Before the shooting, she believed that her black belt made her stronger than everyone else—more responsible, more capable. But now that her sense of self has been challenged, she must rebuild her life, a process that includes redefining her relationship with her family and navigating first love with the boy who was at the diner with her during the shoot-out. With action, romance, and a complex heroine, *Bruised* introduces a vibrant new voice to the young adult world—full of dark humor and hard truths. Praise for *Bruised* STARRED REVIEW "Offering psychological drama and an introduction to martial-arts code of behavior, the book has a meaningful message about power, control, and the internal bruises carried by victims." —Publishers Weekly, starred review "Her story is compelling, and readers will stick with her as new insights bring about a believable shift in her behavior...This distinctive debut will be appreciated by fans of contemporary fiction." —Kirkus Reviews "This layered first novel explores the aftereffects of the trauma, convincingly depicting why Imogen blames herself for a situation over which she had no control. Skilton also sensitively depicts the bond and tentative romance that develops between Imogen and Ricky. The main story line about Imogen's struggle to come to terms with what she did (and did not do) is nuanced and honest." —Horn Book "This is a useful exploration of the difference between fantasy-style omnipotence and the complexity of real-life human strength." —Bulletin of the Center for Children's Books "Skilton does a fine job capturing how a psychological process after trauma can take time and might manifest in unique, sometimes unexpected, ways." —VOYA Magazine "Poignant and emotionally raw at times and humorous at others, this debut novel adeptly portrays a shattered life in the wake of an unexpected act of violence and the road back to normalcy." —School Library Journal "Here is a writer to watch who handles complex issues with sensitivity in the vein of Deb Caletti and Sarah Dessen." —Booklist

*Saint Anything* Penguin

Shaun of the Dead meets *Dumplin'* in this biting funny YA thriller about a kickass group of teens battling a ravenous group of zombies. In the next few hours, one of three things will happen. 1--We'll be rescued (unlikely) 2--We'll freeze to death (maybe) 3--We'll be eaten by thin and athletic zombies (odds: excellent) Vivian Ellenshaw is fat, but she knows she doesn't need to lose weight, so she's none too happy to find herself forced into a weight-loss camp's van with her ex-best friend, Allie, a meathead jock who can barely drive, and the camp owner's snobby son. And when they arrive at Camp Featherlite at the start of the worst blizzard in the history of Flagstaff, Arizona, it's clear that something isn't right. Vee barely has a chance to meet the other members of her pod, all who seem as unhappy to be at Featherlite as she does, when a camper goes missing down by the lake. Then she spots something horrifying outside in the snow. Something...that isn't human. Plus, the camp's supposed "miracle cure" for obesity just seems fishy, and Vee and her fellow campers know they don't need to be cured. Of anything. Even worse, it's not long before Camp Featherlite's luxurious bungalows are totally overrun with zombies. What starts out as a mission to unravel the camp's secrets turns into a desperate fight for survival--and not all of the Featherlite campers will make it out alive. A satirical blend of horror, body positivity, and humor, Kelly deVos's witty, biting novel proves that everyone deserves to feel validated, and taking down the evil enterprise

determined to dehumanize you is a good place to start.
