The first novel in the thrilling series featuring Wyoming game warden Joe Pickett from #1 New York Times bestselling author C. J. Box. Joe Pickett is the new game warden in Twelve Sleep, Wyoming, a town where nearly

everyone hunts and the game warden—especially one like Joe who won't take bribes or look the other way—is far from popular.

When he finds a local hunting outfitter dead, splayed out on the woodpile behind his state-owned home, he takes it personally.

There had to be a reason that the outfitter, with whom he's had run-ins before, chose his backyard, his woodpile to die in. Even after the "outfitter murders," as they have been dubbed by the local press after the discovery of the two more bodies, are solved, Joe continues to investigate, uneasy with the easy explanation offered by the local police. As Joe digs deeper into the murders, he soon discovers that the outfitter brought more than death to his backdoor: he brought Joe an endangered species, thought to be extinct, which is now living in his woodpile. But if word of the existence of this endangered species gets out, it will destroy any chance of InterWest, a multi-national natural gas company, building an oil pipeline that would

bring the company billions of dollars across Wyoming, through the mountains and forests of Twelve Sleep. The closer Joe comes to the truth behind the outfitter murders, the endangered species and InterWest, the closer he comes to losing everything he holds dear.

Recovering from his harrowing experiences in Mexico, Sheriff Walt Longmire returns to Absaroka County, Wyoming, to lick his wounds and try once again to maintain justice in a place with grudges that go back generations. When a shepherd is found dead, Longmire suspects it could be suicide. But the shepherd's

connection to the Extepares, a powerful family of Basque ranchers with a history of violence, leads the sheriff into an intricate investigation of a possible murder. As Walt searches for information about the shepherd, he comes across strange carvings on trees, as well as play money coupons from inside Mallo Cup candies, which he interprets as messages from his spiritual guide, Virgil White Buffalo.

Longmire doesn't know how these little blue cards are appearing, but Virgil usually reaches out if a child is in danger. So when a young boy with ties to the Extepare clan arrives in town, the stakes grow even higher. Even more complicating, a renegade wolf has been haunting the Bighorn Mountains, and the townspeople are out for blood.
