Little does that jungle cat know you don't play rough with the kind of kids who are raised in the world of the circus! They're brave, they're spirited, and they're not about to become tiger food.
Voices 3: Son of the Circus: A Victorian Story Random House Books for Young Readers
Over a half century, a small Indiana town hosts a circus troupe during the off-seasons in linked stories “ as graceful as any acrobat ’ s high-wire act ” (San Francisco Chronicle). A Story Prize Finalist From 1884 to 1939, the Great Porter Circus made the unlikely choice to winter in an Indiana town called Lima, a place that feels as classic as Sherwood Anderson's Winesburg, Ohio, and as wondrous as a first trip to the Big Top. In Lima, an elephant can change the course of a man's life—or the manner of his death. Jennie Dixianna entices men with her dazzling Spin of Death and keeps them in line with secrets locked in a cedar box. The lonely wife of the show ’ s manager has each room of her house painted like a sideshow banner, indulging her desperate passion for a young painter. And a former clown seeks consolation from his loveless marriage in his post-circus job at Clown Alley Cleaners. In this collection of linked stories spanning decades, Cathy Day follows the circus people into their everyday lives and brings the greatest show on earth to the page. “ [An] exquisite story collection. ” —The Washington Post “ Often funny, always graceful, and rich with a mix of historical and imaginative detail. ” —Tim O ’ Brien, author of The Things They Carried “ Sublimely imaginative and affecting. ” —The Boston Globe

Voices: Son of the Circus - A Victorian Story explores the life of a young mixed-race boy, Ted, living with his mother and poorly older brother in Victorian Bradfield. When a stranger, a man the boys don't remember ever seeing before, appears in their kitchen, Ted is hit with a shocking revelation. This man is his father - the first black circus owner in Victorian Britain, Pablo Fanque. Before Ted can recover from his shock, he is sent away with Pablo to learn the tricks of the circus trade. Pablo is determined for Ted to follow in his footsteps. But can Ted adapt to this terrifying new life amongst strangers? And will he ever see his beloved mother and brother again? Fresh new voice, E. L. Norry, continues this exciting new series that explores authentic and moving accounts of the life of British immigrants throughout history. Norry shows us a fascinating and rarely seen world that's sure to hook young readers.

'A story of extraordinary bravery, resilience and love that needed to be told.' Heather Morris, author of The Tattooist of Auschwitz Written by award-winning author and journalist Sue Smethurst, whose husband is Mindla and Michael's grandson, The Freedom Circus is an epic story of courage, hope, humanity, survival and, ultimately, love. When Sue Smethurst first sat down with her grandmother-in-law and asked how she survived the Holocaust, she was shooed away. By that time Mindla was in a Melbourne Jewish nursing home with other survivors, her body ageing but mind still razor sharp. ‘Why do you want to know?’ she’d ask. ‘My story is nothing special.’ As death began approaching Sue became a little more pushy. She knew Mindla’s life had to be recorded and they were running out of time. Each week she’d bring cake from her favourite shop in St Kilda, a bottle of the brightest nail polish she could find, a handful of old pictures and her tape recorder. They’d chat and paint Mindla’s nails, and with each ‘chat’ her story unfolded. It was beyond anything Sue could have imagined. The tale of how Mindla and her husband Michael Horowitz, a circus performer for the famous Staniewski Brothers, escaped from Poland with their young son and embarked on a terrifying journey through the USSR and Middle East to Africa and ultimately to safety in Australia, is nothing short of extraordinary.

Have you ever been to the circus? Just imagine the excitement as you walk up to the booth to get your own ticket! You can smell the wonderful aroma of buttered popcorn in the air and your mouth begins to water at the sight of cotton candy on a stick. But nothing can prepare you for the thrill that awaits you as you enter the big tent and see all the tigers, the acrobats and clowns. In this book, The Day We Went To The Circus, you get to experience a high flying feeling as high as the big top itself.

“My dear boy, please don’t put a label on me – don’t make me a category before you get to know me!” John Irving’s new novel is a glorious ode to sexual difference, a poignant story of a life that no reader will be able to forget, a book that no one else could have written. Told with the panache and assurance of a master storyteller, In One Person takes the reader along a dizzying path: from a private school in Vermont in the 1950s to the gay bars of Madrid’s Chueca district, from the Vienna State Opera to the wrestling mat at the New York Athletic Club. It takes in the ways that cross-dressing passes from one generation to the next in a family, the trouble with amateur performances of Ibsen, and what happens if you fall in love at first sight while reading Madame Bovary on a troop transport ship, in the middle of an Atlantic storm. For the sheer pleasure of the tale, there is no writer alive as entertaining and enthralling as John Irving at his best. But this is also a heartfelt, intimate book about one person, a novelist named William Francis Dean. By his side as he tells his own story, we follow Billy on a fifty-year journey toward himself, meeting some uniquely unconventional characters along the way. For all his long and short relationships with both men and women, Billy remains somehow alone, never

quite able to fit into society’s neat categories. And as Billy searches for the truth about himself, In One Person grows into an unforgettable call for compassion in a world marked by failures of love and failures of understanding. Utterly contemporary and topical in its themes, In One Person is one of John Irving’s most political novels. It is a book that grapples with the mysteries of identity and the multiple tragedies of the AIDS epidemic, a book about everything that has changed in our sexual life over the last fifty years and everything that still needs to. It’s also one of Irving’s most sincere and human novels, a book imbued on every page with a spirit of openness that expands and challenges the reader’s world. A brand new story in a grand old tradition, In One Person stands out as one of John Irving’s finest works – and as such, one of the best and most important American books of the last four decades.

Now available as an ebook for the first time ever in America, the bestselling coming-of-age classic novel by John Irving—the 40th anniversary edition with a new introduction by the author. “He is more than popular. He is a Populist, determined to keep alive the Dickensian tradition that revels in colorful set pieces...and teaches moral lessons.”—The New York Times The opening sentence of John Irving’s breakout novel The World According to Garp signals the start of sexual violence, which becomes increasingly political. “Garp’s mother, Jenny Fields, was arrested in Boston in 1942 for wounding a man in a movie theater.” Jenny is an unmarried nurse; she becomes a single mom and a feminist leader, beloved but polarizing. Her son, Garp, is less beloved, but no less polarizing. From the tragicomic tone of its first sentence to its mordantly funny last line—“we are all terminal cases”—The World According to Garp maintains a breakneck pace. The subject of sexual hatred—of intolerance of sexual minorities and differences—runs the gamut of “lunacy and sorrow.” Winner of the National Book Award, Garp is a comedy with forebodings of doom. In more than thirty languages, in more than forty countries—with more than ten million copies in print—Garp is the precursor of John Irving’s later protest novels.

#1 NATIONAL BESTSELLER • Two starcrossed magicians engage in a deadly game of cunning in the spellbinding novel that captured the world’s imagination. • "Part love story, part fable ... defies both genres and expectations." —The Boston Globe The circus arrives without warning. No announcements precede it. It is simply there, when yesterday it was not. Within the black-and-white striped canvas tents is an utterly unique experience full of breathtaking amazements. It is called Le Cirque des Rêves, and it is only open at night. But behind the scenes, a fierce competition is underway: a duel between two young magicians, Celia and Marco, who have been trained since childhood expressly for this purpose by their mercurial instructors. Unbeknownst to them both, this is a game in which only one can be left standing. Despite the high stakes, Celia and Marco soon tumble headfirst into love, setting off a domino effect of dangerous consequences, and leaving the lives of everyone, from the performers to the patrons, hanging in the balance.

Son of the Circus - A Victorian Story Vision

The circus has come to town! Paddington Bear and the Browns have front-row seats, and they can't wait to see the show. Inside the circus tent there's a ringmaster with a top hat, a very, very tall clown, a band ... and a funny-looking man hanging from a rope above Paddington's head. Always willing to lend a paw, Paddington rushes off to save the trapeze artist. The circus is turned upside-down, but the show must go on - and it does, thanks to a surprise performance by Paddington Bear. Paddington Bear has charmed readers for nearly forty years. Now another generation of fans can join the beloved bear from Darkest Peru on a variety of adventrues written by Michael Bond and beautifully illustrated by artist R.W. Alley.
