Fierce Marriage
Underlined
Ryan and Selena
Frederick were

newlyweds when they landed in Switzerland to pursue Selena's dream of training horses. Neither of them knew at the time that Ryan was living out a death sentence brought on by a worsening genetic heart defect. Soon it became clear he needed major surgery

that could either save his life--or result in his death on the operating table. The young couple prepared for the worst. When Ryan survived, they both realized that they still had a future together. But the near loss changed the way they saw all that would lie ahead. They would live and love fiercely, fighting for each other and for a Christ-centered marriage, every step of the way. Fierce Marriage is their story, but more than that, it is a call for married couples to put God first in their relationship, to measure everything they do and say to each other against what Christ did for them, and to see marriage not just as a relationship they should try to keep healthy but also as one worth fighting for in every situation. With the gospel as their foundation, Ryan and Selena offer hope and practical help for common struggles in marriage, including communication problems, sexual frustration, financial stress, family tension, screen-time disconnection, and unrealistic expectations.

A Kiss for Little Bear
Simon and Schuster
"My imagination is always skulking about in a wrong place." And now Doyle Redmond, thirty-five-year-old nowhere writer, has

crossed the line between imagination and real live trouble. On the lam in his soon-to-be ex-wife's Volvo, he's running a family errand back in his boyhood home of West Table, Missouri--the heart of the red-dirt Ozarks. The law wants his big brother, Smoke, on a felony warrant, and Doyle's supposed to talk him into giving up. But Smoke is hunkered down in the hills with his partner, Big Annie, and her nineteen-year-old daughter, Niagra, making other plans: they're about to harvest a profitable patch of homegrown marijuana. Doyle takes just one look at Niagra's flattering red boots before joining his brother's scheme. Of course it means dealing with the law and maybe worse--the Dollys. A legendary clan of largely criminal persuasion, the Dollys have been feuding with the Redmonds for

generations. Now they want a piece of Smoke's cash crop, even if it means killing to get it. Doyle is fast realizing that yes, you can always put the country back in the boy...but sometimes that's not smart.
