According To Jane
Chronicle Books
Successfully navigate the rich world of travel narratives and identify fiction and nonfiction read-alikes with this detailed and expertly constructed guide. Just as savvy travelers make use of guidebooks to help navigate the hundreds of countries around the globe, smart librarians need a guidebook that makes sense of the world of travel narratives. *Going Places: A Reader's Guide to Travel Narratives* meets that demand, helping librarians assist patrons in finding the nonfiction

books that most interest them. It will also serve to help users better understand the genre and their own reading interests. The book examines the subgenres of the travel narrative genre in its seven chapters, categorizing and describing approximately 600 titles according to genres and broad reading interests, and identifying hundreds of other fiction and nonfiction titles as read-alikes and related reads by shared key topics. The author has also identified award-winning titles and spotlighted further resources on travel lit, making this work an ideal guide for readers' advisors as well a book general readers will enjoy browsing.

Once the world ' s

bastion of liberal,

democratic values,

Europe is now having

to confront demons it

thought it had laid to

rest. The old

pathologies of anti-

Semitism, populist

nationalism, and

territorial aggression

are threatening to tear

the European postwar

consensus apart. In

riveting dispatches

from this unfolding

tragedy, James

Kirchick shows us the

shallow

disingenuousness of the

leaders who pushed for

" Brexit; " examines how

a vast migrant wave is

exacerbating tensions

between Europeans and

their Muslim minorities;

explores the rising anti-

Semitism that causes

Jewish schools and

synagogues in France and Germany to resemble armed bunkers; and describes how Russian imperial ambitions are destabilizing nations from Estonia to Ukraine. With President Trump now threatening to abandon America's traditional role as upholder of the liberal world order and guarantor of the continent's security, Europe may be alone in dealing with these unprecedented challenges. Based on extensive firsthand reporting, this book is a provocative, disturbing look at a continent in unexpected crisis. More Musings Simon and Schuster

This is Marilyn Monroe like you've never seen her before... Stay True Chronicle Books

"Until I found Gideon's journal in the tool shed - locked in the cedar box where I'd once hidden my old diary - I'd been led to believe my brother was dead. But the contents of his journal changed all that" --

From Eve to Dawn: Infernos and paradises, the triumph of capitalism in the 19th century Kensington Books
For fifteen-year-old

Mariana Ruiz, it's not so much an unexpected vacation as a literal "guilt trip"--her father's way of atoning for ignoring his Puerto Rican roots. But freedom from her parents is little compensation for being forced to spend two months with complete strangers rather than with her best friends in Philadelphia. Once on "vacation," her worst fears come true. The heat is merciless, the food is spicy, and her great aunt and uncle's mountain house teems with relatives, only one of whom--her distant cousin Lilly--speaks English. Bored, and hoping to make up for missing her best friend's star-studded Sweet 16, Mariana offers to help in the planning of Lilly's Quinceañera. Soon, despite herself, Mariana clicks with new friends who open doors to romance and long-hidden secrets. Suddenly the summer she dreaded is ending way too quickly. It might turn out that the last place she ever wanted to go is the one place she truly finds herself. **Spring Wildflowers of New England** Kensington Publishing Corp.
This remarkable video

explores the history of the 200,000-acre park and the efforts of Governor Percival Baxter, who had the courage, perseverance, and ability to amass it all and then give it all away so others could enjoy its magic. The stunning images in this video by Bill Silliker Jr. present the magnificent beauty and rugged wilderness of the park. VHS, 45 minutes.

Marilyn's Monsters Hachette Books

2012 is the 50th anniversary of Marilyn Monroe's death, and this lavishly illustrated book celebrates her enduring beauty through photographs--many never before published--by legendary Hollywood photographer Bernard, known for his iconic photograph of Marilyn standing over the subway grate in a billowing white dress.

Everything I Never Told You Routledge

This book is open access under a CC-BY licence. Part of the AHRC/British Library Academic Book of the Future Project, this book interrogates current and emerging contexts of academic books from the perspectives of thirteen expert voices from the connected communities of publishing, academia, libraries, and bookselling.

Amor and Summer Secrets Cambridge University Press

When Jennifer, at their weekly Friday morning get together, poses several "What if..?" questions that

prompt Bridget and Tamara to second-guess the choices they have made in life, the line between fantasy and reality becomes blurred and their friendship is put to the test. Original.

Revolution and Change in Central and Eastern Europe Trafford Publishing

"Contemporary Suburbium is a photographic meditation on living in the suburbs of Orange County, California -- specifically, Huntington Beach, a seaside town on the outer extremities of the population surrounding Los Angeles. Once dotted with orange trees, oil drilling and summer cottages for the rich, Huntington Beach is now a popular beach destination for vacationers, and the old cottages are being replaced with tall modern three-story houses. The photographs in this book are a look at the people of this traditionally conservative stronghold, the disaffected youth, the fortunate (and less fortunate), as they venture out from behind fences, walls, and endless blocks of tract housing. Reading

like two opposing coming-of-age novellas about the same place,

Contemporary Suburbium offers a gritty and sunbaked, yet romantic view of Southern California, and of the twenty-first century in its own adolescence"--Publisher's website.

Going Places Yale University Press

Moms are people, too...fashionable people! Before we came along to yank on their skirts, they showed leg, sported killer bangs, and flaunted bikinis. Some even wore feathers and halter tops and drove around on motorcycles. Was their style shocking? Yes. Covetable? Absolutely.

Based on Piper Weiss's hugely popular blog of the same name, this book features 200 color photographs from decades past of moms showing us how its done. A perfect gift for mothers, daughters, and style mavens, *My Mom, Style Icon* is an entertaining celebration of the very first—and most important—style icon in a young woman's life.

Europe on 5 Dollars a Day Sterling Signature

"Using a considerable amount of new research, Livingstone and Witzel

paint vivid portraits of the many characters involved and provide a day-by-day, blow-by-blow account of the campaign from the moment of the landing in Normandy in July until the battle itself in August, and beyond."--BOOK JACKET.

Summer and Fall Wildflowers of New England Springer Nature

"Everything you need to know about the delicious new world of beans in this pioneering [recipe] book . . .A keeper." —Paula Wolfert, James Beard and Julia Child Award–winning cookbook author Who would have thought a simple bean could do so much? Heirloom bean expert Steve Sando provides descriptions of the many varieties now available, from Scarlet Runners to the spotted Eye of the Tiger beans. Nearly ninety recipes in the book will entice readers to cook up bowls of heartwarming Risotto and Cranberry Beans with Pancetta, or Caribbean Black Bean Soup. Close-up photos of the beans make them easy to identify. Packed with protein, fiber, and vitamins, these little treasures are the perfect

addition to any meal.
“Heirloom Beans is no less than a promise of good things to come from this humble but rather magical food.” —Deborah Madison, James Beard and Julia Child

Award-winning cookbook author of *Vegetarian Cooking for Everyone*
“Heirloom Beans is the ultimate kiss and tell all of legendary legumes. A delicious recipe and savory story for every heirloom bean.” —Annie Somerville, cookbook author and chef, Greens Restaurant
“We give Rancho Gordo beans a place of honor at our restaurants.” —Thomas Keller, James Beard award-winning chef, cookbook author and restaurateur, *French Laundry*

My Week with Marilyn Down East Books
From the bestselling author of *See Jane Date* and *The Secret of Joy* comes a charming, warm-hearted story about a woman’s search for happiness after inheriting her grandmother’s cooking school. When Holly Maguire inherits “Camilla’s Cucinotta,” her late grandmother’s home-based Italian cooking school in Blue Crab Island, Maine, twelve of the sixteen students for the upcoming fall class

drop out. After all, Holly isn’t a seventy-five-year-old Milanese love goddess, whose secret sauces had aphrodisiac properties and whose kitchen table fortune-telling often came true. Holly, a broken-hearted thirty-year-old who’s never found her niche, can barely cook at all. But she’s determined to keep her beloved grandmother’s legacy alive. Armed with Camilla’s hand-scrawled recipe book, Holly welcomes her students: apprentice Mia, a twelve-year-old desperate to learn to cook Italian to stop her divorced father from marrying his ditzy girlfriend; Juliet, Holly’s childhood friend grieving for her newborn—and the marriage she left behind on the mainland; Simon, struggling to be an every-other-weekend dad to his young son after his wife left him; and Tamara, a single thirty-something yearning for love. Mixing fervent wishes and bittersweet memories with simmering sauces and delectable Italian dishes, Holly and the students of The Love Goddess’ Cooking School create their own recipes for happiness and become masters of their own fortunes.

The Road to Crécý The Feminist Press at CUNY
Never before published, this autobiographical novel captures the politics and passion of the Spanish Civil War.

Contemporary Suburbium
Hachette UK
A collection of short stories by various authors, including

Andrea Davis Pinkney, M.E. Kerr, and Anne Mazer, about adolescent girls coming of age.
Marilyn in Manhattan
Kensington Publishing Corp.

In Marilyn Brant's smart, wildly inventive debut, one woman in search of herself receives advice from the ultimate expert in matters of the heart. . . It begins one day in sophomore English class, just as Ellie Barnett's teacher is assigning Jane Austen's *Pride and Prejudice*. From nowhere comes a quiet "tsk" of displeasure. The target: Sam Blaine, the cute bad boy who's teasing Ellie mercilessly, just as he has since kindergarten. Entirely unbidden, as Jane might say, the author's ghost has taken up residence in Ellie's mind, and seems determined to stay there. Jane's wise and witty advice guides Ellie through the hell of adolescence and beyond, serving as the voice she trusts, usually far more than her own. Years and boyfriends come and go--sometimes a little too quickly, sometimes not nearly fast enough. But Jane's counsel is

constant, and on the subject of Sam, quite insistent. Stay away, Jane demands. He is your Mr. Wickham. Still, everyone has something to learn about love--perhaps even Jane herself. And lately, the voice in Ellie's head is being drowned out by another, urging her to look beyond everything she thought she knew and seek out her very own, very unexpected, happy ending. . . "A warm, witty and charmingly original story." --Susan Wiggs, New York Times bestselling author "An engaging read for all who have been through the long, dark, dating wars, and still believe there's sunshine, and a Mr. Darcy, at the end of the tunnel." --Cathy Lamb, author of *Henry's Sisters* "This is a must-read for Austen lovers as well as for all who believe in the possibility of a happily-ever-after ending." --Holly Chamberlin, author of *One Week In December*

The Boy on the Wooden Box
CreateSpace
Leon Leyson (born Leib Lezjon) was only ten years old when the Nazis invaded Poland and his family was forced to relocate to the Krakow ghetto. With incredible

luck, perseverance and grit, Leyson was able to survive the sadism of the Nazis, including that of the demonic Amon Goeth, commandant of Plaszow, the concentration camp outside Krakow. Ultimately, it was the generosity and cunning of one man, a man named Oskar Schindler, who saved Leon Leyson's life, and the lives of his mother, his father, and two of his four siblings, by adding their names to his list of workers in his factory - a list that became world renowned: Schindler's List. This, the only memoir published by a former Schindler's List child, perfectly captures the innocence of a small boy who goes through the unthinkable. Most notable is the lack of rancour, the lack of venom, and the abundance of dignity in Mr Leyson's telling. *The Boy on the Wooden Box* is a legacy of hope, a memoir unlike anything you've ever read.

The Road to You
Houghton Mifflin Harcourt
NEW YORK TIMES BEST SELLER • A REESE'S BOOK CLUB PICK • "A gripping and poignant ode to a messy, loving family in all its glory." —Madeline Miller, bestselling author of *Circe* In this "rich, complex family saga" (USA Today) full of long-buried family secrets, Marilyn Connolly and David Sorenson fall in love in the 1970s, blithely

ignorant of all that awaits them. By 2016, they have four radically different daughters, each in a state of unrest. Wendy, widowed young, soothes herself with booze and younger men; Violet, a litigator turned stay-at-home-mom, battles anxiety and self-doubt; Liza, a neurotic and newly tenured professor, finds herself pregnant with a baby she's not sure she wants by a man she's not sure she loves; and Grace, the dawdling youngest daughter, begins living a lie that no one in her family even suspects. With the unexpected arrival of young Jonah Bendt—a child placed for adoption by one of the daughters fifteen years before—the Sorensens will be forced to reckon with the rich and varied tapestry of their past. As they grapple with years marred by adolescent angst, infidelity, and resentment, they also find the transcendent moments of joy that make everything else worthwhile. Don't miss Claire Lombardo's new book, *Same As It Ever Was!*

Marilyn Manson by Perou

Simon and Schuster

Yaoi's target audience, readership, and creators are almost exclusively women; the genre focuses on effeminate, pretty men — often so androgynous as to seem genderless. Here in the West, non-illustrated yaoi stories are getting very popular, to date exclusively among online readers. This all-original collection of six yaoi novellas written by Western women will be the first in the print marketplace here in the U.S.; only hentai (illustrated books) are currently available. The contributors include: Nix Winter — a rising star in yaoi ebooks and also one of the most sought after illustrators for yaoi ebook cover art; Bianca James — whose lesbian erotic fiction has appeared in numerous anthologies and her first novel *Star of Persia* was a finalist in the Project: Queerlit Contest, 2004; Stevie Burns lives and writes in Germany where she is publisher of Vora Books and editor-in-chief of the monthly erotic literary e-zine *VoracityBeat.com*; Claire Thompson — top-selling BDSM romantica writer on the Web. Catherine Lundoff has short stories and novellas in 37 collections; and Marilyn Jaye Lewis who has been writing and editing erotic fiction for the last 17 years.
