OUP Oxford

This book is in the field of trans-cultural psychology, and is intended for college courses in

anthropology and psychology, and general readership. the book focuses on intriguing facts about primitive cultures around the world, and provides insights into living traditions and different world views. a principal theme of the book is that we can gain a better understanding of ourselves by a "detour" to other cultures. the book shows how modern ways of thinking are parallel to those of primitive cultures, and engages readers to become more aware of who they are. As shown throughout the book, there is not, after all, a very wide gulf between primitive and modern cultures. the book covers many topics including animism, shamanism, totemism, hunting and cultivation rituals,

altered states of consciousness, envy and the evil eye, how people deal with conflicts, potlatches, cargo cults, how people satisfy the need for social approval, culture-bound syndromes, folk medicine, treatment of women, raising of children, nomadic peoples, treatment of the dead, and other topics.

A Modern Witch

*The Primitive Mind
and Modern Man*

Simon and Schuster

Plain Kate lives in a world of superstitions and

curses, where a song can heal a wound and a shadow can work deep magic. As the wood-carver's daughter, Kate held a carving knife before a spoon, and her wooden charms are so fine that some even call her "witch-blade" -- a dangerous nickname in a town where witches are hunted and burned in the square.

The Way We Weren't

Bloomsbury Children's Books
This book was written to be used in concert with whatever pagan tradition you are currently involved in. There are at least three levels to it: part one will help you strengthen the foundations of your spiritual practice, part two will ensure that you are sound in body, mind, emotion, sex, and spirit, and have developed will and ethics, and part three will lead you further into connection with your Godhood. . . The tools used to do this are breath work, dream work, pendulum work, aura reading, tarot, meditation,

spells, and others. The goal of the book is to help guide you through the stages of personal consciousness that will then enable you to step into inclusive consciousness—a consciousness that encompasses the personal, political, environmental, social, mental, and transpersonal. [It is this] inclusive consciousness [that] enables us to reach the limitless, the divine, Goddess or God.

A Reckless Witch Penguin Mass Market

An award-winning literary author enters the world of magical realism with her

World Fantasy Award-winning novel of a remarkable woman in post-apocalyptic Africa. Now optioned as a TV series for HBO, with executive producer George R.R. Martin!

The Friday Night Knitting Club Wide Eyed Editions

One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher.

Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy. Sanapia University of Chicago Press Life histories are an excellent means of crosscultural understanding. In detailing the life of a Comanche medicine woman who wanted her methods recorded, Jones demonstrated such an intense interest in her

training and experiences as a shaman that Sanapia not only accepted him as a valued biographer but also adopted him as a son. Readers will enjoy this intimate portrait of the last surviving Comanche Eagle doctor, revealed in descriptive accounts of her ritual behavior, her attitude toward the profession, the paraphernalia she employed, and her function in Comanche society. The Magic of Shapeshifting Hampton Roads Publishing

"Nell Sullivan is fiery, ... easily distracted by cookies, and doomed to wear the peach monstrosity at her best friend's wedding. And she's a witch. Daniel Walker is a former baseball player turned bored hacker looking for a challenge. Hacking Nell's online gaming world is going to get him a lot more than he bargained for. A prophecy says they will make babies together -- but when it comes to the love life of a modern witch and a hacker, prophecy might not get a vote." --Back cover. Edgewood Harper Collins THIS work contains a collection of the customs,

usages, and ceremonies current among gypsies, as regards fortune-telling, witch-doctoring, love-philtering, and other sorcery, illustrated by many anecdotes and instances, taken either from works as yet very little known to the English reader or from personal experiences. Within a very few years, since Ethnology and Archæology have received a great inspiration, and much enlarged their scope through Folk-lore,

everything relating to such subjects is studied with far greater interest and to much greater profit than was the case when they were cultivated in a languid, half-believing, half-sceptical spirit which was in reality rather one of mere romance than reason.

Juniper Vintage
The Hugo and Nebula Award-winning novel from the New York Times–bestselling author of *The King’s Daughter*. On an Earth scarred by nuclear

war, Snake harnesses the power of venom to cure illnesses and vaccinate against disease. The healer can even ease patients into death with the power of her dreamsnake. But she is not respected and trusted by all, and when she tries to help a sick nomad child, the frightened clan kills her dreamsnake. Ashamed of being misjudged and grieving the loss of her dreamsnake, Snake has one choice to maintain her livelihood: she must travel to the city, which jealously guards its knowledge. And

before she faces the prejudices and arrogance of the people there, Snake must make her way across a barren desert, surviving storms and radiation poisoning, helping those she can—all while a madman stalks her every move . . . “[Dreamsnake] is filled with scenes as suspenseful as anyone could wish . . . but most of all it addresses the humanity in all of us.” —The Seattle Times “A haunting, rich, and tender novel that explores the human side of science fiction in a manner that’s all too uncommon.”

—Robert Silverberg “A splendid tale, combining the sensitivity and attention to mood of the new generation of SF writers with a gripping and well-worked-out adventure . . . The novel is rich in character, background and incident—unusually absorbing and moving.” —Publishers Weekly “Instead of kicking butt, the lead character is dedicated to saving lives. . . Snake’s blighted world is expertly drawn, and her encounters with dysfunctional societies can be bracing and challenging

reading.” —The Guardian “This is an exciting future-dream with real characters, a believable mythos and, what’s more important, an excellent, readable story.” —Frank Herbert, author of the Dune series
To Have and to Code (a Witch Central Romance)
Springer
An in-depth investigation of traditional European folk medicine and the healing arts of witches • Explores the outlawed “alternative” medicine of witches suppressed by

the state and the Church and how these plants can be used today • Reveals that female shamanic medicine can be found in cultures all over the world • Illustrated with color and black-and-white art reproductions dating back to the 16th century Witch medicine is wild medicine. It does more than make one healthy, it creates lust and knowledge, ecstasy and mythological insight. In Witchcraft Medicine the authors take the reader on a journey that examines

the women who mix the potions and become the healers; the legacy of Hecate; the demonization of nature's healing powers and sensuousness; the sorceress as shaman; and the plants associated with witches and devils. They explore important seasonal festivals and the plants associated with them, such as wolf's claw and calendula as herbs of the solstice and alder as an herb of the time of the dead--Samhain or

Halloween. They also look at the history of forbidden medicine from the Inquisition to current drug laws, with an eye toward how the sacred plants of our forebears can be used once again.

SHAPESHIFTERS are

people with animal medicine, people who can connect with and use their animal powers. Those with access to this magical power can shift mentally, astrally, or even physically into their power animal or

totem. Rosalyn Greene's ability to shift, both mentally and astrally, combined with her extensive study of the secret shapeshifting folklore, has resulted in this fascinating examination of all aspects and forms of shifting. This unique book helps you realize your potential for being a shapeshifter, giving detailed explanations about how the various forms of shifting occur. She shows you how to distinguish powerful visions, anxiety attacks, and imagination from real shifting, as well as how to

recognize the warning signs of an imminent shift. Since there can be dangers and risks on both the mundane and psychic levels when you pursue the path of a shifter, many of the potential dangers associated with specific practices are carefully outlined. Shapeshifting is a spiritual journey, a very tough one, but very rewarding, linking us with both the fundamental power of animals and with the higher self. It has a purpose and reality far beyond simply using shifter abilities for earthly benefits;

it can lead us through the unseen veil that separates us from our Selves. Plain Kate HMH Books For Young Readers "With great power comes great responsibility. So says the tradition of witching. One teenage witch missed that lesson... As a child, Sierra Brighton traveled the world. She swam with the baby whales, danced in storm funnels, and lived in complete magical freedom. And then Momma died and Sierra ended up in foster care, an unhappy and very secret witch. Fetched by Nell's spell, she'll no longer need to do magic on lonely beaches - but

can Sierra learn to use her power safely? Or will her reckless blood put Witch Central at risk?" --Back cover. Gypsy Witchcraft BoD – Books on Demand "Edgewood has everything I love in a Kristen Ciccarelli book: lyrical prose, a romance that will hurt, and themes rooted in raw and intimate questions, making for a timeless tale." - Joan He, New York Times bestselling author of *The Ones We're Meant to Find* Can love survive the

dark? No matter how far she runs, the forest of Edgewood always comes for Emeline Lark. The scent of damp earth curls into her nose when she sings and moss creeps across the stage. It's as if the woods of her childhood, shrouded in folklore and tall tales, are trying to reclaim her. But Emeline has no patience for silly superstitions. When her grandfather disappears, leaving only a mysterious orb in his wake, the stories Emeline

has always scoffed at suddenly seem less foolish. She enters the forest she has spent years trying to escape, only to have Hawthorne Fell, a handsome and brooding tithe collector, try to dissuade her from searching. Refusing to be deterred, Emeline finds herself drawn to the court of the fabled Wood King himself. She makes a deal—her voice for her grandfather's freedom. Little does she know, she's stumbled into the

middle of a curse much bigger than herself, one that threatens the existence of this eerie world she's trapped in, along with the devastating boy who feels so familiar. With the help of Hawthorne—an enemy turned reluctant ally who she grows closer to each day—Emeline sets out to not only save her grandfather's life, but to right past wrongs, and in the process, discover her true voice. Haunting and romantic, Kristen

Ciccarelli's *Edgewood* is an exciting novel from a bold, unforgettable voice in fantasy. "Darkly gorgeous and moving, *Edgewood* is full of curses and fae magic that will capture your heart and wrap it in thorns before setting you free again, forever changed. I devoured *Edgewood* whole and couldn't put it down." - Evelyn Skye, New York Times bestselling author of *The Crown's Game*, *Witchcraft and Demonology* and *Hungary* and

Transylvania Wednesday Books
Explore the mystical history of witches throughout time and all over the world. Discover the symbols of witchcraft, reveal the magic of crystals and become familiar with the spellbinding lore of the witch. Since ancient times, magic and witchcraft have inspired both fear and fascination. More recently, witchcraft has become a popular symbol for feminist empowerment. Everything a young witch needs to know is contained in *Secrets of*

the Witch. Uncover the meaning and history behind magical tools and symbols such as cauldrons and pentagrams, find out the truths of the Salem Witch Trials and learn about witches in popular culture, from the ancient figure of Circe to Hermione Granger. [The Glass Castle](#) 47North One of America's leading anthropologists offers solutions to the perplexing question of why people behave the way they do. Why do Hindus worship cows? Why do Jews and Moslems refuse to eat pork? Why did so many people in post-medieval

Europe believe in witches? Marvin Harris answers these and other perplexing questions about human behavior, showing that no matter how bizarre a people's behavior may seem, it always stems from identifiable and intelligible sources.

THE #1 NEW YORK TIMES BESTSELLER Once a week, an eclectic group of women comes together at a New York City yarn shop to work on their latest projects—and share the stories of their lives... At the center of Walker and Daughter is the shop's owner, Georgia, who is overwhelmed with juggling the store and single-handedly raising her teenage daughter. Happy to escape the demands of her life, she looks forward to her Friday Night Knitting Club, where she and her friends—Anita, Peri, Darwin, Lucie, and KC—exchange knitting tips, jokes, and their deepest

secrets. But when the man who once broke Georgia's heart suddenly shows up, demanding a role in their daughter's life, her world is shattered. Luckily, Georgia's friends are there for encouragement, sharing their own tales of intimacy, heartbreak, and miracle-making. And when the unthinkable happens, these women will discover that what they've created isn't just a knitting club: it's a sisterhood.
