This book is a first-of-a-kind comprehensive, photographic essay regarding surviving artifacts of Custer and the Battle of the Little Big Horn - some never before published. Years were spent photographing and acquiring artifacts in museums and private collections, which are presented here in vivid, high-resolution color photographs, shot from various angles with the researcher and collector in mind. The photographs are catalogued under chapters devoted to the battle, Custer's 7th Cavalry, and the Lakota and Cheyenne warriors who fought them. Hundreds of photographic images accompanying the chapters are filled with informative descriptions regarding physical properties,

items, and the stories behind them. This definitive work will provide a valuable resource for military researchers and historians, as well as an aesthetically stunning photographic essay to compliment any collection or library. *The Day the World Ended at Little Bighorn* Macmillan An account of the legendary battle, told from a Lakota perspective, documents key Lakota oral traditions to reveal the nuanced complexities that led up to and followed the conflict. The Bitter Waters of Medicine Creek

U of Nebraska Press
CUSTER AND THE LITTLE BIGHORN is the first major illustrated book to examine the life of this complex figure and this equally complex battle. Besides being lavishly illustrated--and the first true photographic history of Custer, his Civil War exploits, and his Last Stand--this detailed narrative includes the latest groundbreaking research and analysis of the most fiercely debated battle in our nation's

history.

from the laughingstock of the Eastern Theater to an increasingly potent, well-led force. By the time of Granger's death at the Battle of Crooked Run, he and his comrades were on the verge of wresting mounted supremacy from their Confederate opponents. Amply illustrated with maps and photographs, An Aide to Custer gives readers an unprecedented view of the Civil War and one of its most important commanders, and unusual insight into the experience of a staff officer who served alongside him. Custer and the Little Bighorn Little, Brown The Battle of the Rosebud may well be the largest Indian battle ever fought in the American West. The monumental clash on June 17, 1876, along Rosebud Creek in southeastern Montana pitted George Crook and his Shoshone and Crow allies against Sioux and Northern Cheyennes under Sitting Bull and Crazy Horse. It set the stage for the battle that occurred eight days later when, just twenty-five miles away, George Armstrong Custer blundered into the very same village that had

outmatched
Crook.
Historian
Paul L.
Hedren
presents the
definitive
account of
this critical
battle, from
its

Brigadier
General Crook
commenced his
second great
campaign
against the
northern
Indians for
the year.
Both Indian
and army
paths led to

Rosebud Creek,
where
warriors
surprised
Crook and
then parried
with his
soldiers for
the better
part of a day
on an
enormous
field.
Describing
the battle
from multiple
viewpoints,
Hedren
narrates the
action moment
by moment,
capturing the
ebb and flow
of the
fighting.
Throughout he
weighs the
decisions and
events that
contributed

to Crook's tactical victory, and to his fateful decision thereafter not to pursue his adversary. The result is a uniquely comprehensive view of an engagement that made history and then changed its course. Rosebud was at once a battle won and a battle lost. With informed attention to the subtleties and significance

of both outcomes, as well as to the fears and motivations on all sides, Hedren has given new meaning to this consequential fight, and new insight into its place in the larger story of the Great Sioux War. *Roman* University of Oklahoma Press Everyone knows the name Buffalo Bill, but few these days know what he did or, in some cases, didn't do. Was he a Pony Express rider?

Did he serve Custer at the Battle of Little Big Horn? Did he scalp countless Native Americans, or did he defend their rights? This, the first significant biography of Buffalo Bill Cody for younger readers in many years, explains it all. With copious archival illustrations and a handsome design, *Presenting Buffalo Bill* makes the great showman come alive for new generations. Extensive back matter, bibliography,

and source notes complete the package. This title has Common Core connections. **Wooden Leg** Vintage Custer's Bugler is an examination into the life of John Martin (born Giovanni Martino). Abandoned as a baby, he marched with Garibaldi before coming to America. Within three years, Martino (now Martin) would find a permanent place in American history by carrying Custer's final dispatch from the Little Big

Horn. He continued in active military service for another 30 years before passing away in 1922. John Martin lived a historical odyssey, from his earliest days in rural southern Italy to life on the Plains as a Cavalry trooper before his final act in the rapidly modernizing world of New York City. Custer's Bugler: The Life of John Martin (Giovanni Martino) details his extraordinary story.

In June of 1876, on a desolate hill above a winding river called "the Little Bighorn," George Armstrong Custer and all 210 men under his direct command were annihilated by almost 2,000 Sioux and Cheyenne. The news of this devastating loss caused a public uproar, and those in positions of power promptly began to point fingers in order to avoid responsibility. Custer, who was conveniently dead, took the brunt of the blame. The truth, however, was far more complex. A Terrible Glory is the first book to relate the entire story of this endlessly fascinating battle, and the first to call upon all the significant

research and findings of the past twenty-five years -- which have changed significantly how this controversial event is perceived. Furthermore, it is the first book to bring to light the details of the U.S. Army cover-up -- and unravel one of the greatest mysteries in U.S. military history.

Scrupulously researched, *A Terrible Glory* will stand as a landmark work. Brimming with authentic detail and an unforgettable cast of characters -- from Sitting Bull and Crazy Horse to Ulysses Grant and Custer himself -- this is history with the sweep of a great novel.

Gray was a distinguished historian whose books included the acclaimed Centennial Campaign: The Sioux War of 1876. Custer's Last Campaign is the winner of the Western Writers of America Spur award and the

Little Bighorn gathering of Associates John M. Carroll Literary Award. Saluki Macmillan The classic account of Custer\'s Last Stand that shattered themyth of the Little Bighorn and rewrote history books. This historic and personal work tells the Native American sideof Custer\'s fabled attack, poignantly revealing how disastrous theencounter was for the "victors," the last great

PlainsIndians under the leadership of Sitting Bull. **Custer's Trials** Thorndike Press Large Print The Real Custer takes a good hard look at the life and storied military career of George Armstrong Custer—from cutting his teeth at Bull Run in the Civil War, to his famous and untimely death at Little Bighorn in the Indian Wars. Author James Robbins demonstrates that Custer,

having graduated last in his class at West Point, went on to prove himself again and again as an extremely skilled cavalry leader. Robbins argues that Custer's undoing was his bold and cocky attitude, which caused the Army's bloodiest defeat in the Indian Wars. Robbins also dives into Custer's personal life, exploring his letters and other personal documents to reveal who he was as a person, underneath the military leader. The Real Custer is an exciting and valuable contribution to the legend and history of Custer that will delight Custer fans as well as readers new to the legend.

Son of the Morning Star
Macmillan

Few names in American history are as recognizable as George Armstrong Custer. His fame, or infamy, all but overshadows everyone in his circle of family, friends, and enemies. Among those often overlooked is his younger brother, Thomas Ward Custer. In this biography - the first to document the life of Tom Custer - Carl F. Day reveals the public and private life of this notable American soldier. Born in 1845, Tom Custer enlisted in the Union Army in 1861. He saw action in Kentucky

and Tennessee
before being
transferred
to his
brother
George's
command in
Virginia. At
the end of
the war he
received the
Medal of
Honor twice -
the first man
in American
history and
the only
Federal
soldier in
the Civil War
to do so. He
went on to
participate
in the Battle
of the
Washita,
Stanley's
Yellowstone
Expedition,
the Black

Hills
expedition,
and, of
course, the
final march
to the Little
Bighorn,
where along
with his
brother
George he met
his death in
1876. Tom
Custer was
very much his
own man. His
private life
was not
entirely
happy. He
never
married,
although he
spent his
life
searching for
a suitable
female
companion.
His public

service,
however,
earned him
the status of
an American
hero.
