Sometimes that little voice in your head knows exactly what to ask. "You earn \$150,000 a year, so where the hell is your money going?" Or what about this little gem that pops up every so often when you catch up with the girls- "How can she afford that?" Or maybe you're in a relationship that you're desperate to leave but that voice always says- "You can't afford to." Maybe your biggest fear is retiring in a polyester outfit because you haven't saved enough to live the fashionista lifestyle you're accustomed to. This book is for every woman who unashamedly has that voice in her head. After 20 years on a brand like Money, I've come across just about every possible question. Hopefully you'll find the answers to some of your questions in here.

Sometimes when we worry about something, it feels like we're the only ones - and that makes us even more worried! But really, everyone worries about something from time to time. Sometimes the worries are about big things, like an argument with a friend, taking an important test, or having to perform in front of a crowd; and sometimes the worry is about smaller things like having a bad hair day or saying something embarrassing. But regardless of what the worry is about, it never feels fun to worry! This book will help you put a stop to worrying as soon as it starts. Take interesting quizzes to discover more about yourself and the
