My Reading Journey: a Reading Log | a Journal for Book Lovers to Record Book Notes and Reviews | a 100-Book Reading Diary for Bibliophiles International Reading Assoc.
When students say that reading is boring, difficult, overwhelming, or they cannot find a good book, it is almost impossible to sell them on the idea that reading is fun and worthwhile. Sometimes Reading is Hard shows teachers how to develop the skills students need to be successful and how to cultivate passionate, lifelong readers. An intriguing look at the science of reading, the book helps teachers understand the foundations upon which language and reading are learned so they can make their own good decisions about programs, resources, strategies, and activities. Classroom vignettes, promising practices, and step-by-step activities illustrate how teachers can weave teaching the skills of decoding, vocabulary, comprehension, and fluency with real reasons to read. This hands-on teacher resource shows what a comprehensive, research-based reading program looks like in action.

In Passionate Learners: How to Engage and Empower Your Students, author Pernille Ripp challenges both novice and seasoned teachers to create a positive, interactive learning environment where students drive their own academic achievement. You ’ ll discover how to make fundamental changes to your classroom so learning becomes an exciting challenge rather than a frustrating ordeal. Based on the author ’ s personal experience of transforming her approach to teaching, this book outlines how to:

- Build a working relationship with your students based on mutual trust, respect, and appreciation
- Be attentive to your students ’ needs and share ownership of the classroom with them
- Break out of the vicious cycle of punishment and reward to control student behaviour
- Use innovative and creative lesson plans to get your students to become more engaged and intellectually-invested learners, while still meeting your state standards
- Limit homework and abandon traditional grading so that your students can make the most of their learning experiences without unnecessary stress
- And much more!

New to the second edition, you ’ ll find practical tools, such as teacher and student reflection sheets, parent questionnaires, and parent conference tools, available in the book and as eResources on our website (<http://www.routledge.com/9781138916920>) to help you build your own classroom of passionate learners. In *The Demise of the Library School*, Richard J. Cox places the present and future of professional education for librarianship in the debate on the modern corporate university. The book is a series of meditations on critical themes relating to the education of librarians, archivists, and other information professionals, playing off of other commentators analyzing the nature of higher education and its problems and promises.

Details: **OPTIMAL GIFT IDEA** Whether you love reading books as a hobby, you blog about books or you are a professional reviewer, with "A Book Lover's Journal" you can take your reading adventure to the next level. It also makes a great gift for relatives, and friends. **SPACIOUS BOOK RECORD PAGES** 120 pages for specific book information provide plenty of room to record details of your fiction or non-fiction work. Under the book title you can record also information about series, author, genre, year, pages, rating, date read, memorable quotes including page number, space for special vocabulary, personal notes, and take away ideas. This also helps when you decide to write a proper review and want to accurately talk about how you felt about it. You won't have to flip through the book for every single thing you want to remember for the review. At the bottom of the book detail page you can mark where you have reviewed the book (Amazon, Goodreads, Librarything or other) and also rate the book.

CREATIVE & LOVELY Structured book information meets creative design: Art Nouveau typography and design elements on the "William Morris" cover enrich the journal book. Over 30 inspirational quotes about books and reading further enhance the user experience. Special feature: Attractive dedication page included (ideal for gift giving or sharing) **CLEAR & CONCISE** Clear structure and easy orientation thanks to a table of contents in the beginning and individually designed index pages. This allows you to access your book information at lightning speed and you'll always find what you are looking for. **LIFELONG LEARNING** Motivational checklists will challenge you to read 26 or (for the more ambitious) 52 books in a year. Expand your reading life with optional mini challenges which will help to build internal motivation, confidence, and willpower. An incredibly powerful tool that allows you to constantly keep learning about topics that interest you. **BOOKS YOU WANT TO READ NEXT** Your go-to resource to plan and jot down titles you want to consume next and taking notes! With this "Never Ending Reading List" keeping track of your future book adventures was never easier. Of course, you can do this online as well, but it's nice to have a paperback if you can't get online. **BOOKS YOU HAVE READ AT A GLANCE** In this section you can easily memorialize the books and their authors you have read (but not reviewed in detail) and never forget about them. **YOUR FAVORITE AUTHORS** Finally, a place to list your favorite authors whose books you can absolutely not wait to read. **BOOKS BOUGHT, BORROWED, LENT, AND GIVEN** Record book title/author and mark in a checklist if and when you have it borrowed, lent, or given. **PICK UP YOUR JOURNAL NOW!**
