Scandal in Spring
Bantam
For no gentleman is this more true than Charles Morwellan, the eighth Earl of

Meredith. Although he's seen the many successful unions of his Cynster connections, he has also watched his father's obsessions nearly destroy their family and fortune, a mistake Charles will not repeat. But as Lord Meredith he must marry, so he offers for Sarah, the daughter of his neighbors Lord and Lady Conningham. She's intelligent enough to run his social life, beautiful enough to grace his arm, and old enough to know the value of his offer. For most young ladies of the ton, the right marriage is the culmination of years of training, perfect deportment, and intricate plans that would impress a general. But as a lady

of independent means with a life of her own, Sarah is unwilling to wed unless it is for unbounded love. But Charles always gets what he wants. He convinces Sarah to give him two weeks to win her; if he succeeds, they will marry immediately. And so begins an intense courtship. By day, Charles and Sarah are models of decorum indulging in innocuous walks, polite conversation, sedate waltzes. Each night they steal away to the lush, moonlit gardens, where sensual embraces turn to searing kisses, and much, much more. Both are swept away on a tide of passion and feeling neither can resist. And yet, after the wedding, despite nights of insatiable passion,

Charles remains aloof, as if the near-sinful sweetness of their nights exists only in a dream. Sarah battles to prove that true love is a force that can't be contained, a gift worth fighting for, but it's only when she's engulfed in a web of increasingly dangerous incidents that Charles discovers how much he's willing to surrender to protect . . . the taste of innocence.

West of Bliss
Harper Collins
Amanda Quick's bestselling trademark is a combination of suspense and passion in historical tales alight with sparkling wit and brimming with dangerous intrigue. Now she serves up the most tantalizing novel of her career as an enterprising woman allies herself with a mysterious spy, only to be caught in a seething brew of treachery — and temptation....
From the moment

he burst into her antiquities shop in Rome, Lavinia Lake knew the stranger was nothing but trouble. He said he was in pursuit of a killer. He swore he was only trying to save her. Yet no matter what he claimed, Lavinia was convinced that Mr. Tobias March was bent instead on destroying her. And when the self-described spy hustled her and her niece out of the shop and back to England, Lavinia could only hope that one day she would find a way to repay Mr. March in full.

But Lavinia never imagined the shocking circumstances under which they would meet again ... or that soon he would become more deadly — and more compelling — with each passing day. In the business of making private inquiries, Tobias March had been hired to trade down a powerful villain who even now was intent on assuming control of a vast criminal organization. Yet in his search he had found nothing but one dead end — and one dead body — after

another. And then, just as his investigation was heating up once more, he found his mission and his life complicated by the most ungovernable, unpredictable, exasperating woman he had ever met. Faced with a tangled web of deceit and danger, Tobias had no choice but to form a partnership with Lavinia, a lady whose past could only be described as slightly shady. Yet when he persuaded her to become his associate, neither Tobias nor Lavinia

realized that their heated disputes would spark a sizzling desire — or that the deeper they kept digging for the truth, the deeper they were digging their own graves....
