For fans of Sarah Dessen and Mary H.K. Choi, this lyrical and emotionally driven novel follows Alina, a young aspiring dancer who suffers a devastating injury and must face a world without ballet—as well as the darker side of her former dream. Alina Keeler was destined to dance, but then a terrifying fall shatters her leg—and her dreams of a professional ballet career along with it. After a summer healing (translation: eating vast amounts of Cool Ranch Doritos and binging ballet videos on YouTube), she is forced to trade her pre-professional dance classes for normal high school, where she reluctantly joins the school musical. However, rehearsals offer more than she expected—namely Jude, her annoyingly attractive castmate she just might be falling for. But to move forward, Alina must make peace with her past and face the racism she experienced in the dance industry. She wonders what it means to yearn for ballet—something so beautiful, yet so broken. And as broken as she feels, can she ever open her heart to someone else? Touching, romantic, and peppered with humor, this debut novel explores the tenuousness of perfectionism, the possibilities of change, and the importance of raising your voice.

The Moon and More Penguin

In the tradition of Sarah Dessen, this powerful debut novel is a compelling portrait of a young girl coping with her mother 's cancer as she figures out how to learn from—and fix—her past mistakes. Few things come as naturally to Harper as epic mistakes. In the past year she was kicked off the swim team, earned a reputation as Carson High 's easiest hook-up, and officially became the black sheep of her family. But her worst mistake was destroying her relationship with her best friend, Declan. Now, after two semesters of silence, Declan is home from boarding school for the summer. Everything about him is different—he 's taller, stronger . . . more handsome. Harper has changed, too, especially in the wake of her mom 's cancer diagnosis. While Declan wants nothing to do with Harper, he 's still Declan, her Declan, and the only person she wants to talk to about what 's really going on. But he 's also the one person she 's lost the right to seek comfort from. As their mutual friends and shared histories draw them together again, Harper and Declan must decide which parts of their past are still salvageable and which parts they 'll have to let go of once and for all. In this honest and affecting tale of friendship and first love, Emily Martin brings to vivid life the trials and struggles of high school and the ability to learn from past mistakes over the course of one steamy North Carolina summer.
