Fiction Book Review: A Son of the Circus by John Irving ...

"A Son of the Circus(...) raises the question of the consequences when an author too forcefully reminds the reader of his narrative control. Irving makes his characters less involving because he overwhelms the illusion that they are free." - Paul Gray, Time [A Son of the Circus by John Irving | Audiobook | Audible.com](#) Set in contemporary India, John Irving ' s work of literary fiction A Son of the Circus (1994) follows Dr. Daruwalla, an orthopedic surgeon who travels back home to his native Bombay to study achondroplasia, a form of dwarfism. Dr.

The son of the circus from the title is Doctor Farokh Daruwalla, a somewhat surprising choice as main character that has to carry on his shoulders such a hefty narrative. At first glance he is a placid little man, of a rather short stature and rotund girth, neat and fussy but in general shy and insecure.

And, A Son of the Circus does not disappoint. Hearing in the prologue that our author has never been to India, I was somewhat worried. But never fear, the world he paints while steeped in Mumbai cultural references, is strictly his own and is without parallel in the real planet.

I found A Son of the Circus to be an exceptional book even for a man of outstanding genius such as John Irving. What most impressed me was his ability to convey the experience of the immigrant, that psychological sense of otherness, of not belonging anymore, either to your country of origin or the country where you currently live.
