Could the gospel be lost in evangelical churches? In this book, J.D. Greear shows how moralism and legalism have often eclipsed the gospel, even in conservative churches. Gospel cuts through the superficiality of religion and reacquaints you with the revolutionary truth of God's gracious acceptance of us in Christ. The gospel is the power of God, and the only true source of joy, freedom, radical generosity, and audacious faith. The gospel produces in us what religion never could: a heart that desires God. The book's core is a "gospel prayer" by which you can saturate yourself in the gospel daily. Dwelling on the gospel will release in you new depths of passion for God and take you to new heights of obedience to Him. Gospel gives you an applicable, exciting vision of how God will use you to bring His healing to the world.

Create the home--and life--you've always wanted with the help of popular blogger and author of *Cozy Minimalist Home* Myquillyn Smith (*The Nester*) as she helps you free yourself to take risks and find beauty in imperfection. Myquillyn Smith is all about embracing reality--especially when it comes to decorating a home bursting with kids, pets, and all the unpredictable messes of life. In *The Nesting Place*, Myquillyn shares the secrets of decorating for real people--and it has nothing to do with creating a flawless

look to wow your guests and everything to do with making peace with the natural imperfection and joy of daily living. Drawing on her years of experience creating beauty in her 13 different homes and countless seasons of life, Myquillyn will show you how to think differently about the true purpose of your home, and simply and creatively tailor it to reflect you and your unique style--without breaking the bank. Full of simple steps, practical advice, and beautiful, full-color photos, *The Nesting Place* gives you the tools you need to: Cultivate a home that works for you and your family Transform your home into a place that's inviting and warm for family and friends Discover your own personal style There is beauty in embracing the lived-in, loved-on, and just-about-used-up aspects of our homes and our daily lives--let Myquillyn show you how. Praise for *The Nesting Place*: "This book made me look at every room in my house differently, with a new lens of creativity and beauty and possibility. It inspired me to reclaim my home as sacred space, ripe with opportunities to celebrate and create memories and moments." --Shauna Niequist, New York Times bestselling author of *Present Over Perfect* and *I Guess I Haven't Learned That Yet* "This highly personal account about embracing imperfection and finding contentment in your home is like sitting down with a good friend and talking about the stuff that really matters. *The Nesting Place* is full of approachable ideas, encouragement, and a whole lot of heart." --Sherry Petersik, home blogger; bestselling author of *Young House Love*

It's Simply Tuesday Baker Books

A NEW YORK TIMES NOTABLE BOOK • From an award-winning journalist, a poignant and gripping immersion in the life of a young, homeless single mother amid her quest to find stability and shelter in the richest city in America LONGLISTED FOR THE PEN/JEAN STEIN BOOK AWARD • "Riveting . . . a remarkable feat of reporting."—The New York Times Camila is twenty-two years old and a new mother. She has no family to rely on, no partner, and no home. Despite her intelligence and determination, the odds are firmly stacked against her. In this extraordinary work of literary reportage, Lauren Sandler chronicles a year in Camila's life—from the birth of her son to his first birthday—as she navigates the labyrinth of poverty and homelessness in New York City. In her attempts to secure a safe place to raise her son and find a measure of freedom in her life, Camila copes with dashed dreams, failed relationships, the desolation of abandonment, and miles of red tape with grit, humor, and uncanny resilience. Every day, more than forty-five million Americans attempt to survive below the poverty line. Every night, nearly sixty thousand people sleep in New York City-run shelters, 40 percent of them children. In *This Is All I Got*, Sandler brings this deeply personal issue to life, vividly depicting one woman's hope and despair and her steadfast determination to change her life despite the myriad setbacks she encounters. *This Is All I Got* is a rare feat of reporting and a dramatic story of survival. Sandler's candid and revealing account also exposes the murky boundaries between a journalist and her

subject when it becomes impossible to remain a dispassionate observer. She has written a powerful and unforgettable indictment of a system that is often indifferent to the needs of those it serves, and that sometimes seems designed to fail. Praise for *This Is All I Got* “A rich, sociologically valuable work that’s more gripping, and more devastating, than fiction.”—Booklist “Vivid, heartbreaking. . . . Readers will be moved by this harrowing and impassioned call for change.”—Publishers Weekly “A closely observed chronicle . . . Sandler displays her journalistic talent by unerringly presenting this dire situation. . . . An impressive blend of dispassionate reporting, pungent condemnation of public welfare, and gritty humanity.”—Kirkus Reviews

Ask More Zondervan

Why do Americans read contemporary fiction? This question seems simple, but is it? Do Americans read for the purpose of aesthetic appreciation? To satisfy their own insatiable intellectual curiosities? While other forms of media have come to monopolize consumers’ leisure time, in the past two decades book clubs have proliferated, Amazon has sponsored thriving online discussions, Oprah Winfrey has inspired millions of viewers to read both contemporary works and classics, and novels have retained their devoted following within middlebrow communities. In *Reading as Therapy*, Timothy Aubry argues that contemporary fiction serves primarily as a therapeutic tool for lonely, dissatisfied middle-class American readers, one that validates their own private dysfunctions while supporting elusive communities of strangers unified by shared feelings. Aubry persuasively makes the case that contemporary literature’s persistent appeal depends upon its capacity to perform a therapeutic function. Aubry traces the growth and proliferation of psychological concepts focused on the subjective interior within mainstream, middle-class society and the impact this has had on contemporary fiction. The prevailing tendency among academic critics has been to decry the personal emphasis of contemporary fiction as complicit with the rise of a narcissistic culture, the ascendancy of liberal individualism, and the breakdown of public life. *Reading as Therapy*, by contrast, underscores the varied ideological effects that therapeutic culture can foster. To uncover the many unpredictable ways in which contemporary literature answers the psychological needs of its readers, Aubry considers several different venues of reader-response—including Oprah’s Book Club and Amazon customer reviews—the promotional strategies of publishing houses, and a variety of contemporary texts, ranging from Khaled Hosseini’s *The Kite Runner* to Anita Shreve’s *The Pilot’s Wife* to David Foster Wallace’s *Infinite Jest*. He concludes that, in the face of an atomistic social landscape, contemporary fiction gives readers a therapeutic vocabulary that both reinforces the private sphere and creates surprising forms of sympathy and solidarity among strangers.

If You Only Knew Whitaker House

A leading authority on sales and customer service reveals how to close the deal on your terms. This powerful book shows you new perspectives on closing that builds relationships, creates partnerships, and allows you to win your price on your terms. *The Very Little But Very Powerful Book on Closing* is a great tool to help you ask effective closing questions, create urgency, and find your winning formula. For so many people, reading isn't just a hobby or a way to

pass the time--it's a lifestyle. Our books shape us, define us, enchant us, and even sometimes infuriate us. Our books are a part of who we are as people, and we can't imagine life without them. *I'd Rather Be Reading* is the perfect literary companion for everyone who feels that way. In this collection of charming and relatable reflections on the reading life, beloved blogger and author Anne Bogel leads readers to remember the book that first hooked them, the place where they first fell in love with reading, and all of the moments afterward that helped make them the reader they are today. Known as a reading tastemaker through her popular podcast *What Should I Read Next?*, Bogel invites book lovers into a community of like-minded people to discover new ways to approach literature, learn fascinating new things about books and publishing, and reflect on the role reading plays in their lives. The perfect gift for the bibliophile in everyone's life, *I'd Rather Be Reading* will command an honored place on the overstuffed bookshelves of any book lover.

I'd Rather Be Reading Penguin

Beneath the ice at the bottom of the Earth is a magnificent subterranean labyrinth, a place of breathtaking wonders—and terrors beyond imagining. A team of specialists led by archaeologist Ashley Carter has been hand-picked to explore this secret place and to uncover the riches it holds. But they are not the first to venture here—and those they follow did not return. There are mysteries here older than time, and revelations that could change the world. But there are also things that should not be disturbed—and a devastating truth that could doom Ashley and the expedition: they are not alone. With all the trademark elements that have made James Rollins a bestselling author around the world—pulse-pounding adventure, scientific intrigue, nail-biting suspense—*Subterranean* deserves a place in every thriller lover's collection. Even if you've read it before, you won't want to put this classic Rollins down.

The Nesting Place HarperChristian + ORM

How RFID, a ubiquitous but often invisible mobile technology, identifies tens of billions of objects as they move through the world. RFID (Radio Frequency Identification) is ubiquitous but often invisible, a mobile technology used by more people more often than any flashy smartphone app. RFID systems use radio waves to communicate identifying information, transmitting data from a tag that carries data to a reader that accesses the data. RFID tags can be found in credit cards, passports, key fobs, car windshields, subway passes, consumer electronics, tunnel walls, and even human and animal bodies—identifying tens of billions of objects as they move through the world. In this book, Jordan Frith looks at RFID technology and its social impact, bringing into focus a technology that was designed not to be noticed. RFID, with its ability to collect unique information about almost any material object, has been hyped as the most important identification technology since the bar code, the linchpin of the Internet of Things—and also seen (by some evangelical Christians) as a harbinger of the end times. Frith views RFID as an infrastructure of identification that simultaneously functions as an infrastructure of communication. He uses RFID to examine such larger issues as big data, privacy, and surveillance, giving

specificity to debates about societal trends. Frith describes how RFID can monitor hand washing in hospitals, change supply chain logistics, communicate wine vintages, and identify rescued pets. He offers an accessible explanation of the technology, looks at privacy concerns, and pushes back against alarmist accounts that exaggerate RFID's capabilities. The increasingly granular practices of identification enabled by RFID and other identification technologies, Frith argues, have become essential to the working of contemporary networks, reshaping the ways we use information.

Grace for the Good Girl Baker Books

You know her--the good girl. She's the reliable one who shows up every week at youth group wearing a purity ring and a smile. She gets good grades, makes the team, and doesn't need to be told to come home on time. But deep down she is crushed by the weight of the responsibility to be the good one, the smart one, the one who never messes up. With the same candor and gentle spirit she showed women in *Grace for the Good Girl*, Emily Freeman now gives young women what they need to be free on the inside, no matter what's going on outside. Through an honest look at the roles girls play, she helps them learn to stop trying and start trusting that the Jesus who came to save them also comes to live with them, right here and now.

Foundations B&H Publishing Group

In *A Voice Becoming*, Beth Bruno helps mothers cast a Godly vision for their daughters and chart a course that will prepare their daughters for womanhood. What if you as a mother concentrated on your daughter for one year? Who might she become? *A Voice Becoming* is for moms who want to usher their daughters into womanhood but know they need more than tips, techniques, and programs. This is for moms who desire to chart a course for their daughters that helps them know the story of God they are entering and the global sisterhood of women they are joining. *A Voice Becoming* is written by a fellow sojourner, still in the middle of the journey, processing her own story as she casts a vision for her daughter to discover hers. Sometimes road maps are too restrictive and a friend is needed who has made the journey already. Beth Bruno seeks to activate moms by infusing them with hope and vision. Readers will join Beth in a yearlong journey of teaching their daughters that women lead, women love, women fight, women sacrifice, and women create. Moms learn how to use film and books, tangible experiences, volunteering, interviewing other women, traveling, and more in a creative and life-altering way to help solidify these important concepts in the mind and life of their young teen.

A Million Different Ways to Lose You B&H Books

Book II in *The Horn Duet*. This is a continuing storyline from *A Million Different Ways*- Book I in *The Horn Duet*. Set against the elegant backdrop of Geneva, Switzerland. Worlds collide when an illegal immigrant finds herself working for a wealthy American financier. What began as a dangerous and undeniable attraction to each other grows into a once-in-a-lifetime love affair in the final installment of the *Horn duet*. Their journey continues... With the shadows of their past threatening to tear them apart, Sebastian and Vera must learn to trust each other if their relationship is to survive. Can Vera prove her father's innocence? Can Sebastian discover who wants him dead and why? Together they embark on a journey to uncover the truth. But as secrets slowly come to light, is their love strong enough to withstand the consequences?

Unveiling Grace Macmillan

"This is Claude. He's five years old, the youngest of five brothers. He also loves peanut butter sandwiches. He also

loves wearing a dress, and dreams of being a princess. When he grows up, Claude says, he wants to be a girl. Rosie and Penn want Claude to be whoever Claude wants to be. They're just not sure they're ready to share that with the world. Soon the entire family is keeping Claude's secret. Until one day it explodes."--

The Journey That Saved Curious George Abingdon Press

Coloring art offers a timely respite for a generation held hostage by hustle, and millions have rediscovered its simple pleasure and restorative power. For the thousands of devoted readers in Emily P. Freeman's community who gather virtually each Tuesday using #itssimplytuesday, this book offers another way to document small and sacred moments. Her popular books have invited a generation of women to believe that the work of Christ happens in the secret, invisible place within. Coloring is a simple, artful way for women to embrace a few quiet moments to listen, to breathe, and to consider life's daily gifts. With meaningful quotes from *Simply Tuesday* as well as Scripture and gorgeous art by Jennifer Tucker, *It's Simply Tuesday* encourages women to learn to breathe in a breathless world by slowing down in the midst of the everyday hustle.

The Power of One-on-One WestBow Press

Our obsession with bigger and faster is spinning us out of control. We move through the week breathless and bustling, just trying to keep up while longing to slow down. But real life happens in the small moments, the kind we find on Tuesday, the most ordinary day of the week. Tuesday carries moments we want to hold onto--as well as ones we'd rather leave behind. It holds secrets we can't see in a hurry--secrets not just for our schedules but for our souls. It offers us a simple bench on which to sit, observe, and share our stories. For those being pulled under by the strong current of expectation, comparison, and hurry, relief is found more in our small moments than in our fast movements. In *Simply Tuesday*, Emily P. Freeman helps readers · stop dreading small beginnings and embrace today's work · find contentment in the now--even when the now is frustrating or discouraging · replace competition with compassion · learn to breathe in a breathless world Jesus lived small moments well, slow moments fully, and all moments free. He lives with us still, on all our ordinary days, creating and redeeming the world both in us and through us, one small moment at a time. It's time to take back Tuesday, to release our obsession with building a life, and believe in the life Christ is building in us--every day.

The Way of Kings Macmillan

The majority of us would not necessarily define ourselves as artists. We're parents, students, businesspeople, friends. We're working hard, trying to make ends meet, and often longing for a little more--more time, more love, more security, more of a sense that there is more out there. The truth? We need not look around so much. God is within us and he wants to shine through us in a million little ways. *A Million Little Ways* uncovers the creative, personal imprint of God on every individual. It invites the discouraged parent, the bored Christian, the exhausted executive to look at their lives differently by approaching their critics, their jobs, and the kids around their table the same way an artist approaches the canvas--with wonder, bravery, and hope. In her gentle, compelling style, Emily Freeman encourages readers to turn down the volume on their inner critic and move into the world with the courage to be who they most deeply are. She invites regular people to see the artistic potential in words, gestures, attitudes, and relationships. Readers will discover the art in a quiet word, a hot dinner, a made bed, a grace-filled glance, and a million other ways of showing God to the world through the simple human acts of listening, waiting, creating, and showing up.

Dog Island Houghton Mifflin Harcourt

Families are shaped one day at a time through the Word of God You want your children to become Christ followers, obedient to His commands, and fruitful in their faith, but where do you begin? Though there isn't a formula or

prescription for raising godly kids, what you desire for your family begins with heeding God's instructions to remember and declare His faithful works to the next generation. Bestselling author and artist Ruth Chou Simons, along with her husband, Troy, are gratefully raising six boys on a firm foundation of God's Word by preaching that truth to themselves and their family daily. In this book, they invite you to join them in the holy work of training children to know and love God for a lifetime. Foundations will help you direct your family one day at a time, as you explore 12 key truths that will help connect your children's hearts—and yours—to the heart of God. With a simple, chapter-a-day format that includes Scripture, devotional thoughts, meditations, and discussion questions, this book will guide you in leading your family.
