'De Bernieres is a singular, cherishable voice' Mail on Sunday
From the master of historical fiction, this book follows an unforgettable family after the Second World War. Some bonds are hard to break... Daniel Pitt was an RAF fighter in the First World War and an espionage agent for the SOE in the Second. Now the conflicts he faces are closer to home. Daniel's marriage has fractured beyond repair and Daniel's relationship with his son, Bertie, has been a failure since Bertie was a small boy. But after his brother Archie's death, Daniel is

keen for new perspectives. He first travels to Peshawar to bury Archie in the place he loved best, and then finds himself in Canada, avoiding his family and friends back in England. Daniel and Bertie's different experiences of war, although devastating, also bring with them the opportunity for the two to reconnect. If only they can find a way to move on from the past... Prizing Debate transcript Verlag The story of the legend of Red Dog, the most famous red Kelpie in Western Australia. Red Dog is a West Australian, a

lovable friendly red kelpie who found widespread fame as a result of his habit of travelling all over Western Australia, hitching rides over thousands of kilometres, settling in places for months at a time and adopting new families before heading off again to the next destination and another family - sometimes returning to say hello years later. While visiting Australia, Louis de Bernieres heard the legend of Red Dog and decided to do some research on this extraordinary story. After travelling to Western Australia

and meeting countless people who'd known and loved Red Dog, Louis decided to spread Red Dog's fame a little further. The result is an utterly charming tale of an amazing dog with places to go and people to see. Red Dog will delight readers and animal lovers of all ages. This book inspired the film, Red Dog, which has gone on to become one of Australia's highest grossing films of the past few decades. The Book of Job Vintage Canada Of Love and Desire is a rich collection of

love poems from Louis de Bernières, written over a lifetime, and capturing its many forms – from rapture, infatuation, urgency, to sorrow, heartache and disillusion. Poetry was de Bernières' first and greatest literary love, a passion evident in the musicality and emotion of his poems, which are full of stories and the truth of lived experience. This, his

second collection, bears the mark of many influences, from the classical Persian poets, to Neruda, to Quintus Smyrnaeus, to Brian Patten. It is,

as it always has been, a place of pubs and cricket pitches, where local eccentrics—a retired colonel who has eschewed clothes, a spiritualist living with the ghost of her husband, and a dog named Archibald Scott-Moncrieff—almost fit in. In this delightfully evocative collection of stories, in which a young couple falls in and out of love by letter alone, an eleven-year-old boy battles a monstrous fish, and a man of the cloth has a

Prominent Families of New York Vintage "Sentimental, heartfelt....the exploration of Henry's changing relationship with his family and with Keiko will keep most readers turning pages...A timely sweeping debut that not only reminds readers of a shameful episode in American history, but cautions us to examine the present and take heed we don't repeat those injustices."-- Kirkus Reviews "A tender and satisfying novel set in a time and a place lost forever, Hotel on the Corner of Bitter and Sweet gives us a glimpse of the damage that is caused by war--not the damage of the battlefield, but the cold, cruel damage to the hearts and humanity of individual people. Especially relevant in today's world, this is a beautifully written book that will make you think. And, more importantly, it will make you feel." -- Garth Stein, New York Times bestselling author of The Art of Racing in the Rain "Jamie Ford's first

novel explores the age-old conflicts between father and son, the beauty and sadness of what happened to Japanese Americans in the Seattle area during World War II, and the depths and longing of deep-heart love. An impressive, bitter, and sweet debut.” -- Lisa See, bestselling author of *Snow Flower and the Secret Fan* In the opening pages of *Jamie Ford*’s stunning debut novel, *Hotel on the Corner of Bitter and Sweet*, Henry Lee comes upon a crowd gathered outside the Panama Hotel, once the gateway to Seattle ’s Japantown. It has been boarded up for decades, but now the new owner has made an incredible discovery: the belongings of Japanese families, left when they were rounded up and sent to internment camps during World War II. As Henry looks on, the owner opens a Japanese parasol. This simple act takes old Henry Lee back to the 1940s, at the height of the war, when young Henry ’s world is a jumble of confusion and excitement, and to his father, who is obsessed with the war in China and having Henry grow up American. she does not love the man she is to marry there —her fiancé Edward, whom she has not seen for five years. Isolated and estranged in a small town in the harsh Karoo desert, her only real companions are her diary and her housemaid, and later the housemaid's daughter, Ada. When Ada is born, Cathleen recognizes in her someone she can love and respond to in a way that she cannot with her own family. Under Cathleen's

tutelage, Ada grows into an accomplished pianist and a reader who cannot resist turning the pages of the diary, discovering the secrets Cathleen sought to hide. As they grow closer, Ada sees new possibilities in front of her—a new horizon. But in one night, everything changes, and Cathleen comes home from a trip to find that Ada has disappeared, scorned by her own community. Cathleen must make a choice: should she conform to

society, or search for the girl who has become closer to her than her own daughter? Set against the backdrop of a beautiful, yet divided land, *The Housemaid's Daughter* is a startling and thought-provoking novel that intricately portrays the drama and heartbreak of two women who rise above cruelty to find love, hope, and redemption. This book offers a study of the literary marketplace in the early 2000s. Focusing on the Man Booker Prize and its impact on a novel's media attention, Anna Auguscik analyses the mechanisms by which the Prize both recognises books that trigger debates and itself becomes the object of such debates. Based on case studies of six novels (by Aravind Adiga, Margaret Atwood, Sebastian Barry, Mark Haddon, DBC Pierre,

Zadie Smith) and their attention profiles, this work describes the Booker as a 'problem-driven attention-generating mechanism', the influence of which can only be understood in relation to other participants in literary interaction. Imagining Alexandria Springer Nature From USA TODAY Bestselling author, Kathryn Gauci, comes a powerful and unforgettable portrayal of the hardships of war combined with the darker forces of village life. 'I saw him everywhere: in the brightest star, in the birds that came to my window - he was there. After a love like that, you can endure

anything life throws at you.' Set on a Greek island in the Aegean during the German Occupation of Greece, The Blue Dolphin reads like a Greek tragedy. Rich with loyalties and betrayals, it is a harrowing, yet ultimately uplifting story of endurance and love. 1944 Greece: After Nefeli loses her husband during the Italian invasion of Greece in 1940, she ekes out a meager living from her Blue Dolphin taverna with the help of her eight-year-old daughter, Georgia, their small garden, and Agamemnon the

mule. Four of Nefeli's close friends, who belong to the Greek Resistance, ask her to hide a cache of weapons, placing her in mortal danger from the enemy. When the Resistance blows up a German naval vessel filled with troops, three of them are killed, and the Germans start to make regular visits to the island. With the loss of her friends, Nefeli's dire circumstances force her to accept a marriage proposal arranged by the village-matchmakers, but what happens next throws everyone on the island into turmoil

and changes the course of Nefeli's and Georgia's lives forever. Extravagant, inventive, and emotionally sweeping, this is a novel that lovers of Nikos Kazantzakis, Louis de Bernieres and Victoria Hislop will not want to miss. [The Soviet Partisan Movement, 1941-1944](#) Penguin New York Times Bestseller For those who could read between the lines, the censored news out of China was terrifying. But the president

insisted there was nothing to worry about. Fortunately, we are still a nation of skeptics. Fortunately, there are those among us who study pandemics and are willing to look unflinchingly at worst-case scenarios. Michael Lewis 's taut and brilliant nonfiction thriller pits a band of medical visionaries against the wall of ignorance that was the official response of the Trump administration to the outbreak of COVID-19. The characters you

will meet in these pages are as fascinating as they are unexpected. A thirteen-year-old girl's science project on transmission of an airborne pathogen develops into a very grown-up model of disease control. A local public-health officer uses her worm's-eye view to see what the CDC misses, and reveals great truths about American society. A secret team of dissenting doctors, nicknamed the Wolverines, has everything

necessary to fight the pandemic: brilliant backgrounds, world-class labs, prior experience with the pandemic scares of bird flu and swine flu...everything, that is, except official permission to implement their work. Michael Lewis is not shy about calling these people heroes for their refusal to follow directives that they know to be based on misinformation and bad science. Even the internet, as crucial as it is to

their exchange of ideas, poses a risk to them. They never know for sure who else might be listening in. Bestsellers Center Point Pub 25TH ANNIVERSARY EDITION - WITH A NEW INTRODUCTION BY THE AUTHOR 'A true diamond of a novel, glinting with comedy and tragedy' Daily Mail It is 1941 and Captain Antonio Corelli, a young Italian officer, is posted to the Greek island of Cephallonia as part of the occupying forces. At first he is ostracised by the

locals but over time he proves himself to be civilised, humorous – and a consummate musician. When Pelagia, the local doctor's daughter, finds her letters to her fiancé go unanswered, Antonio and Pelagia draw close and the working of the eternal triangle seems inevitable. But can this fragile love survive as a war of bestial savagery gets closer and the lines are drawn between invader and defender? A beautiful collection of poems from bestselling author Louis de Bernières. From the very start of his writing career Louis de Bernières has loved poetry. Here the author of the much-loved Captain Corelli's Mandolin returns to this first love with his third collection. The

Cat in the Treble Clef focuses on family and the connections we make, and break, with other people. There are moving poems to and about his family: his great grandmother, his mother and father and his children. There are poems about places near and far, about the passing of time, music and about love in its various forms. In this collection, de Bernières shares his passion with his readers, in a beautifully illustrated gift edition.
