Enjoy this FREE second chance romcom series starter by Kristeen Groth... My life needed a time-out. Or a do-over. After my dream of taking New York by storm as a fashion designer dramatically imploded in one fell swoop—culminating with a warm splat on my head—I realized if the city had no more love for me, I might as well go home. Returning to Moonlit Lake feeling like a failure was bad enough, but when I walked into the local bar, the first thing I saw was the love of my life, Rowan, whom I hadn't seen in fourteen years, on his knee proposing to someone else. Not exactly the welcome home I expected. Letting him go the first time was my biggest regret. One I never got over. I'd do whatever it took to get him back. Maybe opening a clothing boutique in town would show Rowan I was back to stay, and prove I wasn't a failure. Starting over in my hometown wouldn't be easy, but surely my luck was changing. When you've hit rock bottom and washed the pigeon poop out of your hair, things can only get better, right? Wrong! Hinted is a sweet, second chance, romantic comedy with small-town charm, a meddling matchmaker, swoony kisses, and a touch of mystery. All the fun and feels, without the spice or swears. For lovers of Emma St Clair, Jenny Proctor, and Sariah Wilson.

For a perfectly executed mystery a reader need go no further," People magazine said of John Wessel's first novel. Now readers can revel in the highly anticipated third novel from Wessel -- a heart-racing story of secrets and suspense featuring hard-luck ex-PI Harding and his stunning and fearless girlfriend, Alison, who are about to confront their past... When Alison's former lover is found murdered in a small lake town near Chicago, she and Harding shrug it off as an incidental tragedy. But the discovery of a suspect -- the runaway fiancé of Alison's best friend, Beth -- drunk and disoriented, in the very town where the body was found, seems more than coincidental. Harding can't shake the suspicion that Alison may know more than she's letting on. Harding's own brushes with the law have left him without a legitimate private investigator's license, but his fear that Alison may be in danger just as quickly ensures he's back in the game, implementing his unauthorized services -- a scenario that proves dangerous at best, impossible at worst. As the body count rises and the cadavers get closer and closer to home, the noose around Alison's past draws tight, and the stakes grow intensely personal for Harding. Even as he unearths a past for Alison he'd rather not see unburied, he knows he must beat back his jealousy and suspicions about his longtime lover in order to find a ruthless killer -- before the killer finds Alison.
