Catullus Macmillan
A chilling crime tale based on actual events from more than one hundred years ago, follows a serial killer dubbed "The Servant Girl Annihilator" who roamed the streets of Austin, Texas, along with a fascinating group of characters both real and fictional. Reprint. A Mist of Prophecies
Minotaur Books
The Roman civil war has come to its conclusion – Pompey is dead, Egypt is firmly under the control of Cleopatra (with the help of Rome's legions), and for the

first time in many years Julius Caesar has returned to Rome himself. Appointed by the Senate as Dictator, the city abounds with rumors asserting that Caesar wishes to be made King – the first such that Rome has had in centuries. And that not all of his opposition has been crushed. Gordianus, recently returned from Egypt with his wife Bethesda, is essentially retired from his previous profession of 'Finder' but even he cannot refuse the call of Calpurnia, Caesar's wife. Troubled by dreams foretelling disaster and fearing a conspiracy against the life of Caesar, she had hired someone to investigate the rumors. But that person, a close friend of Gordianus, has just turned up dead – murdered -- on her doorstep. With four successive Triumphs for Caesar's military victories scheduled for the coming days, and Caesar more

exposed to danger than ever before, Calpurnia wants Gordianus to uncover the truth behind the rumored conspiracies -- to protect Caesar's life, before it is too late. No fan of Caesar's, Gordianus agrees to help – but only to find the murderer who killed his friend. But once an investigation is begun, there's no controlling what it will turn up, who it will put in danger, and where it will end. **Marcus Tullius Cicero. Ten Orations with the Letters to His Wife** Macmillan

In a story set during the Roman Civil War, Gordianus the Finder is in a tough spot when Pompey takes his son-in-law hostage, and to save both their lives, Gordianus must prove that his son did not kill Pompey's

beloved cousin.

The Cambridge Companion to Cicero ABC-CLIO

Much has been written about the contribution of ancient Greece to modern discourses of homosexuality, but Rome's significant rôle has been largely overlooked. *Ancient Rome and the Construction of Modern Homosexual Identities* explores the contested history of responses to Roman antiquity, covering areas such as literature, the visual arts, popular culture, scholarship, and pornography. Essays by scholars working across a number of disciplines analyse the demonization of Rome and attempts to write it out of the history of homosexuality by early activists such as John Addington Symonds, who believed that Rome had corrupted ideal (and idealized) 'Greek love' through its decadence and sexual licentiousness. The volume's contributors also investigate the identification with Rome by men and women who have sought an alternative ancestry for their desires. The volume asks what it means to look to Rome instead of Greece, theorizes the way in which Rome itself appropriates Greece, and explores the consequences of such appropriations and identifications, both ancient and modern. From learned discussions of lesbian cunnilingus in Renaissance

commentaries on Martial and Juvenal, to disgust at the sexual excesses of the emperors, to the use of Rome by the early sexologists, to modern pornographic films that linger on the bodies of gladiators and slaves, Rome has been central to homosexual desires and experiences. By interrogating the desires that create engagements with the classical past, the volume illuminates both classical reception and the history of sexuality.

A Gladiator Dies Only Once

The Social War was a significant uprising against the Roman state by Rome's allies in Italy. The conflict lasted little more than two and a half years but it is widely recognised as having been immensely important in the unification of Roman Italy. Between 91 and 88 BCE a brutal campaign was waged but the ancient sources preserve scant information about the war. In turn, this has given rise to conflicting accounts of the war in modern scholarship and often contradictory interpretations. This book provides a new and comprehensive reassessment of the events surrounding the Social War, analysing both the long-term and the immediate context of the

conflict and its causes.

Critical to this study is discussion of the nexus of citizenship, political rights and land which dominated much of second century BCE politics. It provides a new chronological reconstruction of the conflict itself and analyses the strategies of both the Romans and the Italian insurgents. The work also assesses the repercussions of the Social War, investigating the legacy of the insurgency during the civil wars, and considers its role in reshaping Roman and Italian identity on the peninsula in the last decades of the Republic.

Portraying Cicero in Literature, Culture, and Politics
Minotaur
Books

During the Roman Civil War, as the forces of Pompey and Julius Caesar fight a series of battles in the provinces over control of the Republic, Rome itself is a hotbed of intrigue as those left behind wait for word. In this tentative and treacherous environment, a beautiful young seeress is murdered in the marketplace. Possibly mad and claiming no memory of her own past, Cassandra - like her namesake - is reputed to have had the true gift of prophecy and, as a result, she became a confidante of the rich and powerful. Gordianus the Finder, who had become obsessed with the woman and her mystery, starts to investigate her murder. As the political situation in Rome continues to decay, the citizenry

veers towards ruin, and everyone waits for word out in the far off fields of war, Gordianus begins to peel away the veils of secrecy that surround Cassandra's life and death. What lies underneath involves one, possibly many, of the most powerful women in Rome and the truth could not only put Gordianus's life in danger but affect the very future of Rome itself.

Murder in Retrospect

Minotaur Books

Describes travel down the Appian Way while analyzing the meaning of the road in modern and ancient context.

Catilina's Riddle Minotaur Books

Cicero was one of classical antiquity's most prolific, varied and self-revealing authors. His letters, speeches, treatises and poetry chart a political career marked by personal struggle and failure and the collapse of the republican system of government to which he was intellectually and emotionally committed. They were read, studied and imitated throughout antiquity and subsequently became seminal texts in political theory and in the reception and study of the Classics. This Companion discusses the whole range of Cicero's writings, with particular emphasis on their links with the literary culture of the late Republic, their significance to Cicero's public career and their reception in later periods.

The Social War, 91 to 88

BCE Walter de Gruyter

GmbH & Co KG

“A mob saga that has it all—brotherhood and

betrayal, swaggering power and glittering success, and a Godfather whose reach seems utterly unrivaled.

What a relentless, irresistible read.” —Don Winslow, New York Times bestselling author of *The Border* A fascinating, cinematic, multigenerational history of the Cuban mob in the US from "America's top chronicler of organized crime"* and New York Times bestselling author of *Havana Nocturne*. By the mid 1980s, the criminal underworld in the United States had become an ethnic polyglot; one of the most powerful illicit organizations was none other than the Cuban mob. Known on both sides of the law as "the Corporation," the Cuban mob's power stemmed from a criminal culture embedded in south Florida's exile community—those who had been chased from the island by Castro's revolution and planned to overthrow the Marxist dictator and reclaim their nation. An epic story of gangsters, drugs, violence, sex, and murder rooted in the streets, *The Corporation* reveals how an entire generation of political exiles, refugees, racketeers, corrupt cops, hitmen, and their wives and girlfriends became

caught up in an American saga of desperation and empire building. T. J. English interweaves the voices of insiders speaking openly for the first time with a trove of investigative material he has gathered over many decades to tell the story of this successful criminal enterprise, setting it against the larger backdrop of revolution, exile, and ethnicity that makes it one of the great American gangster stories that has been overlooked—until now.

Drawing on the detailed reporting and impressive volume of evidence that drive his bestselling works, English offers a riveting, in-depth look at this powerful and sordid crime organization and its hold in the US.

"Saylor rivals Robert Graves in his knack for making the classical world come alive."

--(ortland) Oregonian

"Engrossing...Ironic and satisfying." -- San Francisco

Chronicle The third in Saylor's Roma Sub Rosa novels featuring Gordianus the Finder. Gordianus, disillusioned by the corruption of Rome circa 63 B.C., has fled the city with his family to live on a farm in the Etruscan countryside. But this bucolic life is disrupted by the machinations and murderous

plots of two politicians: Roman consul Cicero, Gordianus's longtime patron, and populist senator Catilina, Cicero's political rival and a candidate to replace him in the annual elections for consul. Claiming that Catilina plans an uprising if he loses the race, Cicero asks Gordianus to keep a watchful eye on the radical. Although he distrusts both men, Gordianus is forced into the center of the power struggle when his six-year-old daughter Diana finds a headless corpse in their stable. Shrewdly depicting deadly political maneuverings, this addictive mystery also displays the author's firm grasp of history and human character. On first publication back in 1994, *Catilina's Riddle* was a finalist for the Hammet Award. [The Triumph of Caesar](#) Gale Cengage

In the unseasonable heat of a spring morning in 80 B.C., Gordianus the Finder is summoned to the house of Cicero, a young advocate staking his reputation on a case involving the savage murder of the wealthy, sybaritic Sextus Roscius. Charged with the murder is Sextus's son, greed being the apparent motive. The punishment, rooted deep in Roman tradition, is horrific beyond imagining. The case becomes a political nightmare when Gordianus's investigation takes him

through the city's raucous, pungent streets and deep into rural Umbria. Now, one man's fate may threaten the very leaders of Rome itself.

Learn why the Roman Republic collapsed -- and how it could have continued to thrive -- with this insightful history from an award-winning author. In *Mortal Republic*, prize-winning historian Edward J. Watts offers a new history of the fall of the Roman Republic that explains why Rome exchanged freedom for autocracy. For centuries, even as Rome grew into the Mediterranean's premier military and political power, its governing institutions, parliamentary rules, and political customs successfully fostered negotiation and compromise. By the 130s BC, however, Rome's leaders increasingly used these same tools to cynically pursue individual gain and obstruct their opponents. As the center decayed and dysfunction grew, arguments between politicians gave way to political violence in the streets. The stage was set for destructive civil wars -- and ultimately the imperial reign of Augustus. The death of

Rome's Republic was not inevitable. In *Mortal Republic*, Watts shows it died because it was allowed to, from thousands of small wounds inflicted by Romans who assumed that it would last forever.

Readers of detective stories are turning more toward historical crime fiction to learn both what everyday life was like in past societies and how society coped with those who broke the laws and restrictions of the times. The crime fiction treated here ranges from ancient Egypt through classical Greece and Rome; from medieval and renaissance China and Europe through nineteenth-century England and America. Topics include: Ellis Peter's *Brother Cadfael*; Umberto Eco's *Name of the Rose*; Susanna Gregory's *Doctor Matthew Bartholomew*; Peter Heck's *Mark Twain as detective*; Anne Perry and her Victorian-era world; Caleb Carr's works; and Elizabeth Peter's Egyptologist-adventurer tales.

'Then fall, Caesar!' -- Talking tyrannicide -- Caesar's murdered heirs -- Aftershocks.

The Necklace Amberley Publishing Limited

On a chill January evening in 56 B.C., two strange visitors to Rome--an Egyptian ambassador and a eunuch priest--seek out Gordianus the Finder whose specialty is solving murders.

But the ambassador, a philosopher named Dio, has come to ask for something Gordianus cannot give--help in staying alive. Before the night is out, he will be murdered. Now Gordianus begins his most dangerous case. Hired to investigate Dio's death by a beautiful woman with a scandalous reputation, he will follow a trail of political intrigue into the highest circles of power and the city's most hidden arenas of debauchery. There Gordianus will learn nothing is as it seems--not the damning evidence he uncovers, not the suspect he sends to trial, not even the real truth behind Dio's death which lies in secrets--not of state, but of the heart.

Cassette Books University of Chicago Press

In 88 B.C., it seems as if the entire ancient world is at war. In the west, the Italian states are rebelling against Rome; in the east, Mithridates is marching through and conquering the Roman Asian provinces. Even in the relatively calm Alexandria, a coup has brought a new Pharaoh to power and chaos to the streets. The young Gordianus has been waiting out the chaos in Alexandria, with Bethesda, when he gets

a cryptic message from his former tutor and friend, Antipater. Now in Ephesus, as part of Mithridates' entourage, Antipater seems to think that his life is in imminent danger. To rescue him, Gordianus concocts a daring, even foolhardy, scheme to go "behind enemy lines" and bring Antipater to safety. But there are powerful, and deadly forces, at work here, which have their own plans for Gordianus. Not entirely sure whether he's a player or a pawn, Gordianus must unravel the mystery behind the message if he's to save himself and the people he holds most dear.

The Venus Throw Libraries Unltd Incorporated

Spanning a thousand years, and following the shifting fortunes of two families through the ages, this is the epic saga of Rome, the city and its people. Weaving history, legend, and new archaeological discoveries into a spellbinding narrative, critically acclaimed novelist Steven Saylor gives new life to the drama of the city's first thousand years — from the founding of the city by the ill-fated twins Romulus and Remus, through Rome's astonishing ascent to become the capitol of the most powerful empire in history. Roma recounts the tragedy of the hero-traitor Coriolanus, the capture of the city by the Gauls, the invasion of Hannibal, the bitter political

struggles of the patricians and plebeians, and the ultimate death of Rome's republic with the triumph, and assassination, of Julius Caesar. Witnessing this history, and sometimes playing key roles, are the descendants of two of Rome's first families, the Potitius and Pinarius clans: One is the confidant of Romulus. One is born a slave and tempts a Vestal virgin to break her vows. One becomes a mass murderer. And one becomes the heir of Julius Caesar. Linking the generations is a mysterious talisman as ancient as the city itself. Epic in every sense of the word, Roma is a panoramic historical saga and Saylor's finest achievement to date.

Arms of Nemesis A Murder on the Appian Way

Catullus tells the story of the poet Gaius Valerius Catullus and his awe-inspiring poetry, set against the background of years of unrest, violence and death in ancient Rome.
