A Novel Farrar, Straus and Giroux

Enjoying an active but lonely rural life, 70-year-old Percy haplessly allows a progressive preschool to move into his barn and transform his quiet home into a lively, youthful community that compels him to reexamine the choices he made in the decades after his wife's death. Reprint.

What Girls Learn Penguin

A fresh, funny, and wisely observed debut novel about marriage—about the love, longing and ambivalence exposed when a husband takes the baby on a highly unusual outing When Veronica Reed wakes up one frigid January morning, two things are "off"—first of all, she has had a good night's sleep, which hasn't happened in months, and second, both her husband and her baby are gone. Grateful for the much-needed rest, Veronica doesn't, at first, seriously question her husband's trip out to breakfast with baby Clara. Little does she know, her spouse has fled lower Manhattan, with Clara, for some R&R in the Caribbean. Told through alternating points of view, *The Sunshine When She's Gone* explores the life-changing impact of parenthood on a couple as individuals and as partners. Thea Goodman brings us into intimacies made tense by sleep-deprivation and to losses and gains made more real by acknowledging them. Here is the story of a couple pushed to the edge and a desperate father's attempt give them both space to breathe.

Who Will Run the Frog Hospital? Penguin

A Vintage Shorts "Short Story Month" Selection The acclaimed author gives us a mesmerizing story of a family built, not by blood, but by second and third marriages and the relationships children have to "step" fathers, mothers and siblings long after their own parents have left them behind. When Julie, an actress in her forties, receives a phone call from her one-time stepfather's newest family asking her to come to see him once more before he dies, she agrees to make the trip. An ebook short.

The Widower's Tale Macmillan

Amy Tan says of Bharati Mukherjee's previous novel *The Holder of the World*, 'An amazing literary feat and a masterpiece of storytelling'. Desirable Daughters maintains the strong literary muscle and the tenderness of narrative that we now expect from this prizewinning author.

A Novel J Gordon Shillingford Pub Incorporated

Anywhere But Here and *The Lost Father* have established Mona Simpson as one of our most accomplished writers. In her new novel—the portrait of a legendary, quintessentially American entrepreneur trapped by the age he helped to define—she brilliantly extends her achievement. More powerfully than ever before, Simpson uncovers the nature of longing and belonging, of blood relations and the human heart.

Off Keck Road Anchor

In her highly acclaimed first novel, *Anywhere But Here*, Simpson created one of the most astute yet vulnerable heroines in contemporary fiction. Now Mayan Atassi—once Mayan Stevenson—returns in an immensely powerful novel about love and lovelessness, fathers and fatherlessness, and the loyalties that shape us even when they threaten to destroy us. Now a woman of twenty-eight and finally on her own in medical school, Mayan becomes obsessed with the father she never knew, leading her to hire detectives to dredge up the past, thus eroding her savings, ruining her career, and flirting with madness in a search spanning two continents. "Ratifies the achievement of *Anywhere But Here*, attesting to its author's...dazzling literary gift and uncommon emotional wisdom." --New York Times "A breathtaking piece of fiction; Simpson is a writer who can break our heart and mend it in the same sentence." --Cleveland Plain Dealer

--Cleveland Plain Dealer

52 Personal Stories by Child Survivors of the Holocaust Ballantine Books

Collects *X-Men: Evolution* (2001) #1-9. Celebrate twenty years of EVOLUTION with the complete comic book adventures of the Bayville squad! Twenty years ago, the animated series X-MEN: EVOLUTION reinvented the Children of the Atom for a whole new generation — recasting many of Marvel's merry mutants as teenagers who attend Bayville High School at the same time as training to protect a world that hates and fears them! With Professor X, Wolverine, Storm and Beast for teachers, Cyclops, Jean Grey, Nightcrawler, Rogue and Kitty Pryde are joined by new sensation Spyke — but will the toad-like Todd Tolanski make the grade? Will Fred Dukes be the big man on campus? And is a mystery mastermind pulling everyone's strings? The X-Men meet their match in the Mimic — and make way for new recruits including Iceman, Cannonball, Sunspot, Wolfsbane, Multiple Man and Boom-Boom!

Joy School marciano guerrero

"[E]xpect to find insights that make you stop, go back and read again.... Take it from us: You don't know what's coming in the last third of this book, and you will be astounded." —O, the Oprah Magazine A beautifully wrought story of an ad hoc family and the crisis they must overcome together. Edith is a widowed landlady who rents apartments in her Brooklyn brownstone to an unlikely collection of humans, all deeply in need of shelter. Crippled in various ways—in spirit, in mind, in body, in heart—the renters struggle to navigate daily existence, and soon come to realize that Edith's deteriorating mind, and the menacing presence of her estranged, unscrupulous son, Owen, is the greatest challenge they must confront together. Faced with eviction by Owen and his designs on the building, the tenants—Paulie, an unusually disabled man and his burdened sister, Claudia; Edward, a misanthropic stand-up comic; Adeleine, a beautiful agoraphobe; Thomas, a young artist recovering from a stroke—must find in one another what the world has not yet offered or has taken from them: family, respite, security, worth, love. The threat to their home scatters them far from where they've begun, to an ascetic commune in Northern California, the motel rooms of depressed middle America, and a stunning natural phenomenon in Tennessee, endangering their lives and their visions of themselves along the way. With humanity, humor, grace, and striking prose, Kathleen Alcott portrays these unforgettable characters in their search for connection, for a life worth living, for home.

The Sunshine When She's Gone Marvel Entertainment

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission

has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Steve Jobs Vintage

In this flawless novella, Mona Simpson turns her powers of observation toward characters who, unlike Ann and Adele August in her bestselling *Anywhere but Here*, choose to stay rather than go. As a high school student in Green Bay, Bea Maxwell raised money for good causes; later, she became a successful real estate agent and an accomplished knitter. The one thing missing from her life is a romantic relationship. She soon settles comfortably into the role of stylish spinster and do-gooder. Woven into Bea's story are stories of other lifelong residents of Green Bay and the changes time brings to a town and its residents. This pure and simple work once again proves Mona Simpson one of the defining writers of her generation.

City Vintage

Jamesland, the buoyant second novel by Michelle Huneven, critically acclaimed author of *Round Rock*, is a witty, sophisticated, and deeply humane comedy of unlikely redemption. When thirty-three-year-old Alice Black discovers a deer in her dining room after fighting with her boyfriend, she wonders if she's going crazy. Pete Ross, forty-six, knows he's crazy. He's wrecked his marriage, slashed his wrists, and done time in a psychiatric institution, and now he's being cared for by his mother, who's a nun. Forty-five-year-old Helen Harland, a spirited Unitarian Universalist minister, is being driven crazy by her hostile church administration. Living in Los Feliz, California, the three meet at Helen's Wednesday midweek services. Though initially incompatible, the sheer force of Helen's idiosyncratic ministering (her "variety show of religious experience")—paired with Alice's illustrious ancestor William James—proves to be a catalyst for friendship and a kind of transcendence. Generous and compassionate, Michelle Huneven delivers a joyful new novel about love, faith, and a few wayward souls waiting for life to begin.

Washington Square Vintage

Struggling with her television writer husband's long hours and her own lack of childcare experience, composer and new mother Claire hires Lola, a Filipina mother of five who becomes devoted to her employers.

Enormous Changes at the Last Minute Anchor Books

NATIONAL BESTSELLER • From the bestselling, National Book Award-winning author of *Three Junes* comes a tender, riveting book of two sisters and their complicated relationship. Louisa Jardine is the older one, the conscientious student, precise and careful: the one who yearns for a good marriage, an artistic career, a family. Clem, the archetypal youngest, is the rebel: committed to her work saving animals, but not to the men who fall for her. In this vivid, heartrending story of what we can and cannot do for those we love, the sisters grow closer as they move further apart. All told with sensual detail and deft characterization, *I See You Everywhere* is a candid story of life and death, companionship and sorrow, and the nature of sisterhood itself.

A Memoir of My Life with Steve Jobs Farrar Straus and Giroux

A Regular GuyVintage

Harlem Duet ABDO

Revealing the real Steve Jobs, the mother of his first child paints an intimate portrait of an idealistic young man who was driven to change the world, who denied his own child and who mistook power for love. 100,000 first printing.

A Regular Guy Grand Central Pub

"Ridiculously good" (The New York Times) author Thomas Pierce's debut novel is a funny, poignant love story that answers the question: What happens after we die? (Lots of stuff, it turns out). Jim Byrd died. Technically. For a few minutes. The diagnosis: heart attack at age thirty. Revived with no memory of any tunnels, lights, or angels, Jim wonders what—if anything—awaits us on the other side. Then a ghost shows up. Maybe. Jim and his new wife, Annie, find themselves tangling with holograms, psychics, messages from the beyond, and a machine that connects the living and the dead. As Jim and Annie journey through history and fumble through faith, they confront the specter of loss that looms for anyone who dares to fall in love. Funny, fiercely original, and gracefully moving, *The Afterlives* will haunt you. In a good way.

The Orchard A Regular Guy

radiant debut novel, *What Girls Learn* takes readers on an intimate and haunting journey into the landscape of girlhood and the complex terrain of the family. Wise, bittersweet, and above all intensely human, this astonishingly powerful novel enchants readers with its humor and insight even as it breaks their hearts.
