INSTANT NEW YORK TIMES BESTSELLER! "If you liked *Where the Crawdads Sing*, you'll love *This Tender Land*... This story is as big-hearted as they come." —Parade The unforgettable story of four orphans who travel the Mississippi River on a life-changing odyssey during the Great Depression. In the summer of 1932, on the banks of Minnesota's Gilead River, Odie O'Banion is an orphan confined to the Lincoln Indian Training School, a pitiless place where his lively nature earns him the superintendent's wrath. Forced to flee after committing a terrible crime, he and his brother, Albert, their best friend, Mose, and a brokenhearted little girl named Emmy steal away in a canoe, heading for the mighty Mississippi and a place to call their own. Over the course of one summer, these four orphans journey into the unknown and cross paths with others who are adrift, from struggling farmers and traveling faith healers to displaced families and lost souls of all kinds. With the feel of a modern classic, *This Tender Land* is an enthralling, big-hearted epic that shows how the magnificent American landscape connects us all, haunts our dreams, and makes us whole.

"A delight to the senses." —Kirkus Reviews Perfect for fans of *The One and Only Ivan*, this exquisite middle grade novel from Newbery Honoree and National Book Award finalist Kathi Appelt follows a creaky old camel out to save two baby kestrel chicks during a massive storm in the Texas desert—filled with over a dozen illustrations by Caldecott winner Eric Rohmann. Zada is a camel with a treasure trove of stories to tell. She's won camel races for the royal Pasha of Smyrna, crossed treacherous oceans to new land, led army missions with her best camel friend by her side, and outsmarted a far too pompous mountain lion. But those stories were from before. Now, Zada wanders the desert as the last camel in Texas. She's not, however, alone. Two tiny kestrel chicks are nestled in the fluff of fur between her ears—kee-killy-keeing for their missing parents—and a dust storm the size of a mountain is taking Zada on one more grand adventure. And it could lead to this achy old camel's most brilliant story yet.

A mind-expanding, cheerfully dystopian new novel by Yoko Tawada, winner of the 2022 National Book Award Welcome to the not-too-distant future: Japan, having vanished from the face of the earth, is now remembered as "the land of sushi." Hiruko, its former citizen and a climate refugee herself, has a job teaching immigrant children in Denmark with her invented language Panska (Pan-Scandinavian): "homemade language. no country to stay in. three countries I experienced. insufficient space in brain. so made new language. homemade language." As she searches for anyone who can still speak her mother tongue, Hiruko soon makes new friends. Her troupe travels to France, encountering an umami cooking competition; a dead whale; an ultra-nationalist named Breivik; unrequited love; Kakuzo robots; red herrings; uranium; an Andalusian matador. Episodic and mesmerizing scenes flash vividly along, and soon they're all next off to Stockholm. With its intrepid band of companions, *Scattered All Over the Earth* (the first novel of a trilogy) may bring to mind Alice's *Adventures in Wonderland* or a surreal *Wind in the Willows*, but really is just another sui generis Yoko Tawada masterwork.

A Psalm for the Wild-Built Simon and Schuster

One of Brenda's readers compares her writing with what an encounter with the late Erma Bombeck and the Buddha may have been like? A Soft Place to Land is a light, humorous attempt to make the reader's life a little lighter, and with that, a joy of knowing that life doesn't have to be so hard. The message is to relax into the soft spot you create for yourself. Don't ever believe that your world is not all about you. If it's not all about you, there is nothing of you to share or give. When you are your own best friend and support, then and only then is there anything worth sharing with others. That being said, I will say that it isn't intended that we should become narcissistic. The fine balance is for you to determine. This piece of work was written for me, with the belief that we are all similar. Because of this, it might be beneficial to others. I write about how sticks and stones and hand grenades are not to be feared. I share a wonderful trip with my cousin who was almost blinded by sunscreen. I poke at May & December marriages, country music, senior sex, and my little brother's day of being Superman. Most everything is fair game in my writings. I wrote with the intent of sharing my guidance and beliefs that we are all looking for a soft place to land when times are challenging. This sacred place is found in many places and takes many forms. It is important in my thinking that we care for ourselves first, and because of that, we can benefit those around us. If we don't put our own needs first, we have nothing to give, and no one benefits. If we have created a reality that we have little value, we can change that perception because it is ours. I hope you enjoy the work as much as I did writing it.

From the author of *A Place at the Table* and *A Soft Place to Land*, an "intense, complex, and wholly immersive" (Joshilyn Jackson, *New York Times* bestselling author) multigenerational novel that explores the complex relationship between two very different women and the secrets they bequeath to their daughters. Eve Whalen, privileged child of an old-money Atlanta family, meets Daniella Gold in the fall of 1962, on their first day at Belmont College. Paired as roommates, the two become fast friends. Daniella, raised in Georgetown by a Jewish father and a Methodist mother, has always felt caught between two worlds. But at Belmont, her bond with Eve allows her to finally experience a sense of belonging. That is, until the girls' expanding awareness of the South's systematic injustice forces them to question everything they thought they knew about the world and their places in it. Eve veers toward radicalism—a choice pragmatic Daniella cannot fathom. After a tragedy, Eve returns to Daniella for help in beginning anew, hoping to shed her past. But the past isn't so easily buried, as Daniella and Eve discover when their daughters are endangered by secrets meant to stay hidden.

A Soft Place to Fall HarperCollins

From the award-winning author of *A Soft Place to Land* and *A Place at the Table* comes a tale of three vibrant and unique Southern women—Louise, Caroline, and Missy—as their lives intersect in unexpected and extraordinary ways. From the outside, Louise Parker seems like a proper Southern matron. But inside, Louise seethes. She's thwarted by her seemingly perfect husband, frustrated with her talented but rebellious daughter, scarred by her philandering father, and exasperated by her unstable mother. Louise simply doesn't know how to stop playing the role she's been starring in for her entire life. A gifted actress, Louise's daughter Caroline can make any character seem real when she takes the stage. But Caroline is lost when it comes to relationships, especially when dealing with her mother. When Caroline's young, handsome drama teacher seduces her, she can't resist. But her forbidden affair will lead Caroline to a different kind of stage, with a new audience. Missy loves Jesus nearly as much as she misses her father, a part-time minister who deserted his family when Missy was three. She accompanies her mother to work as a maid at the Parker residence, for two reasons: to help her mother to clean the house and to save the Parkers' irreverent son Charles. By turns hilarious and poignant, this is a richly compelling debut novel of family, friendship, and folly.
