Too Many Pigs in the Pool

University of Missouri Press

Nothing says happy birthday like catching your husband in a compromising position with his boss. His male boss. Why, hello, midlife crisis. I ' m starting over,

March, 19 2025

but this time I ' m doing it right. Or at least I ' m doing what I want. Taking the day off from work to hang out poolside? Yup. Do I leave the swimsuit in my house? Sure. Does my very hot, twenty-something pool boy happen to catch me naked? Oh, yeah, he does. And he likes what he sees... a lot. My best friend keeps telling me to have a fling and get back out there. But I ' m not so sure she meant for me to do it with her son.

The Memory Pool National Geographic Books

Adam Nicolson explores the marine life inhabiting seashore rockpools with a scientist ' s curiosity and a poet ' s wonder in this beautifully illustrated

book. The sea is not made of water. Creatures are its genes. Look down as you crouch over the shallows and you will find a periwinkle or a prawn, a claw-displaying crab or a cluster of anemones ready to meet you. No need for binoculars or special stalking skills: go to the rocks and the living will say hello. Inside each rock pool tucked into one of the infinite crevices of the tidal coastline lies a rippling, silent, unknowable universe. Below the stillness of the surface course different currents of endless motion—the ebb and flow of the tide, the steady

forward propulsion of the passage of time, and the tiny lifetimes of the rock pool ' s creatures, all of which coalesce into the grand narrative of evolution. In *Life Between the Tides*, Adam Nicolson investigates one of the most revelatory habitats on earth. Under his microscope, we see a prawn ' s head become a medieval helmet and a group of “ winkles ” transform into a Dickensian social scene, with mollusks munching on Stilton and glancing at their pocket watches. Or, rather, is a wrinkle more like Achilles, an ancient hero, throwing himself toward

death for the sake of glory? For Nicolson, who writes “ with scientific rigor and a poet ’ s sense of wonder ” (The American Scholar), the world of the rock pools is infinite and as intricate as our own. As Nicolson journeys between the tides, both in the pools he builds along the coast of Scotland and through the timeline of scientific discovery, he is accompanied by great thinkers—no one can escape the pull of the sea. We meet Virginia Woolf and her Waves; a young T. S. Eliot peering into his own rock pool in Massachusetts; even

Nicolson ’ s father-in-law, a classical scholar who would hunt for amethysts along the shoreline, his mind on Heraclitus and the other philosophers of ancient Greece. And, of course, scientists populate the pages; not only their discoveries, but also their doubts and errors, their moments of quiet observation and their thrilling realizations. Everything is within the rock pools, where you can look beyond your own reflection and find the miraculous an inch beneath your nose. “ The soul wants to be wet, ” Heraclitus said in Ephesus twenty-five

hundred years ago. This marvelous book demonstrates why it is so. Includes Color and Black-and-White Photographs **The Pool House** A Sunday at the Pool in Kigali Pool-playing legend Jeanette Lee--"the Black Widow," who wears only black during tournaments and devours her opponents--explains every aspect of playing to win, from holding the cue to performing combination, kiss, and trick shots. Lee shows wannabe winners of every level how to compete intelligently, lose gracefully, win frequently, stay focused, and achieve goals in the face of seemingly insurmountable obstacles. This hip, engaging

guide to the game is designed to turn you into the player to beat--in basements, bar leagues, local tournaments, and beyond.

The Bottom of the Pool

Henry Holt and Company
(BYR)

It's summer, and for teachers Ed and Natalie Steele this means six weeks off work with their young daughter Molly. Their lives are predictable and uncomplicated - or, at least, they were - until they met the Channings. Suddenly, glamorous Lara Channing, a former actress leading an eccentrically lavish lifestyle, is taking Natalie under her

wing and the stability of summer takes an exciting turn. But are there hidden motives behind this new friendship? And when the end-of-summer party at the lido is cut short by a blackout, Natalie realizes that she's been kept in the dark all along...

"Political Mourning

examines four case studies-the Triangle Fire, Emmett Till's murder, the attacks of September 11th, and the Black Lives Matter movement-to shed light on moments when everyday people died, when their deaths were the basis of calls for political change, and when such a change actually occurred"--

Where Hope Goes St. Martin's Press
You might walk right by a vernal pool and not notice it. Often mistaken for mere puddles in the woods, vernal pools are the source of life for many interesting creatures. These secret pools form every year when low places on the forest floor fill up with rain and melted snow. They

soon become home to hatching wood frogs, spotted salamanders, and fairy shrimp. Even in late summer and fall, creatures such as turtles and snakes rely on these places for shelter and food. Rock Pool Secrets Vintage

**The Black Widow's
Guide to Killer Pool**
Simon and Schuster

A Sunday at the Pool in
Kigali is a moving,
passionate love story
set amid the turmoil
and terror of Rwanda's
genocide. All manner of
Kigali residents pass
their time by the pool
of the Mille-Collines
hotel: aid workers,
Rwandan bourgeoisie,
expatriates, UN
peacekeepers,
prostitutes. Keeping a
watchful eye is Bernard
Valcourt, a jaded
foreign journalist, but
his closest attention
is devoted to Gentille,
a hotel waitress with
the slender, elegant

build of a Tutsi. As they slip into an intense, improbable affair, the delicately balanced world around them—already devastated by AIDS—erupts in a Hutu-led genocide against the Tutsi people. Valcourt's efforts to spirit Gentille to safety end in their separation. It will be months before he learns of his lover's shocking fate.

Swimming Pool Sunday
Michael Joseph
The dazzling first novel from the best-selling, Booker Prize-Winning author of *The Line of Beauty* and *The Sparsholt Affair*. An enthralling, darkly erotic novel of homosexuality before the scourge of AIDS; an elegy, possessed of chilling clarity, for ways of life that can no longer be lived with impunity. *The Swimming-Pool Library* focuses on the friendship of two men: William Beckwith, a

young gay aristocrat who leads a life of privilege and promiscuity, and Lord Nantwich, an elderly man searching for someone to write his biography and inherit his traditions.
The Swimming Pool Season
Thomas Nelson
On Christmas Eve, a family has gathered around the table for the obligatory dinner. The father, once an imposing figure who

terrorized his children, has suddenly fallen prey to Parkinson's. Yesterday's tyrant is now trapped inside a disintegrating body. André, the eldest child, is nearing 60. He has never loved the father who lied too much, abused too much, manipulated too much. But still, this holiday

week, André cannot help but be moved. How should he behave toward a parent to whom all pleasures are forbidden? Should he struggle to prolong the old man's life, or help him end it? Around the dinner table, opinions are divided. At once intimate and universal, *A Good Death* is a deeply moving voyage into

the essence of humanity. In it, Gil Courtemanche once again asks readers to confront the question that lay at the heart of his first novel: House of Many Gods Vintage From nineteenth-century public baths to today's private backyard havens, swimming pools have long been a provocative

symbol of American life. In this social and cultural history of swimming pools in the United States, Jeff Wiltse relates how, over the years, pools have served as asylums for the urban poor, leisure resorts for the masses, and private clubs for middle-class suburbanites. As sites of race riots, shrinking swimsuits, and

conspicuous leisure, swimming pools reflect many of the tensions and transformations that have given rise to modern America.

Pool Macmillan Lady Hale is an inspirational figure admired for her historic achievements and for the causes she has championed. Spider Woman is her story. As 'a little girl from a little school in a little village in North Yorkshire', she

only went into the law because her headteacher told her she wasn't clever enough to study history. She became the most senior judge in the country but it was an unconventional path to the top. How does a self-professed 'girly swot' get ahead in a profession dominated by men? Was it a surprise that the perspectives of women and other disadvantaged groups had been overlooked, or that children's interests were marginalised? A lifelong smasher of

<p>glass-ceilings, who took as her motto 'women are equal to everything', her landmark rulings in areas including domestic violence, divorce, mental health and equality were her attempt to correct that. As President of the Supreme Court, Lady Hale won global attention in finding the 2019 prorogation of Parliament to be unlawful. Yet that dramatic moment was merely the pinnacle of a career throughout which she was hailed as</p>	<p>a pioneering reformer. Wise, warm and inspiring, <i>Spider Woman</i> shows how the law shapes our world and supports us in crisis. It is the story of how Lady Hale found that she could overcome the odds, which shows that anyone from similar beginnings will find that they can cope too. <i>The Risk Pool</i> Beyond Words/Atria Books Winner of the 2016 International Dublin Literary Award "Gorgeously tender at its core...beautiful, heartstopping...Family</p>	<p>Life really blazes." –Sonali Deraniyagala, New York Times Book Review Hailed as a "supreme storyteller" (Philadelphia Inquirer) for his "cunning, dismaying and beautifully conceived" fiction (New York Times), Akhil Sharma is possessed of a narrative voice "as hypnotic as those found in the pages of Dostoyevsky" (The Nation). In his highly anticipated second novel, <i>Family Life</i>, he delivers a story of astonishing intensity</p>
--	--	--

and emotional precision. We meet the Mishra family in Delhi in 1978, where eight-year-old Ajay and his older brother Birju play cricket in the streets, waiting for the day when their plane tickets will arrive and they and their mother can fly across the world and join their father in America. America to the Mishras is, indeed, everything they could have imagined and more: when automatic glass doors open before them, they feel that surely they must have been mistaken for somebody important. Pressing an elevator button and the elevator closing its doors and rising, they have a feeling of power at the fact that the elevator is obeying them. Life is extraordinary until tragedy strikes, leaving one brother severely brain-damaged and the other lost and virtually orphaned in a strange land. Ajay, the family's younger son, prays to a God he envisions as Superman, longing to find his place amid the ruins of his family's new life. Heart-wrenching and darkly funny, *Family Life* is a universal story of a boy torn between duty and his own survival.

The Women's Pool
Random House
On Sunday, Mr. Jenkins welcomes one pig into his pool, and as the week progresses, the number of pigs in his pool increases exponentially, too.
