in an opulent mansion or homeless down by the river; happily married with your own corporation or alone and pecked to death by ducks in London; a Zen master in Japan or morbidly obese in a trailer park. Is it destiny or decision that controls our fate? You can't change your past and start over from scratch in real life—but in Pretty Little Mistakes, you can! But be warned, choose wisely.
Find Your Why Scholastic Inc.
Now a new series on Peacock with Rainn Wilson, THE GEOGRAPHY OF BLISS is part travel memoir, part humor, and part twisted self-help guide that takes the viewer across the globe to investigate not what happiness is, but WHERE it is. Are people in Switzerland happier because it is the most democratic country in the world? Do citizens of Qatar, awash in petrodollars, find joy in all that cash? Is the King of Bhutan a visionary for his initiative to calculate Gross National Happiness? Why is Asheville, North Carolina so damn happy? In a unique mix of travel, psychology, science and humor, Eric Weiner answers those questions and many others, offering travelers of all moods some interesting new ideas for sunnier destinations and dispositions.

Start With Why has led millions of readers to rethink everything they do – in their personal lives, their careers and their organizations. Now Find Your Why picks up where Start With Why left off. It shows you how to apply Simon Sinek ’ s powerful insights so that you can find more inspiration at work -- and in turn inspire those around you. I believe fulfillment is a right and not a privilege. We are all entitled to wake up in the morning inspired to go to work, feel safe when we ’ re there and return home fulfilled at the end of the day. Achieving that fulfillment starts with understanding exactly WHY we do what we do. As Start With Why has spread around the world, countless readers have asked me the same question: How can I apply Start With Why to my career, team, company or nonprofit? Along with two of my colleagues, Peter Docker and David Mead, I created this hands-on, step-by-step guide to help you find your WHY. With detailed exercises, illustrations, and action steps for every stage of the process, Find Your Why can help you address many important concerns, including: * What if my WHY sounds just like my competitor ’ s? * Can I have more than one WHY? * If my work doesn ’ t match my WHY, what should I do? * What if my team can ’ t agree on our WHY? Whether you've just started your first job, are leading a team, or are CEO of your own company, the exercises in this book will help guide you on a path to long-term success and fulfillment, for both you and your colleagues. Thank you for joining us as we work together to build a world in which more people start with WHY. Inspire on! -- Simon
You're Made for a God-Sized Dream Text Publishing
A lifetime of lies, and a truth too painful to tell... From a USA Today Bestselling Author, the story of a mother who will do anything to give her daughter the life she deserves. When Suzanna Duff was ten years old, she lost her mama, and that ’ s when the lies began. At first, they were just harmless little fibs, a way to hide her unbearable loneliness and the truth about a daddy who came home rip-roaring drunk every night. But in time, the lies grew bigger and now, when she is a grown woman with a daughter of her own, they threaten to destroy everything she loves. The irony of this situation is that Suzanna never planned to stay in Georgia, she was simply passing through, looking for a fresh start in New Jersey. Attending that wake with her daughter Annie, was a fluke. An opportunity to enjoy a free meal. It should have entailed nothing more than a solemn nod and a brief expression of sympathy but, Ida Parker, the grieving widow mistook her for her granddaughter who was carried off as an infant. Too embarrassed to

do anything else, Suzanna played along. What harm was there in pretending to be someone else for a few hours? Hours turned into days and days into weeks; strangers became friends, love happened, and before long a year had flown by. Now the past is standing on her doorstep and Suzanna must decide to leave here and disappear as she has done before, or tell the truth and break the hearts of those she loves most.
Friendship Isn't a Big Thing, It's a Million Little Things Entangled: Amara
Nothing gets our attention like an unmade decision: Should I accept the new position? Which schooling choice is best for my kids? How can I support my aging parents? When we have a decision to make and the answer isn't clear, what we want more than anything is peace, clarity, and a nudge in the right direction. If you have trouble making decisions, because of either chronic hesitation you've always lived with or a more recent onset of decision fatigue, Emily P. Freeman offers a fresh way of practicing familiar but often forgotten advice: simply do the next right thing. With this simple, soulful practice, it is possible to clear the decision-making chaos, quiet the fear of choosing wrong, and find the courage to finally decide without regret or second-guessing. Whether you're in the midst of a major life transition or are weary of the low-grade anxiety that daily life can bring, Emily helps create space for your soul to breathe so you can live life with God at a gentle pace and discern your next right thing in love.

Based on the award-winning 10-million-plus-hit blog 1000 Awesome Things, The Book of Awesome is an international bestselling high five for humanity and a big celebration of life’s little moments. Sometimes it’s easy to forget the things that make us smile. With a 24/7 news cycle reporting that the polar ice caps are melting, hurricanes are swirling in the seas, wars are heating up around the world, and the job market is in a deep freeze, it’s tempting to feel that the world is falling apart. But awesome things are all around us, like: • Popping Bubble Wrap • Wearing underwear just out of the dryer • Fixing electronics by smacking them • Getting called up to the dinner buffet first at a wedding • Watching The Price Is Right when you’re home sick • Hitting a bunch of green lights in a row • Waking up and realizing it’s Saturday The Book of Awesome reminds us that the best things in life are free (yes, your grandma was right). With laugh-out-loud observations from award-winning comedy writer Neil Pasricha, The Book of Awesome is filled with smile-inducing moments on every page that make you feel like a kid looking at the world for the first time. Read it and you’ll remember all the things there are to feel good about. The Nesting Place Baker Books
NATIONAL BESTSELLER • A gripping memoir about the nature of addiction and the meaning of recovery from a bold and talented literary voice. “Anyone who has ever felt broken and wished for a better life will find inspiration in Frey’s story.” —People “A great story.... You can't help but cheer his victory.” —Los Angeles Times Book Review By the time he entered a drug and alcohol treatment facility, James Frey had taken his addictions to near-deadly extremes. He had so thoroughly ravaged his body that the facility’s doctors were shocked he was still alive. The ensuing torments of detoxification and withdrawal, and the never-ending urge to use chemicals, are captured with a vitality and directness that recalls the seminal eye-opening power of William Burroughs’s Junky. But A Million Little Pieces refuses to fit any mold of drug literature. Inside the clinic, James is surrounded by patients as troubled as he is—including a judge, a mobster, a one-time world-champion boxer, and a fragile former prostitute to whom he is not allowed to speak—but their friendship and advice strikes James as stronger and truer than the clinic’s droning dogma of How to Recover. James refuses to consider himself a victim of anything but his own bad decisions, and insists on accepting sole accountability for the person he has been and the person he may become—which runs directly counter to his counselors' recipes for recovery. James has to fight to find his own way to confront the consequences of the life he has lived so far, and to determine what future, if any, he holds. It is this fight, told with the charismatic energy and power of One Flew over the Cuckoo's Nest, that is at the heart of A Million Little Pieces: the fight between one young man’s will and the ever-tempting chemical trip to oblivion, the fight to survive on his own terms, for reasons close to his own heart. "
My Friend Leonard William Morrow Paperbacks

We all long to live with more purpose, passion, and joy. Yet in the middle of our hectic lives, the God-sized dreams that have the potential to lead us into all God has planned for us are the ones that tend to get lost. With her intimate, approachable style and constant encouragement, popular blogger and author Holley Gerth invites women to rediscover the big dreams God has given them--and then dare to pursue them. With the enthusiasm and honesty that we all want from our closest friend, Holley encourages women to overcome excuses--too busy, too late, too far out of my comfort zone--and believe that their God-sized dreams can become reality. She takes readers by the heart and says, "Yes! You can do this! Let's go!" and then guides them forward with a loving hand. A licensed counselor and certified life coach, Holley insightfully combines inspiration with practical application in this positive book.
The Next Right Thing Revell
Our obsession with bigger and faster is spinning us out of control. We move through the week breathless and bustling, just trying to keep up while longing to slow down. But real life happens in the small moments, the kind we find on Tuesday, the most ordinary day of the week. Tuesday carries moments we want to hold onto--as well as ones we'd rather leave behind. It holds secrets we can't see in a hurry--secrets not just for our schedules but for our souls. It offers us a simple bench on which to sit, observe, and share our stories. For those being pulled under by the strong current of expectation, comparison, and hurry, relief is found more in our small moments than in our fast movements. In Simply Tuesday, Emily P. Freeman helps readers · stop dreading small beginnings and embrace today's work · find contentment in the now--even when the now is frustrating or discouraging · replace competition with compassion · learn to breathe in a breathless world Jesus lived small moments well, slow moments fully, and all moments free. He lives with us still, on all our ordinary days, creating and redeeming the world both in us and through us, one small moment at a time. It's time to take back Tuesday, to release our obsession with building a life, and believe in the life Christ is building in us--every day.
*Ye Nexte Thyng*e Simon and Schuster
James Pinocchio wakes up in the back of a New York City taxi with a combination lock piercing his left ear and no idea how it got there, or what the combination is. The following day, his wealthy parents decide they've had enough, and they send him off to Sleepy Hollow, the famous rehab facility in Upstate New York. While there, Mr. Pinocchio meets all sorts of Fascinating Characters, one more Unbelievable and Amazing than the next, and they challenge him to confront his Deepest, Darkest Fears. The experience leads Mr. Pinocchio to the very edges of despair, but at a critical juncture he finds hope in the arms of a Bad Woman. The love affair ends tragically, alas, and, like many parts of Mr. Pinocchio's story, stretches credibility to the breaking point, but the harrowing adventure -- which involves a great deal of pain, a smattering of dirty sex, and endless amounts of girlish crying -- eventually leads to Redemption and Healing. But not for Mr. Pinocchio

A Million Heavens Bent Pine Publishing
Scandal, scheming, and secrets abound in #1 bestselling author Jennifer Lynn Barnes’s Little White Lies, packed with “page-turning tension, witty humor” (Jennifer L. Armentrout), and “characters as devious as they are southern-belle glamorous (E. Lockhart). "I'm not saying this is Sawyer's fault," the prim and proper one said delicately. "But." Eighteen-year-old auto mechanic Sawyer Taft did not expect her estranged grandmother to show up at her apartment door and offer her a six-figure contract to participate in debutante season. And she definitely never imagined she would accept. But when she realizes that immersing herself in her grandmother's "society" might mean discovering the answer to the biggest mystery of her life—her father's identity—she signs on the dotted line and braces herself for a year of makeovers, big dresses, bigger egos, and a whole lot of bless your heart. The one thing she doesn't expect to find is friendship, but as she's drawn into a group of debutantes with scandalous, dangerous secrets of their own, Sawyer quickly discovers that her family is not the only mainstay of high society with skeletons in their closet. There are people in her grandmother's glittering world who are not what they appear, and no one wants Sawyer poking her nose into the past. As she navigates the twisted relationships between her new friends and their powerful parents, Sawyer's search for the truth about her own origins is just the beginning.

A MILLION LITTLE MISTAKES is no ordinary novel: it has one beginning and fifty different endings that will variously

surprise, shock, and delight readers as they hunt for happiness. Your story begins when you win twenty-two million dollars in the lottery. What happens next? It's entirely up to you. Do you get out of debt? Quit your job? Travel the world? Go on the shopping spree of a lifetime? The possibilities are endless! Twenty-two million dollars can buy a lot, but can it buy a happy ending?

A Million Little Lies Thomas Nelson

Simon Sinek sparked a movement with his bestsellers *START WITH WHY* and *LEADERS EAT LAST*. Now this beautifully illustrated book will inspire more readers to ask for help, help others, and discover their own courage through a charming story about change. Life is a series of choices. Do we go left or right? Jump forward or hold back? Sometimes our choices work out for the better...and sometimes they don't. But there is one choice, regardless of every other decision, that profoundly affects how we feel about our journey: Do we go alone or do we go together? It is the courageous few who ask for help. It is the giving few willing to help others. We can all find the courage we need and know the joy of service – the minute we learn that together is better. Filled with inspiring quotes, this richly illustrated fable tells a delightful story of three kids who go on a journey to a new playground and take a stand for what they believe. The story is a metaphor for anyone looking to make a change or wondering how to pursue their dreams. And the message is simple: relationships – real, human relationships – really, really matter. The stronger our relationships, the stronger the bonds of trust and cooperation, the more we can accomplish and the more joy and fulfillment we get from our work and personal lives. The three heroes are archetypes who represent us all at various points in our lives. Their main challenge is the same one we face every day: How can we find the things we're looking for? According to Sinek, if we each do our part to help advance a shared vision, we can build the world we imagine. In addition to the story itself, Sinek shares such profound lessons as: · A team is not a group of people that work together. A team is a group of people that trust each other. · Fight against something and we focus on the thing we hate. Fight for something and we focus on the thing we love. · Working hard for something we don't care about is called stress. Working hard for something we love is called passion. · A star wants to see himself rise to the top. A leader wants to see those around him become stars. Together is Better was designed to be given as a gift to someone you want to inspire, or to say thank you to someone who inspires you. It's completely different from Sinek's previous work. It may look like a children's book, but it's definitely for adults. This book includes a special page featuring the Scent of Optimism.

Church of the Small Things Penguin

Loneliness is an epidemic right now, but it doesn't have to be that way. The Turquoise Table is Kristin Schell's invitation to you to connect with your neighbors and build friendships. Featured in Southern Living, Good Housekeeping, and the TODAY Show, Kristin introduces a new way to look at hospitality. Desperate for a way to slow down and connect, Kristin put an ordinary picnic table in her front yard, painted it turquoise, and began inviting friends and neighbors to join her. Life changed in her community, and it can change in yours too. Alongside personal and heartwarming stories, Kristin gives you: Stress-free ideas for kick-starting your own Turquoise Table Simple recipes to take outside and share with others Stories from people using Turquoise Tables in their neighborhoods Encouragement to overcome barriers that keep you from connecting This gorgeous book, with vibrant photography, invites you to make a difference right where you live. The beautiful design makes it ideal to give to a friend or to keep for yourself. Community and friendship are waiting just outside your front door.

This Can't Be Happening at Macdonald Hall! Anchor

NYT bestselling author Monica Murphy takes you back to the Lancaster Prep world with a deeply romantic story about the most popular girl at school - and the boy who becomes completely obsessed with her. Wren Beaumont is a model student. Kind, clever and beautiful, she is loved by everyone at Lancaster Prep. Everyone but brooding campus bad boy Crew Lancaster. Son of the family who own the school, Crew's life seems easy - but with an overbearing father and high expectations, it's anything but. Which is why he has no time for people like Wren. But when their lives unexpectedly collide, Wren discovers there's more to life than good grades - and Crew finally understands what it's like to care about someone other than himself... Could they - should they - become the school's most unlikely couple?

Simply Tuesday Baker Books

New York Times Bestseller • Finalist for the 2018 National Book Critics Circle Award in Nonfiction • A New York Times Notable Book • Bloomberg Best Book of 2018 “Their distinctive contribution to the higher-education debate is to meet safetyism on its own, psychological turf... Lukianoff and Haidt tell us that safetyism undermines the freedom of inquiry and speech that are indispensable to universities.” —Jonathan Marks, Commentary “The remedies the book outlines should be considered on college campuses, among parents of current and future students, and by anyone longing for a more sane society.” —Pittsburgh Post-Gazette Something has been going wrong on

many college campuses in the last few years. Speakers are shouted down. Students and professors say they are walking on eggshells and are afraid to speak honestly. Rates of anxiety, depression, and suicide are rising—on campus as well as nationally. How did this happen? First Amendment expert Greg Lukianoff and social psychologist Jonathan Haidt show how the new problems on campus have their origins in three terrible ideas that have become increasingly woven into American childhood and education: What doesn't kill you makes you weaker; always trust your feelings; and life is a battle between good people and evil people. These three Great Untruths contradict basic psychological principles about well-being and ancient wisdom from many cultures. Embracing these untruths—and the resulting culture of safetyism—interferes with young people's social, emotional, and intellectual development. It makes it harder for them to become autonomous adults who are able to navigate the bumpy road of life. Lukianoff and Haidt investigate the many social trends that have intersected to promote the spread of these untruths. They explore changes in childhood such as the rise of fearful parenting, the decline of unsupervised, child-directed play, and the new world of social media that has engulfed teenagers in the last decade. They examine changes on campus, including the corporatization of universities and the emergence of new ideas about identity and justice. They situate the conflicts on campus within the context of America's rapidly rising political polarization and dysfunction. This is a book for anyone who is confused by what is happening on college campuses today, or has children, or is concerned about the growing inability of Americans to live, work, and cooperate across party lines.

The Book of Awesome Penguin

In the #1 New York Times–bestselling author's first book, the troublemaking team of Bruno and Boots wages war—and school will never be the same. The basis for the movie now streaming on TubiTV Bruno and Boots are always in trouble. So the Headmaster, aka “The Fish” decides it would be best to separate them. Bruno must now room with ghoulish Elmer Dimsdale, plus his plants, goldfish, and ants. And Boots is stuck with nerdy, preppy, paranoid George Wexford-Smyth III. Of course, this means war. Because Bruno and Boots are determined to get their old room back, no matter what it takes. Praise for the Bruno & Boots series “Korman has a unique talent for creating genuinely funny, roll-on-the-floor, laugh-out-loud books. All of his many books are bestsellers, a testament to his popularity with kids.” —Quill & Quire “A hilarious series.” —Booklist “Korman's vibrant dialogue and breakneck action are the highlights of this merry romp... Laughs are as plentiful as [Bruno and Boots's] misadventures.” —Publishers Weekly **A Million Little Ways** Penguin

Perhaps the most unconventional and literally breathtaking father-son story you'll ever read, My Friend Leonard pulls you immediately and deeply into a relationship as unusual as it is inspiring. The father figure is Leonard, the high-living, recovering coke addict "West Coast Director of a large Italian-American finance firm" (read: mobster) who helped to keep James Frey clean in A Million Little Pieces. The son is, of course, James, damaged perhaps beyond repair by years of crack and alcohol addiction-and by more than a few cruel tricks of fate. James embarks on his post-rehab existence in Chicago emotionally devastated, broke, and afraid to get close to other people. But then Leonard comes back into his life, and everything changes. Leonard offers his "son" lucrative—if illegal and slightly dangerous—employment. He teaches James to enjoy life, sober, for the first time. He instructs him in the art of "living boldly," pushes him to pursue his passion for writing, and provides a watchful and supportive veil of protection under which James can get his life together. Both Leonard's and James's careers flourish...but then Leonard vanishes. When the reasons behind his mysterious absence are revealed, the book opens up in unexpected emotional ways. My Friend Leonard showcases a brilliant and energetic young writer rising to important new challenges—displaying surprising warmth, humor, and maturity—without losing his intensity. This book proves that one of the most provocative literary voices of his generation is also one of the most emphatically human.
