of Longmire adventures

Craig Johnson's The Highwayman and An Obvious Fact are now available from Viking. Ten years ago, Craig Johnson wrote his first short story, the Hillerman Award – winning “ Old Indian Trick. ” This was one of the earliest appearances of the sheriff who would go on to star in Johnson ’ s bestselling, award-winning novels and the hit

television series Longmire, now streaming on Netflix. Each Christmas Eve thereafter, fans rejoiced when Johnson sent out a new short story featuring an episode in Walt ' s life that doesn ' t appear in the novels; over the years, many have asked why they can ' t buy the stories in book form. *Wait for Signs* gives Longmire fans a chance to own these beloved stories—and one that was published for the first time in the Viking edition—in a single volume. With glimpses of Walt ' s past from the incident in “ Ministerial Aide, ” when the sheriff is mistaken for a deity, to the hilarious “ Messenger, ” where the majority of the action takes place in a Porta-Potty, *Wait for Signs* is a necessary addition to any Longmire fan ' s shelf and a wonderful way to introduce

new readers to the fictional world of Absaroka County, Wyoming.

It's homecoming for the Durant Dogies when Cord Lyneer, a Mormon "lost boy" forced off his compound for rebellious behavior, shows up in Absaroka County. Without much guidance, divine or otherwise, Sheriff Walt Longmire, Victoria Moretti, and Henry Standing Bear search for the boy's mother and find themselves on a high-plains scavenger hunt that ends at the barbed-wire doorstep of an interstate polygamy group. Run by four-hundred-pound Roy Lyneer, Cord's father, the group

is frighteningly well armed and very good at keeping secrets. Walt's got Cord locked up for his own good, but the Absaroka County jailhouse is getting crowded since the arrival of the boy's self-appointed bodyguard, a dangerously spry old man who claims to be blessed by Joseph Smith himself. As Walt, Vic, and Henry butt heads with the Lynears, they hear whispers of Big Oil and the CIA and fear they might be dealing with a lot more than they bargained for.

The thirteenth novel in Craig Johnson's beloved New York Times bestselling Longmire series, the basis for the hit

Netflix series
Longmire Sheriff Walt Longmire is enjoying a celebratory beer after a weapons certification at the Wyoming Law Enforcement Academy when a younger sheriff confronts him with a photograph of twenty-five armed men standing in front of a Challenger steam locomotive. It takes him back to when, fresh from the battlefields of Vietnam, then-deputy Walt accompanied his mentor Lucian to the annual Wyoming Sheriff's Association junket held on the excursion train known as the Western Star, which ran the length of Wyoming from Cheyenne to Evanston and back. Armed with

his trusty Colt .45 and a paperback of Agatha Christie's *Murder on the Orient Express*, the young Walt was ill-prepared for the machinations of twenty-four veteran sheriffs, let alone the cavalcade of curious characters that accompanied them. The photograph--along with an upcoming parole hearing for one of the most dangerous men Walt has encountered in a lifetime of law enforcement--hurtles the sheriff into a head-on collision of past and present, placing him and everyone he cares about squarely on the tracks of runaway revenge.

Walt journeys into the northern Mexican desert alone to save his daughter Cady, who has been kidnapped by the cartel
Welcome to Walt Longmire's worst nightmare. Winter is creeping closer, but for Sheriff Longmire this one is looking to be harsh in a way to which he is wholly unaccustomed. He has found himself in the remotest parts of the northern Mexican desert, a lawless place where no horse or car can travel, where no one speaks his language or trusts an outsider, far from

his friends and his home turf back in Wyoming. But desperate times call for desperate measures. Tomas Bidarte, the head of one of the most vicious drug cartels in Mexico, has kidnapped Walt's beloved daughter, Cady. The American government is of limited help and the Mexican one even less so. Armed with his trusty Colt .45 and a father's intuition, Walt must head into the 110-degree heat of the desert, one man against an army.

It's holiday season in Absaroka County and Sheriff Walt Longmire gets personal in this delightful collection of four short stories from New York Times–bestselling author Craig Johnson.

Full of Longmire's dry wit and good heart, Christmas in Absaroka County is a holiday must-have for every Longmire and Craig Johnson fan, and it also includes the first chapter of *The Cold Dish*, the first novel in the Longmire Mystery Series. Readers glimpse a softer side of Sheriff Walt Longmire as he grapples with the death of his wife, Martha, and his sometimes turbulent but ever-loving relationship with his daughter, Cady. In these four stories—"Ministerial Aid," "Slick-Tongued Devil," "Toys for Tots," and "Unbalanced" (three of which have been sent to Johnson's fans over the years in the author's "Post-it" e-mails)—Walt is

alternately at his best and his worst. He helps a somewhat delusional elderly victim of domestic abuse while sporting a bathrobe and a mean hangover on New Year's Day. He's sidelined by grief when his wife's obituary reappears in the paper and there's an unexpected knock on his door two days before Christmas. He strives to help even those who don't want it when he picks up a young female hitchhiker, and he's forced into some last-minute Christmas shopping by the Greatest Legal Mind of Our Time, during which he might just end up saving a young Navy chaplain's Christmas.
