No one likes to eat alone; to approach a table filled with people, only to be told that despite the open chairs there isn't room for you. The rejection stings. It leaves a mark. Yet this is exactly what the church has been saying to far too many people for far too long: "You're not welcome here. Find someplace else to sit." How can we extend unconditional welcome and acceptance in a world increasingly marked by bigotry, fear, and exclusion? Pastor John Pavlovitz invites readers to join him on the journey to find "or build" a church that is big enough for everyone. He speaks clearly into the heart of the issues the Christian community has been earnestly wrestling with: LGBT inclusion, gender equality, racial tensions, and global concerns. *A Bigger Table: Building Messy, Authentic, Hopeful Spiritual Community* asks if organized Christianity can find a new way of faithfully continuing the work Jesus began two thousand years ago, where everyone gets a seat. Pavlovitz shares moving personal stories and his careful observations as a pastor to set the table for a new, more loving conversation on these and other important matters of faith. He invites us to build the bigger table Jesus imagined, practicing radical hospitality, total authenticity, messy diversity, and agenda-free community.

In this debut memoir, a James Beard Award-winning writer, whose childhood idea of fine dining was Howard Johnson's, tells how he became one of Paris's most influential food critics Until Alec Loblano landed a job in the glamorous Paris office of Women's Wear Daily, his main experience of French cuisine was the occasional supermarket éclair. An interview with the owner of a renowned cheese shop for his first article nearly proves a disaster because he speaks no French. As he goes on to cover celebrities and couturiers and improves his mastery of the language, he gradually learns what it means to be truly French. He attends a cocktail party with Yves St. Laurent and has dinner with Giorgio Armani. Over a superb lunch, it's his landlady who ultimately provides him with a lasting touchstone for how to judge food: "you must understand the intentions of the cook." At the city's brasseries and bistros, he discovers real French cooking. Through a series of vivid encounters with culinary figures from Paul Bocuse to Julia Child to Ruth Reichl, Loblano hones his palate and finds his voice. Soon the timid boy from Connecticut is at the epicenter of the Parisian dining revolution and the restaurant critic of one of the largest newspapers in the France. A mouthwatering testament to the healing power of food, *My Place at the Table* is a moving coming-of-age story of how a gay man emerges from a wounding childhood, discovers himself, and finds love. Published here for the first time is Loblano's "little black book," an insider's guide to his thirty all-time-favorite Paris restaurants.

From the legendary editor who helped shape modern cookbook publishing—one of the food world's most admired figures—comes this evocative and inspiring memoir. Living in Paris after World War II, Jones broke free of bland American food and reveled in everyday French culinary delights. On returning to the States she published Julia Child's *Mastering the Art of French Cooking*. The rest is publishing and gastronomic history. A new world now opened up to Jones as she discovered, with her husband Evan, the delights of American food, publishing some of the premier culinary luminaries of the twentieth century: from Julia Child, James Beard, and M.F.K. Fisher to Claudia Roden, Edna Lewis, and Lidia Bastianich. Here also are fifty of Jones's favorite recipes collected over a lifetime of cooking—each with its own story and special tips. *The Tenth Muse* is an absolutely

charming memoir by a woman who was present at the creation of the American food revolution and played a pivotal role in shaping it.

It's one thing to say that we believe in justice for all, but quite another to actively seek social justice for the poor in our midst. After extensive research, the author is convinced that a huge gap exists between talking about justice and actually doing justice for the poor. She believes that achieving justice for all requires a deep and broad approach that involves the integration of Catholic social teaching with Scripture and Tradition so that charity and justice actually become social justice. Only when people—every race, nationality, class, and religion—are educated for justice, built on respect for the person and the responsibility of individuals and the community, will we in the U.S. be able to cut through the rhetoric of blame and move toward solidarity.

This book delivers another critical tool for connecting with decision-makers to make more and bigger sales. The book offers a new sales approach: stop selling and start helping customers win, win bigger, and win more often. Customers only care about one thing: value. And the only proven way to increase sales productivity is to deliver new and different forms of value. Salespeople must become experts in their customers' businesses and help them generate better results. Readers will learn that evolving from "salespeople" to "businesspeople who sell" will earn them a seat at the table -- the place reserved for those select people who guide the strategic direction of an enterprise. The book gives practical advice on how to better connect with executives and decision makers. When they can do this, salespeople will be in a position to create demand for their products and services, protect their core business, and close more sales.

Multiculturalism in the United States is commonly lauded as a positive social ideal celebrating the diversity of our nation. But, in reality, immigrants often feel pressured to create a singular formulation of their identity that does not reflect the diversity of cultures that exist in their homeland. Hindu Americans have faced this challenge over the last fifteen years, as the number of Indians that have immigrated to this country has more than doubled. In *A Place at the Multicultural Table*, Prema A. Kurien shows how various Hindu American organizations--religious, cultural, and political--are attempting to answer the puzzling questions of identity outside their homeland. Drawing on the experiences of both immigrant and American-born Hindu Americans, Kurien demonstrates how religious ideas and practices are being imported, exported, and reshaped in the process. The result of this transnational movement is an American Hinduism--an organized, politicized, and standardized version of that which is found in India. This first in-depth look at Hinduism in the United States and the Hindu Indian American community helps readers to understand the private devotions, practices, and beliefs of Hindu Indian Americans as well as their political mobilization and activism. It explains the differences between immigrant and American-born Hindu Americans, how both understand their religion and their identity, and it emphasizes the importance of the social and cultural context of the United States in influencing the development of an American Hinduism.

The startling and ultimately uplifting narrative of one woman's thirteen-year experience as a foster parent. For more than a decade, Kathy Harrison has sheltered a shifting cast of troubled youngsters-

the offspring of prostitutes and addicts; the sons and daughters of abusers; and teenage parents who aren't equipped for parenthood. All this, in addition to raising her three biological sons and two adopted daughters. What would motivate someone to give herself over to constant, largely uncompensated chaos? For Harrison, the answer is easy. Another *Place at the Table* is the story of life at our social services' front lines, centered on three children who, when they come together in Harrison's home, nearly destroy it. It is the frank first-person story of a woman whose compassionate best intentions for a child are sometimes all that stand between violence and redemption.

"Raised in the Catholic Church, William Elliott had his faith shattered at the age of twelve when both his parents died. Many years later, he embarked on a journey to find answers to the questions that continued to haunt him: What is the purpose of life? Does God exist? What happens after death?" *A Place at the Table* is an account of Elliott's latest pilgrimage, and like its predecessor, it is a magical blend of humor and idealism. Triggered by the memory of praying for his dying mother beneath an ornately framed painting of *The Last Supper* in their living room, Elliott set out to discover the role Jesus plays in people's lives. Over the course of several years, he interviewed such spiritual teachers and icons as Deepak Chopra, Neale Donald Walsch, Marianne Williamson, and Billy Graham. He went to Jerusalem to walk in the footsteps of Jesus, and even conceived of a bold (if ultimately unsuccessful) plan to meet with Pope John Paul II in Rome. Each encounter illuminates another facet of Jesus' teachings, but it is Elliott's wry and sincere commentary on his own spiritual journey that reveals the most insight."--BOOK JACKET. But the past isn't so easily buried, as Daniella and Eve discover when their daughters are endangered by secrets meant to stay hidden. Don't Give the Enemy a Seat at Your Table Atria Books

From the award-winning author of *A Soft Place to Land* and *A Place at the Table* comes a tale of three vibrant and unique Southern women—Louise, Caroline, and Missy—as their lives intersect in unexpected and extraordinary ways. From the outside, Louise Parker seems like a proper Southern matron. But inside, Louise seethes. She's thwarted by her seemingly perfect husband, frustrated with her talented but rebellious daughter, scarred by her philandering father, and exasperated by her unstable mother. Louise simply doesn't know how to stop playing the role she's been starring in for her entire life. A gifted actress, Louise's daughter Caroline can make any character seem real when she takes the stage. But Caroline is lost when it comes to relationships, especially when dealing with her mother. When Caroline's young, handsome drama teacher seduces her, she can't resist. But her forbidden affair will lead Caroline to a different kind of stage, with a new audience. Missy loves Jesus nearly as much as she misses her father, a part-time minister who deserted his

family when Missy was three. She accompanies her mother to work as a maid at the Parker residence, for two reasons: to help her mother to clean the house and to save the Parkers' irreverent son Charles. By turns hilarious and poignant, this is a richly compelling debut novel of family, friendship, and folly.

We Are All Good People Here Aladdin

But on a vacation alone, the couple perishes in a flight over the Grand Canyon. After the funeral, their daughters, Ruthie and Julia, are shocked by the provisions in their will...not the least of which is that they are to be separated. Spanning nearly two decades, the sisters' journeys take them from their familiar home in Atlanta to sophisticated bohemian San Francisco, a mountain town in Virginia, the campus of Berkeley, and lofts in Williamsburg, Brooklyn. As they heal from loss, search for love, and begin careers, their sisterhood, once an oasis, becomes complicated by resentment, anger, and jealousy. It seems as though the echoes of their parents' deaths will never stop reverberating—until another shocking accident changes everything once again.
