favor to in this manner

A Bleeding Stars Stand-Alone Novel Simon and Schuster

Hotchkiss continued on. Ed! You didnt see it? The use of his captains first name on deck attested to the first lieutenants growing apprehension and maddening confusion. See what, Isaac, my old friend? Pierce recognized his comrades state of mind and did not correct his lapse of quarterdeck etiquette. Clearly, a more personal and comfortable approach was

needed. The stars! The stars, Ed! We werent just looking up at them. We were amongst them. There was the sea, and then there wasnt. And the stars were below us as well! And we were there, right among them, like we were the stars themselves, or the moon or... Im sure you saw what youve described. Unfortunately, I chanced not to see it, although I have had a strange feeling of timelessness. Is it possible to sail beyond the oceans edge to another world? In 1802 Royal Navy Lieutenant Edward Pierce is ashore on half pay because of the Peace of Amiens. He fortunately gains command of a vessel searching for a lost, legendary island. When the island is found, Pierce and his shipmates discover that it exists in an entirely different but similar world. Exploring the seas around Stone Island, HMS Island Expedition sails headlong into an arena of mistaken identities, violent naval battles, strange truces, dangerous liaisons, international intrigue, superstition, and ancient

prophecies. Detained by that world's equivalent of Great Britain, Pierce struggles to free his ship and crew. Despondent over giving up his ship and possibly never seeing his beloved Evangeline again, Pierce's outlook brightens when he discovers new-found friends working to liberate him and his crew. With time he comes to understand the prophesied role he and his companions are to play in that other world.

Teaching a Stone to Talk Chronicle Books

No-nonsense Captain Swashby is used to the sea meeting all of his needs and when, after his retirement, new neighbors disturb his solitary life, the sea helps in just the right way.

How Holy Places Guide andæRenewæUs Harper Collins

"The people you love, they just slip away ... I won't let you do that." A man and his young son set out on a journey one snow-struck day. Another man skims stones across the sea with his daughter. Three generations separate them, but one loss connects them - sixty years apart, but no more than a stone's

throw. In between these two men is Meg. Like everyone, she's made choices in her life; and mostly she's proud of them. But that doesn't mean she isn't haunted by what might have been . . . Set in England and Africa, opening during World War Two, *A Stone's Throw* is about how secrets linger and the price we pay to keep them. Most of all, it's about the choices we make, about consequences - and how we must, finally, let go of the past and face the future.

The Wretched Stone A.L. Jackson Books Inc.

"A collection of meditations like polished stones--painstakingly worded, tough-minded, yet partial to mystery, and peerless when it comes to injecting larger resonances into the natural world." — Kirkus Reviews Here, in this compelling assembly of writings, Pulitzer Prize-winning author Annie

Dillard explores the world of natural facts and human meanings. Veering away from the long, meditative studies of Pilgrim at Tinker Creek or Holy the Firm, Annie Dillard explores and celebrates moments of spirituality, dipping into descriptions of encounters with flora and fauna, stars, and more, from Ecuador to Miami.

Beyond the Ocean's Edge Page Publishing Inc

It was only supposed to be a short visit. It turned into a love affair. Melanie White is in trouble. Young, unmarried, with no resources to speak of, she's forced to flee home and hide out with her aunt on a ranch in a western mining town. She's just passing through on her way farther West, and it's a good thing, too: she can't stand the ranch owner. He's rowdy, immature...and undeniably attractive. David Tanner has his life just the way he likes it: he does what he wants, when he wants, and nobody can tell him any different--least of all, his former nanny's niece Melanie, who likes books more than people. But when a family emergency forces Melanie and David to work together, she discovers that there's more to him than meets the eye. And he finds out that life as a bachelor may not be what he likes after all. Contains mild language and sensual content within marriage.

Lodestone Book One HMH Books For Young Readers

"I grow to love the boys who make up Sunder and the women they love more and more with each member's personal story. But I have a special place in my

heart for Ash and Willow and simply devoured this book and was left with a happy smile on my face and a sigh in my heart. AL Jackson at her swoony, sexy best." ~Mia Sheridan, NYT Bestselling Author Captivating. Sexy. And in true AL Jackson style, beautifully devastating. This is hands down her best work to date, and the best thing I've read all year." ~Molly McAdams, NYT Bestselling Author "You don't have to look hard to see the beauty that bleeds into AL Jackson's words, so wondrous and so WOW. Every word that this author writes is full of feels. Every word is mesmerizing and meaningful. Every word means everything. Every word IS EVERYTHING. Stay is the newest roller coaster of a rock star romance from A.L. Jackson's Bleeding Stars series that is pure beauty in words that break, bind, and make your heart bleed. STAY SLAYED MY SOUL."

'but worth 10' soul-slaying stars ~Karen, Bookalicious Babes Blog From NYT & USA Today Bestselling Author A.L. Jackson comes the next sexy, gripping Bleeding Stars Stand-Alone Novel... I'm Ash Evans. The life of the party. Hot. Rich. Charismatic. A tattooed rock star with the world at my feet. I burn through women faster than the strike of a match. I've embraced my lifestyle and live it to the fullest. Until the day my lifestyle caught up to me. Willow Langston found me at my lowest. Literally. Facedown in a puddle

of my own blood. I owe her my life and I have three months to repay that debt. What I never should have done was touch her. Kiss her. Take her to my bed. Love wasn't supposed to be a part of the equation. I gave up that nasty complication a long damned time ago. Now I want her more than my next breath. But she doesn't know what I know. Do I leave to protect her? Or can I face my demons and ask her to Stay?

A Heart of Stone Little, Brown Books for Young Readers

Ursula Violet Kronborg might be a princess, but she feels more like a prisoner. Ever since her parents died in a shipwreck two years ago, she can't help but wonder if the rumors surrounding her family are true. Are they really cursed? After all, her cousin Tristan never fully recovered from the plague that swept through Elsinore. Her grandfather, King Eric Kronborg, seems to be getting more paranoid by the day. And after the incident on her last birthday, it's no secret the entirety of Elsinore thinks she's some sort of witch. Accidentally unleashing powers she didn't know she had, Tristan disappears-and her life is turned upside-down. To rescue her cousin, she accepts the help of a mysterious sea witch named Hydra and sets off on her adventure. Her journey tests her in ways she never imagined. She will

stop at nothing to save her cousin. Secrets come to light and she quickly learns that there's more to Hydra-and her own family-than meets the eye. Rescuing Tristan means waking up a long-dormant evil in the deepest part of the ocean. Now Violet must learn the full extent of her powers before the most feared sea serpent of all time destroys her family, her home?and herself.

A Stone for a Pillow Simon and Schuster
Over the last twenty years spiritual director, teacher, and pilgrim Tracy Balzer has made more than a dozen transatlantic visits to Scotland's Isle of Iona, welcoming the hallowed spaces of the island to sculpt, bend, and sustain her

spiritually. "It might be said that Iona has been my spiritual director," says Balzer, for with each visit she is freshly confronted by key questions of faith: Where is God? Who am I? What can I offer the world? Set against the backdrop of Iona's deep Christian history and exquisite natural beauty, *A Journey of Sea and Stone* explores these questions, prompting each of us to reach for meaning in our daily lives and to consider the myriad ways God might be inviting us into something new. Tapping our innate desire to seek and find, to encounter God in creation and in the history of faithful people, Balzer guides us in our own journeys to cultivate and find sustenance and connection in sacred spaces. Deep passages of reflection are complemented by rich illustrations reflecting the island's stunning terrain and Celtic heritage,

providing spiritual seekers and armchair travelers a fresh entrée into the world of the sacred, wherever they may be.

Island in the Sea of Time University of Washington Press

A strange glowing stone picked up on a sea voyage captivates a ship's crew and has a terrible transforming effect on them.

Dragon of the Lost Sea Candlewick Press
Book #2 of The Genesis Trilogy. This special reissue of a classic work of spirituality from the author of *A Wrinkle in Time* offers life-transforming insights on the rich heritage of the Bible and shows how the characters of this ancient text are relevant for living the good life now. Includes a new reader's guide. In this book for the curious, spiritual seeker, Madeleine L'Engle offers relevant lessons

drawn from the life of Jacob from the Old Testament. Here, the son of Isaac becomes a spiritual companion to L'Engle, equipping her to deal with earthly and psychological struggles. Throughout her journey, L'Engle offers contemporary answers to questions that burden modern day readers and believers. With her customary fearlessness and candor, she broaches such topics as the significance of angels, redemption, sexual identity, forgiveness, and the seemingly constant conflict between good and evil. Madeleine L'Engle possesses the same ambidextrous skill of storytelling as other literary giants, including C. S. Lewis and George MacDonald. Her fictional stories appeal to generations of readers, and are equally embraced in both the secular and religious markets. But, it is her ability in her nonfiction to engage with the historical

text of the Bible through a dynamic unpacking of protagonists, antagonists, and matters of faith that establishes the Genesis Trilogy as a highly treasured collection of spiritual writings. A Stone for a Pillow acts as a compass for those traveling through the tumultuous landscape of faith in our cynical and divisive modern culture.

Stay Penguin

Most people do not think to observe geology from the sidewalks of a major city, but all David B. Williams has to do is look at building stone in any urban center to find a range of rocks equal to any assembled by plate tectonics. In *Stories in Stone*, he takes you on explorations to find 3.5-billion-year-old rock that looks

like swirled pink-and-black taffy, a gas station made of petrified wood, and a Florida fort that has withstood three hundred years of attacks and hurricanes, despite being made of a stone that has the consistency of a granola bar. Williams also weaves in the cultural history of stone, explaining why a white fossil-rich limestone from Indiana became the only building stone used in all fifty states; how in 1825, the construction of the Bunker Hill Monument led to America's first commercial railroad; and why when the same kind of marble used by Michelangelo clad a Chicago skyscraper it warped so much after

nineteen years that all 44,000 panels of it had to be replaced. This love letter to building stone brings to life the geology you can see in the structures of every city.

The Stonebearer Penguin
A cloth bag containing 20 paperback copies of the title that may also include a folder with sign out sheets.

Journeys with Jacob Bloomsbury Publishing USA

A New York Times Bestseller A National Book Award Finalist An IndieBound Bestseller This breathtaking, full-color illustrated fantasy is inspired by Chinese folklore, and is a companion to the Newbery Honor winner *Where the Mountain Meets the Moon*. Pinmei's gentle, loving grandmother always has the most thrilling tales for her granddaughter and the other villagers. However, the peace is shattered one night when soldiers of the Emperor arrive and kidnap the storyteller. Everyone knows that the Emperor wants something called the Luminous Stone That Lights the Night. Determined to have her grandmother returned, Pinmei embarks on a journey to find the Luminous Stone alongside her friend Yishan, a mysterious boy who seems to have his own secrets to hide. Together, the two must face obstacles usually found only in legends to find the Luminous Stone and save Pinmei's grandmother--before it's too late. A fast-paced adventure that is extraordinarily written and beautifully illustrated, *When the Sea Turned to Silver* is a masterpiece companion novel to *Where the Mountain Meets the Moon* and *Starry River of the Sky*.

Show Me the Way A.L. Jackson Books, Incorporated

A.L. Jackson

Young King Day quests for the Stone of All Power that can repel Gheel the Black.

Wait Harper Collins

Dan Corrigan wants to disappear.

Burnt out by the pressures of corporate life, he escapes to the countryside. But when he least expects it, a chance discovery draws him into a compelling mystery. An ancient legend, a coded message on a stone slab, and a secret concealed in a

country manor house: these are the clues that take Dan on a journey into the past, delving deeper into a hidden history. But reputations are on the line, and there are those who want the mystery to remain unsolved.

Uncovering the truth might give Dan the confidence to rebuild his life, but if he fails, there's no going back. Can you solve this very British mystery? Find out when you join Dan as he chases down the clues in *A Study in Stone*. The Devonshire Mysteries are traditional British mysteries in a modern-day setting. These are cosy mysteries (or 'cozy mysteries' for Dan Corrigan's trans-Atlantic fans). There's a touch of dry humour and the stories pay homage to the legacies of Agatha

Christie and Conan Doyle. You'll always find a mixed bag of suspects, plenty of clues and a few red herrings, so that you could have solved the mystery if only you'd put two and two together. Amateur Sleuth Dan Corrigan is quick-witted, driven and far too clever for his own good. Fortunately, his friend and neighbour, Alan Hargreaves, is the perfect foil for Dan's intellect. Loyal, dependable and with a knack for detailed research, Alan keeps Dan on track, and together, they make an effective team. Recommended Reading Order A Study in Stone Valley of Lies Mystery at the Hall (bonus story for newsletter subscribers) Murder Between the Tides Mystery in May. Praise for A Study in Stone: A tightly written, fascinating mystery. The protagonists are mysterious in their own ways. Their interactions are interesting and realistic. It held my interest and I look forward to more in this series. How refreshing to find! What's not to love? The pace is faster; the male sleuths are quick-witted, modern, and multidimensional. The setting is English. More please. It's the characters that really made it work. Dan and Alan are an unlikely pair, having very different personalities, but a shared inability to leave a puzzle unsolved sparks a friendship. I liked their refusal to give up until the mystery was solved. This was just fun to read from start to finish! I had no idea where it was going, didn't guess

the end either. A quick and light story just right for my mood. I hope for more! The interaction between Dan and Alan reminded me of the Odd Couple. Their relationship may seem to grate on each other, but they learn that they do indeed make a good detective team! For this alone, I loved the book! This was a very different story, and well worth reading.

Stone in a Landslide Candlewick Press
Racing to freedom with thousands of other refugees as Russian forces close in on their homes in East Prussia, Joana, Emilia, and Florian meet aboard the doomed Wilhelm Gustloff and are forced to trust each other in order to survive.

A Stone in the Sea A.L. Jackson Books, Incorporated

Our Castle by the Sea Shadowstone Books

The surprising and compelling story of two rival geniuses in an all-out race to decode one of the world ' s most famous documents—the Rosetta Stone—and their twenty-year-long battle to solve the mystery of ancient Egypt ' s hieroglyphs. The Rosetta Stone is one of the most famous objects in the world, attracting millions of visitors to the British museum every year, and yet most people don ' t really know what it is. Discovered in a pile of rubble in 1799, this slab of stone proved to be the key to unlocking a lost language that baffled scholars for centuries. Carved in ancient Egypt, the Rosetta Stone carried the same message

in different languages—in Greek using Greek letters, and in Egyptian using picture-writing called hieroglyphs. Until its discovery, no one in the world knew how to read the hieroglyphs that covered every temple and text and statue in Egypt. Dominating the world for thirty centuries, ancient Egypt was the mightiest empire the world had ever known, yet everything about it—the pyramids, mummies, the Sphinx—was shrouded in mystery. Whoever was able to decipher the Rosetta Stone, and learn how to read hieroglyphs, would solve that mystery and fling open a door that had been locked for two thousand years. Two brilliant rivals set out to win that prize. One was English, the other French, at a time when England and France were enemies and the world's two great superpowers. The Writing of the Gods chronicles this high-stakes

intellectual race in which the winner would win glory for both himself and his nation. A riveting portrait of empires both ancient and modern, this is an unparalleled look at the culture and history of ancient Egypt and a fascinating, fast-paced story of human folly and discovery unlike any other.

Kingdom of Sea and Stone Peirene Press

The year is 1988 in Gaza City, and it has been a month since eleven-year-old Malaak's father left to seek work in Israel, only to disappear. Every day Malaak climbs to the roof and waits, speaking little to anyone, preferring the company of the little bird she has tamed. But her twelve-year-old brother, Hamid, has a different way of coping. He feels only anger, stoked by

extremists who say violence is the only way to change their fate. Malaak ' s mother begs him to stay away from harm, but Malaak lives in fear of losing her brother as well. What will it take for her to find her voice—and the strength to move past the violence that surrounds her?
