A Natural History Of Love

Written nearly two decades ago, A Natural History Of Love (public library) by prolific science historian Diane Ackerman, Carl Sagan’s favorite cosmic poet, endures as one of the most dimensional explorations of humanity’s highest emotion. Ackerman begins with a meditation on love’s many faces, inescapable power, and ineffable nature:

With her poet's ear for sentences and a teaching tone, she brings science to the pleasure readers. In a Natural History of Love, she leads the reader through the science of love without diminishing love to mere science—quite the feat. The book is anecdotes and research, poetry and history, facts and feelings.

?A Natural History of Love on Apple Books

In "A Natural History of Love" the author invites us to learn more about ourselves and our loved ones, as well as customs (such as the wedding shower), and the etymology of taken-for-granted vocabulary (for instance, "tying the knot"). Accept her offer as a Valentine.

A Natural History of Love by Diane Ackerman: 9780679761839 ...

About A Natural History of Love. The bestselling author of A Natural History of the Senses now explores the allure of adultery, the appeal of aphrodisiacs, and the cult of the kiss. Enchantingly written and stunningly informed, this "audaciously brilliant romp through the world of romantic love" (Washington Post Book World) is the next best thing to love itself.

Late Migrations | Milkweed Editions

"When I set a glass prism on a windowsill and allow the sun to flood through it, a spectrum of colors dances on the floor. What we call "white" is a rainbow of colored rays packed into a small space. The prism sets them free. Love is the white light of emotion." ? Diane Ackerman, A Natural History of Love

Margaret Renkl Margaret Renkl is the author of Late Migrations: A Natural History of Love and Loss. She is a contributing opinion writer for the New York Times, where her essays appear weekly. Her work has also appeared in Guernica, Literary Hub, Proximity, and River Teeth, among others.
