The startling true history of how one extraordinary man from a remote corner of the world created an empire that led the world into the modern age—by the author featured in Echoes of the Empire: Beyond Genghis Khan. The Mongol army led by Genghis Khan subjugated more lands and people in twenty-five years than the Romans did in four hundred. In nearly every country the Mongols conquered, they brought an unprecedented rise in cultural

communication, expanded trade, and a blossoming of civilization. Vastly more progressive than his European or Asian counterparts, Genghis Khan abolished torture, granted universal religious freedom, and smashed feudal systems of aristocratic privilege. From the story of his rise through the tribal culture to the explosion of civilization that the Mongol Empire unleashed, this brilliant work of revisionist history is nothing less than the epic story of

how the modern world was made.

Urban Acupuncture
Delacorte Press
In this stylistically adventurous, brilliantly funny tour de force-the most highly acclaimed debut since Nathan Englander's- Aleksander Hemon writes of love and war, Sarajevo and America, with a skill and imagination that are breathtaking. A love affair is experienced in the blink of an eye as the Archduke Ferdinand

watches his wife succumb to an assassin's bullet. An exiled writer, working in a sandwich shop in Chicago, adjusts to the absurdities of his life. Love letters from war torn Sarajevo navigate the art of getting from point A to point B without being shot. With a surefooted sense of detail and life-saving humor, Aleksandar Hemon examines the overwhelming events of history and the effect they have on individual lives. These

heartrending stories bear the unmistakable mark of an important new international writer. The story of the former Polish-Jewish community (shtetl) of Luboml, Wo ł y , Poland. Its Jewish population

of some 4,000, dating back to the 14th century, was exterminated by the occupying German forces and local collaborators in October, 1942. Luboml was formerly known as Lyuboml, Volhynia, Russia and later Lyuboml, Volyns'ka, Ukraine. It was also know by its Yiddish name: Libivne.
[The Gender Game 5](#) W. W. Norton & Company
A routine trip to the doctor left seasoned traveller Ursula with a diagnosis of Stage 1A Ovarian Cancer. Determined not

to sink into self-pity, she continued her travels by walking between her Welsh home and hospital appointments in Bristol, leading to her decision to walk across Wales to publicise the need for early detection of the disease, which kills many patients due to ignorance of symptoms. Taking 17 months Ursula's story is one of determination, tears and laughter, joy and pain; a fascinating insight into one woman's journey

and also a country, its landscape and its people. Luboml Simon and Schuster In this captivating memoir, novelist Anne Roiphe shows us what it was really like to grow up rich and Jewish in New York in the 1940s and 1950s. Revisiting the world of her childhood, Roiphe brings alive a cast of characters who are both difficult to love and impossible to forget.

Through the eyes of this precocious, loving daughter, we witness the brutalities that lurked behind the mah-jongg tables, cocktail parties, and summer houses of her family. By turns heartbreaking, funny, and mercilessly honest, Roiphe's story exposes the fault lines of misery that exploded in domestic battles on the home front, far overshadowing the war

overseas. The locus of the story is 1185 Park Avenue. It is one of the buildings on the northern end of the avenue -- just before the train tracks mark the beginning of Harlem -- that wealthy Jewish families claimed as their own in the first half of the 20th century. Amidst the maids and the governesses and the doormen and the psychiatrists live the members of the

Roth family, in Apartment 8C. They include an unfaithful father who uses his wife's fortune to entertain other women and play cards at his club; a misfit son who won't eat his food because he believes his parents are trying to poison him; a disappointed mother who waits all day for her five o'clock scotch and her crossword puzzle; and an eager daughter who tries to

negotiate peace at the dinner table. Bound by custom and greed, as well as love, they stay together until their world at 1185 Park has done its damage. Only the daughter escapes whole -- to become the writer we now know as Anne Roiphe. 1185 Park Avenue is both a history of an era and a portrait of the artist as a young woman. Roiphe makes it impossible for us to view

the 1940s and 1950s with unabashed nostalgia or to think the same way about the people who were crushed by its lies and deceptions. Her redemption, though bittersweet, stands as a haunting triumph long after we have turned the last page of her compelling story.

Berghahn Books
When The
Unbearable
Lightness of
Being was first

published in English, it was hailed as "a work of the boldest mastery, originality, and richness" by critic Elizabeth Hardwick and named one of the best books of 1984 by the New York Times Book Review. It went on to win the Los Angeles Times Book Prize for Fiction and quickly became an international bestseller.

Twenty years later, the novel has established itself as a modern classic. To commemorate the anniversary

of its first English-language publication, HarperCollins is proud to offer a special hardcover edition. A young woman in love with a man torn between his love for her and his incorrigible womanizing; one of his mistresses and her humbly faithful lover -- these are the two couples whose story is told in this masterful novel. A Shade of Vampire 10 Crown THE SERIES WITH OVER A MILLION BOOKS SOLD ----- There is much about my past that I have never revealed to anyone. Nobody knows that, before I lost myself, I was a physician's apprentice. I have witnessed countless human illnesses. But I have lived for centuries and never come across a vampire being sick with

anything other than his own darkness. Until today. I'm staring at my blood on the floor and a raging migraine is taking hold of me. I'm not sure what to make of it... ----- Are you ready for the secrets of the monster with red eyes? 1185 Park Avenue A Shade of Vampire 60 The pulse-pounding second book in The Gender Game series. Gliding over the treacherous Green in a shaky aircraft that she has no

idea how to land, Violet Bates is still in shock. The harrowing events of the previous night play over in her mind as she asks herself question after question. Why did Lee Desmond Bertrand behave the way he did? What is the truth about the mysterious silver egg stowed beneath her seat? What happened to Viggo and where is her brother? Is either of them still alive?

When Violet manages to reach the toxic ground alive, she has landed in a world of unimaginable danger. She has barely time to catch her breath before she is sucked into a perilous journey at breakneck speed - to uncover secrets guarded for centuries and find the only two people that matter. BUY NOW

Amazon Overall Top 3 Best-Seller. #1 Best-Seller in Vampire Romance, Paranormal & Fantasy. On the evening of Sofia Claremont's seventeenth birthday, she is sucked into a nightmare from which she cannot wake. A quiet evening walk along a beach brings her face to face with a dangerous pale creature that craves much more than her blood. She is kidnapped to *The Shade*, an island where the sun is eternally forbidden to shine. An island uncharted by any map and ruled by the most powerful vampire coven on

the planet. She wakes here as a slave, a captive in chains. Sofia's life takes a thrilling and terrifying turn when she is selected out of hundreds of girls to take up residence in the tree-top harem of Derek Novak, the dark royal prince. Despite his addiction to power and obsessive thirst for her blood, Sofia soon realizes that the safest place on the island is within his quarters, and she must do all within her power to win him over if she is to survive even one more night. Will she succeed? Or is she destined to the same fate that all other girls

have met at the hands of the Novaks? "I challenge you to read this book and not love it." - Get Lost In Fiction. Note: Derek Novak and Sofia Claremont's story completes in Book 7 of the series: *A Break of Day*, and the characters embark on entirely new adventures from Book 8: *A Shade of Novak*. When the cold hand reaches southward, reaches with its frozen fingers, comes a child into the Northland, all the clans to bring together. The child is Ulla, a green-eyed girl from a hardscrabble village in Iron-Age Finland. Mauled by a bear, she is healed by the famous wizard Väinämöinen, but walks away with a striking scar that evokes an ancient prophecy. Hundreds of miles away, Prince Egan is thrust into

power when his father is killed by a horrific shade from Hell. The lives of the two young heroes intertwine as they battle Löhi, a powerful sorceress and the Far Northern Land's ancient enemy. For Egan, this means overcoming the skepticism of his own people and the hidden self-doubt that gnaws at him deep inside. Torn from everyone she ever knew, Ulla embarks on a desperate search for love and belonging, and takes the first steps to

becoming a wizard herself. THE MARK OF THE BEAR CLAN, Book I of the Far Northern Land Saga, goes where no epic fantasy series has ever gone before-Finnish mythology and the world of the Kalevala, where legendary heroes like the wizard Väinämöinen mix with original characters like Ulla and Egan to create a unique mosaic wholly new to fantasy literature. A Shade of Kiev 3 Island Press Praise for the

first edition of this book: This translation is something of an event. For the first time, it makes Zur Mühlen's text available to English-speaking readers in a reliable version. —David Midgley, University of Cambridge [This book] represents exceptional value, both as an enjoyable read and as an introduction to an attractive author who amply deserves rediscovery. —Ritchie

Robertson, Journal of European Studies, 42(1): 106-07. Born into a distinguished aristocratic family of the old Habsburg Empire, Hermynia Zur Mühlen spent much of her childhood and early youth travelling in Europe and North Africa with her diplomat father.
