But how's she supposed to think when her daughter has become the most demanding bride ever, her son won't even consider college, her best friend is on the brink of marital disaster and her ex is making a monumentally bad decision that could bring everything crashing down on Robyn's head? So when her great-aunt Lillian invites her to Santa Barbara for the summer, Robyn hops on the first plane. But it's hard to run away when you're the heart of the family. One by one, everyone she left behind follows her across the country. Somehow, their baggage doesn't feel as heavy in the sun-

Mothers and daughters, sisters and cousins, they lived for summers at the lake house until a tragic accident changed everything. *The Summer That Made Us* is an unforgettable story about a family learning to accept the past, to forgive and to love each other again. That was then... For the Hempsteads, two sisters who married two brothers and had three daughters each, summers were idyllic. The women would escape the city the moment school was out to gather at the family house on Lake Waseka. The lake was a magical place, a haven where they were happy and carefree. All of their problems drifted away as the days passed in sun-dappled contentment. Until the summer that changed everything. This is now... After an accidental drowning turned the lake house into a site of tragedy and grief, it was closed up. For good. Torn apart, none of the Hempstead women speak of what happened that summer, and relationships between them are uneasy at best to hurtful at worst. But in the face of new challenges, one woman is determined to draw her family together again, and the only way that can happen is to return to the lake and face the truth. Robyn Carr has crafted a beautifully woven story about the complexities of family dynamics and the value of strong female relationships.
