[A Single Shard Summary | Study.com](#)

The boy is assaulted by burglars at the Rock of Falling Flowers, and the entireties of the pots are crushed, leaving him with only a single shard to show his lord's aptitude.

The single shard i believe is so important because ofthe shard Min got a comission. Tree-ear got to start trowning pots and he got a family. Ajima got someone to be her son and s odid Min so he wasn't so crabby and rude. Also i think the shard is there to hold the place of the second biggest thing in the story.
