A Natural History of Love Quotes by Diane Ackerman

With her poet's ear for sentences and a teaching tone, she brings science to the pleasure readers. In a Natural History of Love, she leads the reader through the science of love without diminishing love to mere science—quite the feat. The book is anecdotes and research, poetry and history, facts and feelings.

Late Migrations | Milkweed Editions

"When I set a glass prism on a windowsill and allow the sun to flood through it, a spectrum of colors dances on the floor. What we call "white" is a rainbow of colored rays packed into a small space. The prism sets them free. Love is the white light of emotion." ? Diane Ackerman, A Natural History of Love
