Now available as an ebook for the first time ever in America, the bestselling coming-of-age classic novel by John Irving—the 40th anniversary edition with a new introduction by the author. “ He is more than popular. He is a Populist, determined to keep alive the Dickensian tradition that revels in colorful set pieces...and teaches moral lessons. ” —The New York Times The opening sentence of John Irving ’ s breakout novel *The World According to Garp* signals the start of sexual violence, which becomes increasingly political. “ Garp ’ s mother, Jenny Fields, was arrested in Boston in 1942 for wounding a man in a movie theater. ” Jenny is an unmarried nurse; she becomes a single mom and a feminist leader, beloved but polarizing. Her son, Garp, is less beloved, but no less polarizing. From the tragicomic tone of its first sentence to its mordantly funny last line— “ we are all terminal cases ” —The *World According to Garp* maintains a breakneck pace. The subject of sexual hatred—of intolerance of sexual minorities and differences—runs the gamut of “ lunacy and sorrow. ” Winner of the National Book Award, *Garp* is a comedy with forebodings of doom. In more than thirty languages, in more than forty countries—with more than ten million copies in print—*Garp* is the precursor of John Irving ’ s later protest novels.

NATIONAL BESTSELLER • From the bestselling author of *The Night Circus*, a timeless love story set in a secret underground world—a place of pirates, painters, lovers, liars, and ships that sail upon a starless sea. Zachary Ezra Rawlins is a graduate student in Vermont when he discovers a mysterious book hidden in the stacks. As he turns the pages, entranced by tales of lovelorn prisoners, key collectors, and nameless acolytes, he reads something strange: a story from his own childhood. Bewildered by this inexplicable book and desperate to make sense of how his own life came to be recorded, Zachary uncovers a series of clues—a bee, a key, and a sword—that lead him to a masquerade party in New York, to a secret club, and through a doorway to an ancient library hidden far below the surface of the earth. What Zachary finds in this curious place is more than just a buried home for books and their guardians—it is a place of lost cities and seas, lovers who pass notes under doors and across time, and of stories whispered by the dead. Zachary learns of those who have sacrificed much to protect this realm, relinquishing their sight and their tongues to preserve this archive, and also of those who are intent on its destruction. Together

with Mirabel, a fierce, pink-haired protector of the place, and Dorian, a handsome, barefoot man with shifting alliances, Zachary travels the twisting tunnels, darkened stairwells, crowded ballrooms, and sweetly soaked shores of this magical world, discovering his purpose—in both the mysterious book and in his own life.

NEW YORK TIMES BESTSELLER • A modern American epic set against the panorama of contemporary politics and culture—a hurtling, page-turning mystery that is equal parts *The Great Gatsby* and *The Bonfire of the Vanities* **ONE OF THE BEST BOOKS OF THE YEAR:** NPR, PBS, Harper's Bazaar, Esquire, Financial Times, The Times of India On the day of Barack Obama's inauguration, an enigmatic billionaire from foreign shores takes up residence in the architectural jewel of "the Gardens," a cloistered community in New York's Greenwich Village. The neighborhood is a bubble within a bubble, and the residents are immediately intrigued by the eccentric newcomer and his family. Along with his improbable name, untraceable accent, and unmistakable whiff of danger, Nero Golden has brought along his three adult sons: agoraphobic, alcoholic Petya, a brilliant recluse with a tortured mind; Apu, the flamboyant artist, sexually and spiritually omnivorous, famous on twenty blocks; and D, at twenty-two the baby of the family, harboring an explosive secret even from himself. There is no mother, no wife; at least not until Vasilisa, a sleek Russian expat, snags the septuagenarian Nero, becoming the queen to his king—a queen in want of an heir. Our guide to the Golden's world is their neighbor René, an ambitious young filmmaker. Researching a movie about the Golden's, he ingratiates himself into their household. Seduced by their mystique, he is inevitably implicated in their quarrels, their infidelities, and, indeed, their crimes. Meanwhile, like a bad

joke, a certain comic-book villain embarks upon a crass presidential run that turns New York upside-down. Set against the strange and exuberant backdrop of current American culture and politics, *The Golden House* also marks Salman Rushdie's triumphant and exciting return to realism. The result is a modern epic of love and terrorism, loss and reinvention—a powerful, timely story told with the daring and panache that make Salman Rushdie a force of light in our dark new age. *Last Night in Twisted River* Voices

A Hindi film star, an American missionary, a pair of twins separated at birth, a diminutive chauffeur, and a serial killer collide in a riotous novel by the author of *The World According to Garp* "His most entertaining novel since *Garp*." —The New York Times Book Review "A Son of the Circus is comic genius . . . get ready for [John] Irving's most raucous novel to date." —The Boston Globe "Dr. Farrokh Daruwalla, reared in Bombay by maverick foes of tradition, educated in Vienna, married to an Austrian and long a resident of Toronto, is a 59-year-old without a country, culture, or religion to call his own. . . . The novel may not be 'about' India, but Irving's imagined India, which Daruwalla visits periodically, is a remarkable achievement—a pandemonium of servants and clubmen, dwarf clowns and transvestite whores, missionaries and movie stars. This is a land of energetic colliding egos, of modern media clashing with ancient cultures, of broken sexual boundaries." —New York Newsday "His most daring and most vibrant novel . . . The story of circus-as-India is told with gusto and delightful irreverence." —Bharati Mukherjee, The Washington Post Book World "Ringmaster Irving introduces act after act, until three (or more) rings are awhirl at a lunatic pace. . . . [He] spills characters from his imagination as agilely as improbable numbers of clowns pile out of a tiny car. . . . His Bombay and his Indian characters are vibrant and convincing." —The Wall Street Journal "Irresistible . . . powerful . . . Irving's gift for dialogue shines." —Chicago Tribune **BONUS:** This edition contains an excerpt from John Irving's *In One Person*.

'A story of extraordinary bravery, resilience and love that needed to be

told.' Heather Morris, author of *The Tattooist of Auschwitz* Written by award-winning author and journalist Sue Smethurst, whose husband is Mindla and Michael's grandson, *The Freedom Circus* is an epic story of courage, hope, humanity, survival and, ultimately, love. When Sue Smethurst first sat down with her grandmother-in-law and asked how she survived the Holocaust, she was shooed away. By that time Mindla was in a Melbourne Jewish nursing home with other survivors, her body ageing but mind still razor sharp. 'Why do you want to know?' she'd ask. 'My story is nothing special.' As death began approaching Sue became a little more pushy. She knew Mindla's life had to be recorded and they were running out of time. Each week she'd bring cake from her favourite shop in St Kilda, a bottle of the brightest nail polish she could find, a handful of old pictures and her tape recorder. They'd chat and paint Mindla's nails, and with each 'chat' her story unfolded. It was beyond anything Sue could have imagined. The tale of how Mindla and her husband Michael Horowitz, a circus performer for the famous Staniewski Brothers, escaped from Poland with their young son and embarked on a terrifying journey through the USSR and Middle East to Africa and ultimately to safety in Australia, is nothing short of extraordinary.

“ My dear boy, please don ’ t put a label on me — don ’ t make me a category before you get to know me! ” John Irving ’ s new novel is a glorious ode to sexual difference, a poignant story of a life that no reader will be able to forget, a book that no one else could have written. Told with the panache and assurance of a master storyteller, *In One Person* takes the reader along a dizzying path: from a private school in Vermont in the 1950s to the gay bars of Madrid ’ s Chueca district, from the Vienna State Opera to the wrestling mat at the New York Athletic Club. It takes in the ways that cross-dressing passes from one generation to the next in a family, the trouble with amateur performances of Ibsen, and what happens if you fall in love at first sight while reading *Madame Bovary* on a troop transport ship, in the middle of an Atlantic storm. For the sheer pleasure of the tale, there is no writer alive as entertaining and enthralling as John Irving at his best. But this is also a heartfelt, intimate book about one person, a novelist named William Francis Dean. By his side as he tells his own story, we follow Billy on a fifty-year journey toward himself, meeting some uniquely unconventional characters along the way. For all his long and short relationships with both men and women, Billy remains somehow alone, never quite able to fit into society ’ s neat categories. And as Billy searches for the truth about himself, *In One Person* grows into an unforgettable call for compassion in a world marked by failures of love and failures of understanding. Utterly contemporary and topical in its themes, *In One Person* is one of John Irving ’ s most political novels. It is a book that grapples with the mysteries of identity and the multiple tragedies of the AIDS epidemic, a book about everything that has changed in our sexual life over the last fifty years and everything that still needs to. It ’ s also one of Irving ’ s most sincere and human novels, a book imbued on every page with a spirit of openness that expands and challenges the reader ’ s world. A brand new story in a grand old tradition, *In One Person* stands out as one of John Irving ’ s finest works — and as such, one of the best and most important American books of the last four decades.
