As he and his friends meet unexpected tragedy and lose a member of their close-knit group, Thor and his remaining friends become closer than they ever were, learning that they must face and overcome adversity together. Their journey takes them to new and exotic terrains, including the desolate Salt Fields, the Great Tunnel, and the Mountains of Fire, as they face a host of unexpected monsters at every turn. Thor s

OF BROTHERS, Thorgrin and his brothers emerge from the land of the dead, more driven than ever to find Guwayne, and set sail across a hostile sea, leading them to places beyond their wildest dreams. As they come ever-closer to finding Guwayne, they also encounter obstacles unlike ever before, obstacles which will test them to their very limits, which will call on all their training and force them to stand together as one, as brothers. Darius stands up to the Empire, boldly freeing one slave village after the next, amassing an army, as others rally to his cause. Facing off against fortified cities, against an army a thousand times his size, he summons all of his instincts and courage, determined to survive, determined to win, to strive for freedom at any cost, even at the cost of his life. Great Waste, deeper into the Empire than anyone has ever journeyed, on a quest to find the legendary Second Ring—the last hope for the survival of her people, and the last hope for Darius. Yet along the way she will encounter horrific monsters, worse landscapes, and an insurrection from amidst her own people that even she may not be able to stop. Erec and Alistair sail for the Empire to save their people, and along the way stop at hidden islands, determined to raise an army—even if it means dealing with mercenaries of questionable reputation. Godfrey finds himself deep inside the city of Volusia and deep in trouble as his plan goes from bad to worse. Imprisoned, set to be executed, finally, even he can see no way out. Volusia forges a pact with the darkest of sorcerers, and driven to even greater heights, she continues her ascent, conquering all who stand in her way. More powerful than ever, she will take her war all the way to the steps of the Empire Capital—until she is up against the entire Empire army, an army that dwarfs even her own, setting the stage for an epic battle. Mattos A VOW OF GLORY is book #5 in the Bestselling series THE SORCERER'S RING, which begins with A QUEST OF HEROES, a #1 Bestseller with over 300 five star reviews--now a FREE download! In A VOW OF GLORY, Thor embarks with his Legion friends on an epic quest into the vast wilds of the Empire to try to find the ancient Destiny Sword and save the Ring. Thor's friendships deepen, as they journey to new places, face unexpected monsters and fight side by side in unimaginable battle. They encounter exotic lands, creatures and peoples beyond which they could have ever imagined, each step of their journey fraught

with increasing danger. They will have to summon all their skills if they are to survive as they follow the trail of the thieves, deeper and deeper into the Empire. Their quest will bring them all the way into the heart of the Underworld, one of the seven realms of hell, where the undead rule and fields are lined with bones. As Thor must summon his powers, more than ever, he struggles to understand the nature of who he is. Back in the Ring, Gwendolyn must lead half of King's Court to the Western stronghold of Silesia, an ancient city perched on the edge of the Canyon that has stood for one thousand years. Silesia's fortifications have allowed it to survive every attack throughout every century but it has never been faced with an assault by a leader like Andronicus, by an

army like his million men. Gwendolyn learns what it means to be queen as she takes on a leadership role, Srog, Kolk, Brom, Steffen, Kendrick and Godfrey by her side, preparing to defend the city for the massive war to come. Meanwhile, Gareth is descending deeper into madness, trying to fend off a coup that would have him assassinated in King's Court, while Erec fights for his life to save his love, Alistair and the Duke's city of Savaria as the downed shield enables the wild creatures to invade. And Godfrey, wallowing in drink, will have to decide if he is ready to cast off his past and become the man his family expects him to be. As they all fight for their lives and as things seem as if they can't get any worse, the story ends with two shocking twists. Will Gwendolyn survive the assault? Will Thor survive the Empire? Will the Destiny Sword be found? With its sophisticated world-building and characterization, *A VOW OF GLORY* is an epic tale of friends and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations, of coming of age, of broken hearts, of deception, ambition and betrayal. It is a tale of honor and courage, of fate and destiny, of sorcery. It is a fantasy that brings us into a world we will never forget, and which will appeal to all ages and genders. It is 75,000 words. Grabbed my attention from the beginning and did not let go. This story is an amazing adventure that is fast paced and action packed from the very beginning. There is not a dull moment to be found.
