“One of the most exciting novels of the year . . . The dramatic story of

Madam C.J. Walker, America’s first black female millionaire.”—E. Lynn Harris Born to former slaves on a Louisiana plantation in 1867, Madam C.J. Walker rose from poverty and indignity to become America’s first black female millionaire, the head of a hugely successful beauty company, and a leading philanthropist in African American causes. Renowned author Alex Haley became fascinated by the

story of this extraordinary heroine, and before his death in 1992, he embarked on the research and outline of a major novel based on her life. With *The Black Rose*, critically acclaimed writer Tananarive Due brings Haley's work to an inspiring completion. Blending documented history, vivid dialogue, and a sweeping fictionalized narrative, Tananarive Due paints a vivid portrait of this

passionate and tenacious pioneer and the unforgettable era in which she lived. Praise for *The Black Rose* "An artfully framed page-turner."—*Essence* "An impressive accomplishment . . . Due's combination of historical study and fictional exploration endows this gripping tale with intimacy and emotional authenticity."—*The Miami Herald*
The Dream Lover Our Sunday Visitor Participant Workbook

Revised and reformatted! Genesis to Jesus opens the door to deeper understanding of Scripture for all Catholics, especially those who find reading the Bible a daunting task. The book leads the reader on an overview of salvation history in order to give the "big picture," the single plot that runs through the books of the Bible. What is that overarching story? God's plan to bring all humanity into his covenant family. This overview of key

covenants from creation to the New Covenant established by Jesus not only helps the reader see how various biblical stories fit together in God's plan, it also provides a foundation for ongoing Bible study. Genesis to Jesus is the first in a series of study guides produced by The St. Paul Center for Biblical Theology, based in Steubenville, Ohio. The Center, founded in 2000, develops materials to help Catholics deepen their faith through Scripture study.

many other books. They are the parents of six children. *The Final Act of Grace* Random House NEW YORK TIMES BESTSELLER • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY USA TODAY • Elizabeth Berg has written a lush historical novel based on the sensuous Parisian life of the nineteenth-century writer George Sand—which is perfect for readers of

Nancy Horan and Elizabeth Gilbert. At the beginning of this powerful novel, we meet Aurore Dupin as she is leaving her estranged husband, a loveless marriage, and her family's estate in the French countryside to start a new life in Paris. There, she gives herself a new name—George Sand—and pursues her dream of becoming a writer, embracing an unconventional and even scandalous lifestyle. Paris in the nineteenth century comes vividly alive, illuminated by the story of the loves, passions, and fierce struggles of a woman who defied the confines of society. Sand's many lovers and friends include Frédéric Chopin, Gustave Flaubert, Franz Liszt, Eugène Delacroix, Victor Hugo, Marie Dorval, and Alfred de Musset. As Sand welcomes fame and friendship, she fights to overcome heartbreak and prejudice, failure and loss. Though considered the most gifted genius of her time, she works to reconcile the pain of her childhood, of disturbing relationships with her mother and daughter, and of her intimacies with women

and men. Will the life she longs for always be just out of reach—a dream? Brilliantly written in luminous prose, and with remarkable insights into the heart and mind of a literary force, *The Dream Lover* tells the unforgettable story of a courageous, irresistible woman. Praise for *The Dream Lover* "Exquisitely captivating . . . Sand's

story is so timely and modern in an era when gender and sexual roles are upended daily."—USA Today "Fantastic . . . a provocative and dazzling portrait . . . Berg tells a terrific story, while simultaneously exploring sexuality, art, and the difficult personal choices women artists in particular made—then and now—in order to succeed. . . The book,

imagistic and perfectly paced, full of dialogue that clips along, is a reader's dream."—The Boston Globe "Absorbing . . . an armchair traveler's delight . . . Berg rolls out the wonders of nineteenth-century Paris in cinematic bursts that capture its light, its street life, its people and sounds. . . The result is an illuminating portrait of a

magnificent woman whose story is enriched by the delicate brush strokes of Berg's colorful imagination."—Chicago Tribune "There is authority and confidence in the storytelling that makes the pages fly."—The New York Times "Berg weaves an enchanting novel about the real life of George Sand."—Us Weekly "Lavishly described . . . Berg uses her own skill as a writer to graphically present the reader with a clear picture of a brilliant, yet flawed woman."—Fredericksburg Free Lance-Star "[A] beautiful, imaginative re-creation . . . Berg's years-long immersion in the writings of and about Sand has resulted in a remarkable channeling of Sand's voice."—Library Journal (starred review) "Berg offers vivid, sensual detail and a sensitive portrayal of the yearning and vulnerability behind Sand's bold persona."—Publishers Weekly "A thoroughly pleasant escape . . . [Sand is] intoxicating, beautiful, gifted, desirous, unconventional and heartbroken."—Kirkus Reviews

The inspiration for the major motion picture Six days ago, astronaut Mark Watney became one of the first people to walk on Mars. Now, he ’ s sure he ’ ll be the first person to die there. After a dust storm nearly kills him and forces his crew to evacuate while thinking him dead, Mark finds himself stranded and completely alone with no way to even signal Earth that he ’ s alive—and even if he could get word out, his

supplies would be gone long before a rescue could arrive. Chances are, though, he won ’ t have time to starve to death. The damaged machinery, unforgiving environment, or plain-old “ human error ” are much more likely to kill him first. But Mark isn ’ t ready to give up yet. Drawing on his ingenuity, his engineering skills—and a relentless, dogged refusal to quit—he steadfastly confronts one seemingly insurmountable obstacle after the next. Will his resourcefulness be enough to overcome the impossible odds

Mother photograph as inspiration for a story of two women—one famous and one forgotten—and their remarkable chance encounter. In 1936, a young mother resting by the side of the road in central California is spontaneously photographed by a woman documenting migrant laborers in search of work. Few personal details are exchanged and neither woman

has any way of knowing that they have produced one of the most iconic images of the Great Depression. In present day, Walker Dodge, a professor of cultural history, stumbles upon a family secret embedded in the now-famous picture. In luminous prose, Silver creates an extraordinary tale from a brief event in history and its repercussions throughout the decades that follow—a

reminder that a great photograph captures the essence of a moment yet only scratches the surface of a life. Dreamers of the Day Revell We all face stress and tension in our daily lives. We might even wonder why our God of abundant goodness doesn't remove the everyday struggles we face. Jesus' interactions with Martha and Mary in the Gospel provide us the key to understanding

how God shows us his love by allowing tensions in our lives. As we follow the sisters' transformative journeys through their own struggles, reflecting on what transpires between Scripture verses, we see their initial tension become the catalyst that drives both Mary and Martha to the feet of Jesus — the place where all discover peace. Grace in Tension explores the areas where stress arises in our own lives. Each chapter ends with a thought-provoking prayer to inspire us to go to God with our problems, followed by questions for reflection to help us see all the ways he's working for our good. God doesn't create any of it, but he does show up amid life's difficulties, ready to lead us through. No matter how big or small our struggle, when we seek him out, he reveals what we need to do to resolve our tension, transforming it into grace.

An intergalactic odyssey of love, ambition, and self-discovery.

Orphaned as a boy, raised in the Czech countryside by his doting grandparents, Jakub

Prochv ° zka has risen from small-time scientist to become the country's first astronaut. When a dangerous solo mission to Venus offers him both the chance at heroism he's dreamt of, and a

way to atone for his father's sins as a Communist informer, he ventures boldly into the vast unknown. But in so doing, he leaves behind his devoted wife, Lenka, whose love, he realizes too late, he has sacrificed on the altar of his ambitions. Alone in Deep Space, Jakub discovers a possibly imaginary giant alien spider, who becomes his unlikely companion. Over philosophical conversations about the nature of love, life and death, and the deliciousness of bacon, the pair form an intense and emotional

bond. Will it be enough to see Jakub through a clash with secret Russian rivals and return him safely to Earth for a second chance with Lenka? Rich with warmth and suspense and surprise, Spaceman of Bohemia is an exuberant delight from start to finish. Very seldom has a novel this profound taken readers on a journey of such boundless entertainment and sheer fun. "A frenetically imaginative first effort, booming with vitality and originality . . .
